NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the Town of Lake Park, Florida will be accepting bids for:

TOWN OF LAKE PARK REQUEST FOR PROPOSALS (RFP) 119-2023 LAKE PARK TOWN HALL ROOF TRUSS FRAMING STRUCTURAL REPAIRS

Responses for this project shall be submitted and received digitally via DemandStar at www.demandstar.com before 2:00 P.M. Local Time, on Friday, October 13, 2023.

The OWNER for the Project is the Town of Lake Park.

The Engineering firm for the Project is O'Donnell, Naccarato, & Jackson (ONM&J)

PROJECT OBJECTIVE:

The Lake Park Town Hall is a nationally recognized historic building that is open daily for Town Business. In May of 2015, an independent consultant concluded that "the roof is in decline (and) is likely to fail if a significant wind event were to occur." Preserving the Town Hall ensures it remains open for public use.

While the building currently remains structurally sound for the most part, there are structural defects that have been identified in some of the roof framing members. The Town's structural engineer has developed recommendations for repairs of these defects.

The objective of this Request for Proposals (RFP) is to secure a qualified and experienced contractor with expertise in structural framing and repairs. Through this RFP, the Town will competitively solicit bid proposals for the structural repair work of the Town Hall building consistent with the Town's procurement policy. Proposals will be evaluated and scored in accordance with the assigned weighted valuations..

PROJECT SCOPE:

This is a structural repair to existing roof truss framing project. The project scope of work includes providing structural repairs as indicated in the structural plans prepared by the Town's structural engineering firm.

The work will primarily take place in the Town Hall building attic space. Contractor shall take the necessary steps and precautions to provide a safe, ventilated and well lit work space. The Town Hall building will remain operational during the structural repair work. (See Exhibit B – Scope of Work for a complete description of the proposed scope of work.)

Invitation to Bid documents are available through the DemandStar website at www.demandstar.com.

Bidders with technical questions concerning the Bidding Documents should contact the Town Clerk, by calling 561-881-3311 or emailing to townclerk@lakeparkflorida.gov. Questions, and all responses will be provided to all bid holders.

NON-MANDATORY PRE-PROPOSAL CONFERENCE

A **Non-Mandatory** Pre-Proposal Conference meeting will be held on Tuesday, September 26, 2023, at 11:00 a.m., Local Time, at the Town of Lake Park Commission Chambers, located at 535 Park Avenue, Lake Park, Florida, 33403. This meeting will provide a brief description of the project and the project scope and answer questions regarding the project and the RFP to facilitate a responsive and

responsible response. Immediately following the pre-proposal conference meeting, interested firms will have an opportunity to inspect the project site and Town Hall building and familiarize themselves with the requirements in order to ensure all items affecting project costs are reviewed and considered.

No Bids may be withdrawn for a period of ninety (90) days after the scheduled closing date for the receipt of bids. The cost of Bid preparation is considered an operational cost of Bidders and shall not be passed on or borne by the Owner.

For a bid proposal pricing exceeding one hundred thousand dollars (\$100,000.00), a Bid Bond in a sum not less than five percent (5%) of the amount of the bid, made payable to the Town of Lake Park, shall accompany each Bid as a guarantee that the bidder will not withdraw from the competition after the opening of Bids.

A digital copy of the signed and sealed Bid Bond shall be included with the required bid documents as submitted via www.demandstar.com.

The sureties for the Bid Bond and Public Construction Bond must be an entity included in the most recent United States Department of Treasury list of acceptable sureties and be authorized to issue surety bonds in Florida. Bid Security shall be in a single acceptable instrument.

The Successful Bidder, who is awarded the contract, will be required to furnish an original bid bond, as well as the Public Construction Performance and Payment Bonds in the full contract amount in accordance with Florida Statutes 255.05, as amended, and to submit a Certificate of Insurance demonstrating conformance with the Contract Documents. Failing to do so may result in the Owner retaining the Bid Security as agreed upon liquidated damages. Bids shall be prepared, addressed, and submitted in compliance with detailed instructions as set forth in the Instructions to Bidders

The Town of Lake Park reserves the right to reject any or all Bids in whole or in part, with or without cause, to waive irregularities, variances, deviations, technical errors, and informalities to the extent permitted by law, or to accept the Bid which in its judgment best serves the public interest.

INSTRUCTIONS TO BIDDERS

1. DEFINED TERMS

Terms used in these Instructions to Bidders which are defined in the Standard General Conditions of the Construction Contract have the meanings assigned to them in the General Conditions. The term "BIDDER" means one who submits a bid directly to OWNER, as distinct from a "sub-bidder", who submits a bid to a BIDDER. The term "Successful Bidder" means the lowest, qualified, responsible BIDDER to whom OWNER (on the basis of the OWNER's evaluation as hereinafter provided) makes an award. The term "Bidding Documents" includes the Invitation to Bid, Instructions to Bidders, the Bid Form, and the Contract Documents (including all Addenda issued prior to receipt of the Bid).

2. COPIES OF BIDDING DOCUMENTS

2.1. Complete sets of the Bidding Documents are available through the DemandStar website at www.demandstar.com.

2.2. Complete sets of Bidding Documents shall be used in preparing Bids; neither OWNER nor ARCHITECT assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents.

2.3. OWNER, in making copies of Bidding Documents available on the above terms does so only for the purpose of obtaining Bids on the Work and does not confer a license or grant any other use.

3. QUALIFICATIONS OF BIDDERS

Each bidder shall provide documentation in the bid submittal to demonstrate qualifications to perform the Work. Each BIDDER must be prepared to submit within five (5) days of OWNER's request written evidence of the types set forth in the General Conditions, such as financial data, previous experience, and evidence of authority to conduct business in the jurisdiction where the Project is located. Each Bid must contain evidence of BIDDER's qualification to do business in the State of Florida or covenant to obtain such qualification prior to the award of the contract.

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or a public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

4. EXAMINATION OF CONTRACT DOCUMENTS AND SITE

4.1. Before submitting a Bid, each BIDDER must (a) examine the Contract Documents thoroughly, (b) visit the site to familiarize himself with local conditions that may in any manner affect cost, progress or performance of the Work, (c) familiarize himself with federal, state and local laws, ordinances, rules and regulations that may in any manner affect cost, progress or performance of the Work; (d) contact local governments and agencies where the Work is to take place to determine if there are any applicable permits, licenses, fees or other requirements; and (e) study and carefully correlate BIDDER's observations with the Contract Documents. Each BIDDER is also advised to review the state grant, which is partially funding this project, as the winning BIDDER will incur obligations related to the fulfillment of the grant requirements. The failure to be familiar with applicable laws will in no way relieve Bidder from responsibility with this provision.

4.2. Reference is made to the General Requirements of the Specifications for the identification of those reports of investigations and tests of subsurface and latent physical conditions at the site or otherwise affecting cost, progress or performance of the Work which have been relied upon by ARCHITECT in preparing the Drawings and Specifications, OWNER will make copies of such reports available to any BIDDER requesting them. These reports are not guaranteed as to accuracy or completeness, nor are they part of the Contract Documents. Before submitting his Bid, each BIDDER will, at his own expense, make such additional investigations and tests as the BIDDER may deem necessary to determine his Bid for performance of the Work in accordance with the time, price and other terms and conditions of the Contract Documents.

4.3. On request in advance, and in accordance with a properly executed right-of-way permit (if required), OWNER will provide each BIDDER access to the site to conduct such explorations, investigations and tests as each BIDDER deems necessary for submission of his Bid. BIDDER shall fill all holes, clean up and restore the site to the former condition upon completion of such explorations. BIDDER shall indemnify, protect, save and hold harmless OWNER, and any and all of OWNER's respective directors, officers, employees and agents from and against all liabilities, obligations, claims, damages, costs and expenses, including, but not limited to, court costs, expert witness fees and attorneys' fees and expenses incurred pursuant to any such explorations, investigations and tests conducted by the BIDDER and any and all of its agents and employees.

4.4. The submission of a Bid will constitute an incontrovertible representation by the BIDDER that he has complied with every requirement of this Article 4 and that the Contract Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance of the Work.

5. INTERPRETATIONS

All questions about the meaning or intent of the Contract Documents shall be submitted to OWNER in writing. Replies will be issued by Addenda through DemandStar to all parties recorded by DemandStar as having received the Bidding Documents. **Questions are to be received no later than Friday, October 06, 2023 at 4:00 pm;** Only questions answered by formal written Addenda will be binding.

6. BID SECURITY

6.1. If the bidders bid pricing is greater than or equal to one hundred thousand dollars (\$100,000.00), then the Bid must be accompanied by Bid Security made payable to OWNER in an amount of not less than **five percent (5%) of the BIDDER's maximum Bid price** and in the form of a cashier's check or a Bid Bond made payable to OWNER. The Surety furnishing this bond shall have a sound financial standing and a record of service satisfactory to the OWNER and shall be authorized to do business in the State of Florida. The Surety must also be an entity included in the most recent United States Department of Treasury list of acceptable sureties. Surety providers will be required to utilize the bid bond form contained in this bid package. Bid Security shall be in a single acceptable instrument, either a cashier's check or Bid Bond.

6.2. The Bid Security of the Successful Bidder will be retained until such BIDDER has executed the Agreement and furnished the required Public Construction Bond and Certificate of Insurance, whereupon the Bid Security will be returned. If the Successful Bidder fails to execute and deliver the Agreement and furnish the required Public Construction Bond and Certificate of Insurance within fifteen (15) days after the Notice of Intent to Award, OWNER may annul the Notice of Intent to Award and the Bid Security of the BIDDER will be paid to OWNER. The Bid Security of other BIDDERS whom OWNER believes to have a reasonable chance of receiving the award may be retained by OWNER until the earlier of the seventh (7th) day after the Effective Date of the Agreement or 90 days after the Bid opening, whereupon Bid Security furnished by such BIDDERS will be returned. Bid Security with Bids which are not competitive will be returned within seven (7) days after the Bid opening.

7. CONTRACT TIME

The number of days within which, or the date by which, the Work is to be completed (the Contract Time) is set forth in the Bid Form and will be included in the Agreement. **The contract time is currently set at 30 calendar days to substantial completion, plus 15 days to final completion from the date of contract time commencing (45 days' total contract time).**

8. LIQUIDATED DAMAGES

BIDDER is advised to consider the provisions of the Agreement as to liquidated damages in the event of failure to complete the Work on time. **Liquidated damages shall be \$100.00 for each calendar day beyond the time stipulated.**

9. SUBSTITUTE MATERIAL AND EQUIPMENT

The Contract, if awarded, will be on the basis of material and equipment described in the Drawings and/or specified in the Specifications without consideration of possible substitute or "equivalent or-equal" items, unless included in an Addendum (or Addenda). Whenever it is indicated in the Drawings or identified in the Specifications that a substitute "equivalent or equal" item of material or equipment may be furnished or used by CONTRACTOR if acceptable to ARCHITECT, application for such acceptance will not be considered by ARCHITECT until after the "effective date of the Agreement".

9.1. General Conditions may require the identity of certain Subcontractors and other persons and organizations (including those who are to furnish the principal items of material and equipment) to be submitted to OWNER with the bid submittal. Such a list shall be accompanied by an experience statement with pertinent information as to similar projects and other evidence of qualification for each such Subcontractor, person, and organization if requested by OWNER. If OWNER or ARCHITECT, after due investigation, has reasonable objection to any proposed Subcontractor, other person, or organization, either may, before giving the Notice of Intent to Award, request the apparent Successful Bidder to submit an acceptable substitute without an increase in Bid price. If the apparent Successful Bidder declines to make any such substitute, the OWNER may reject the bid, and such declination of substitution will not constitute grounds for sacrificing his Bid Security (if applicable). Any Subcontractor, other person, or organization so listed and to whom OWNER or ARCHITECT does not make written objection prior to the giving of the Notice of Award will be deemed acceptable to OWNER and ARCHITECT.

9.2. No CONTRACTOR shall be required to employ any Subcontractor, other person or organization against whom he has reasonable objection.

If, within 24 hours after Bids are opened, any BIDDER files a duly signed written notice with OWNER and promptly thereafter demonstrates to the reasonable satisfaction of OWNER that there was a material and substantial mistake in the preparation of his Bid, that BIDDER may withdraw his Bid. Thereafter, that BIDDER will be disqualified from further bidding on the Work.

14. BIDS TO REMAIN OPEN

It is OWNER's intent to accept Alternate Bid Items (if any are accepted) in the order in which they are listed in the Bid form but OWNER may accept them in any order or combination.

Operating costs, maintenance considerations, performance data and guarantees of materials and equipment may also be considered by OWNER.

15.4. OWNER may conduct such investigations as it deems necessary to assist in the evaluation of any Bid and to establish the responsibility, qualifications and financial ability of the BIDDERS, proposed Subcontractors and other persons or organizations to do the Work in accordance with the Contract Documents of OWNER's satisfaction within the prescribed time.

15.5. OWNER reserves the right to reject the Bid of any BIDDER who does not pass any such evaluation to OWNER's satisfaction.

15.6. If the contract is to be awarded, it will be awarded to the lowest BIDDER whose evaluation by OWNER indicates to OWNER that the award will be in the best interests of the Project and the award will not necessarily be the apparent low bidder.
