#### **Summary Explanation/Background:**

During the April 2, 2025 Regular Commission Meeting, the Town Commission provided direction to approve the reading of a proclamation declaring April 2025 as Water Conservation Month.

As in previous years, the South Florida Water Management District (SFWMD) in partnership with the State of Florida and the Florida Section of the American Water Works Association will be highlighting April as Water Conservation Month. Water conservation is an important component of a dependable water supply.

Unfortunately, representatives from the South Florida Water Management District are not expected to attend the April 16, 2025 Commission meeting. However, if approved, the executed proclamation will be provided to the District by the Town Clerk's Office.

#### **Recommended Motion:**

I move to support a proclamation declaring April 2025 Water Conservation Month.
