Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsections (15) and (16) are added to section 397.487, Florida Statutes, to read:

397.487 Voluntary certification of recovery residences.—

(15) (a) By January 1, 2026, the governing body of each county or municipality shall adopt an ordinance establishing procedures for the review and approval of certified recovery residences within its jurisdiction. The ordinance must include a process for requesting reasonable accommodations from any local land use regulation that serves to prohibit the establishment of a certified recovery residence.

(b) At a minimum, the ordinance must:

1. Be consistent with the Fair Housing Amendments Act of 1988, 42 U.S.C. ss. 3601 et seq., and Title II of the Americans with Disabilities Act, 42 U.S.C. ss. 12131 et seq.

2. Establish a written application process for requesting a reasonable accommodation for the establishment of a certified recovery residence, which application must be submitted to the appropriate local government office.

3. Require the local government to date-stamp each application upon receipt. If additional information is required, the local government must notify the applicant in writing within the first 30 days after receipt of the application and allow the applicant at least 30 days to respond.

4. Require the local government to issue a final written determination on the application within 60 days after receipt of

a completed application. The determination must:

a. Approve the request in whole or in part, with or without conditions; or

b. Deny the request, stating with specificity the objective, evidence-based reasons for denial and identifying any deficiencies or actions necessary for reconsideration.

5. Provide that if a final written determination is not issued within 60 days after receipt of a completed application, the request is deemed approved unless the parties agree in writing to a reasonable extension of time.

6. Require that the application include, at a minimum:

a. The name and contact information of the applicant or the applicant's authorized representative;

b. The property address and parcel identification number; and

c. A description of the accommodation requested and the specific regulation or policy from which relief is sought.

(c) The ordinance may establish additional requirements for the review or approval of reasonable accommodation requests for establishing a certified recovery residence, provided such requirements are consistent with federal law and do not conflict with this subsection.

(d) The ordinance may not require public hearings beyond the minimum required by law to grant the requested accommodation.

(e) The ordinance may include provisions for the revocation of a granted accommodation of a certified recovery residence for cause, including, but not limited to, a violation of the conditions of approval or the lapse, revocation, or failure to

maintain certification or licensure required under this section,
if not reinstated within 180 days.

(f) The ordinance and establishment of a reasonable
accommodation process does not relieve the local government from
its obligations under the Fair Housing Amendments Act of 1988,
42 U.S.C. ss. 3601 et seq., and Title II of the Americans with
Disabilities Act, 42 U.S.C. ss. 12131 et seq. The regulation for
which the applicant is seeking a reasonable accommodation must
not facially discriminate against or otherwise disparately
impact the applicant.

current or future declaration or declaration of condominium
adopted pursuant to chapter 718; any cooperative document
adopted pursuant to chapter 719; or any declaration or
declaration of covenant adopted pursuant to chapter 720.
