Town of Lake Park

RE: Piggy-Back Contract

To Whom It May Concern:

Asphalt Paving Systems, Inc. is pleased to hear that the Town of Lake Park wishes to utilize our “Countywide Pavement Maintenance and Rehabilitation Continuing Services” for Citywide paving and road repair. As is common practice and in compliance with Florida laws, I understand the Town has requested to "piggy-back" on another agencies contract that Asphalt Paving System holds for like services.

Asphalt Paving Systems, Inc. is proposing to utilize our contract with Sumter County Contract, ITB 045-0-2023/RS (Countywide Pavement Maintenance and Rehabilitation Continuing Services). All specifications, terms, and conditions will be per the original Sumter County Contract.

If the Town finds this contract to be a suitable purchasing mechanism, please sign below indicating your acceptance and return a copy to Asphalt Paving Systems, Inc. We are incredibly grateful to be able to serve the people of Lake Park and we appreciate the work you send us.

Respectfully,

Robert Capoferri
President

Accepted by Town of Lake Park.
