Summary Explanation/Background:

The Library is requesting the Town Commission to consider, discuss and provide input/direction on proceeding with the creation of an Educational Advisory Committee, as requested by Commissioner Judith Thomas during the July 2, 2025 Regular Commission Meeting.

Recently, the Town Clerk provided the Town Commission with information that the Town had previously established an Education Committee (Resolution 3-1993), which was later renamed as the Educational Advisory Board in 2001 (Ordinance 9-2001).

The purpose of this committee would be to partner with the local schools attended by students in our community, to assist with foundational skills (e.g., reading, writing, math, field trips, etc.).

Recommendation:

The Town Commission consider, discuss and provide input/direction on proceeding with an Educational Advisory Board within the Town's Library.
