Special Events Director Franks explained that the Centennial Art & Music Festival would be held on Saturday, September 23, 2023 from 11:00 A.M. - 5:00 P.M. in Lake Park's Downtown. Staff has provided the vendor application packet and flyer for the event to the Committee Members as well as the public. Space remains available for vendors to participate. Staff has reached out to all the past Sunset Celebration vendors to make them aware of this event. She explained that the event would be joined with the Rust Market and the Artist of Palm Beach County and they would assist in notifying vendors about the event.

A discussion ensued regarding the Artist of Palm Beach County joining the event as one group or as individual artist. Ms. Pitchney asked if each vendor would have tents. Special Events Director Franks explained that each vendor was responsible for their own tents, chairs, banners, etc. for the event. Ms. Pitchney explained that during past events the Artist of Palm Beach County are represented as one group. The discussion continued with a result that the Artist of Palm Beach County would have a tent in which several artist would take turns greeting visitors, but only have four artist merchandise showcased during the hours of the event. They would not be switching out the merchandise as their members route coverage. Ms. Zapp stated that they would use a 13X13 size tent for the group. It was clarified that individual artist could pay their own fee and have their own 10X10 tents. All tents over 10X10 must have a fire extinguisher in the tent.

Mr. Furman explained the typical Rust Market hours of operation (9:00 a.m. - 2:00 p.m.), however, he would extend it to 5:00 p.m. for this event. He described that the Rust Market was on the 700 block on Park Avenue. He suggested closing Park Avenue for the event. Commissioner/Chair Linden asked Special Events Director Franks for the logistics of the event. Special Events Director Franks explained that they plan on closing Park Avenue between 7th Street and 9th Street. They would begin assigning spaces along the 700 block first and then branching out if it were necessary. She asked if the Committee wanted the vendors on Park Avenue or the back alley because many have asked if the event was along the mural (located in the back alley along the 700 block). Mr. Furman explained that there was no foot traffic along the back alley. Special Events Director Franks stated that the vendors would be set up on the parallel parking spots on Park Avenue.

Each member made suggestions of the placement of the vendors. Special Events Director Franks explained why certain streets need to be open and allow businesses to still have access to their areas.

Vice-Chair Harris Clark asked where the food vendors were being placed. Special Events Director Franks stated that the food vendors would be placed on the green space. Vice-Chair Harris Clark asked where are the vendors parking. Special Events Director Franks explained that vendors would park at Town Hall or another space away from the event to allow for visitors to have space to park.

The Committee discussed the business at 754 Park Avenue and moving the portable fence for the event. Mayor Michaud would speak with the Town Manager.

The Committee discussed food and music vendors. The Committee discussed activities for children.

Special Events Director Franks opened the discussion regarding the sale of alcohol during the event. The Town contracts with a vendor for these services for the Sunset Celebration and she wanted to know if the Committee wished to engage the same vendor. The Committee discussed the vendor, other businesses in the area that sell beer & wine and what would be favorable to the businesses and the public.

Motion made to allow Bonner Mobile Vendor to serve beer & wine, along with alcohol during the Art & Music Festival by Commissioner Michaud, Seconded by Commissioner Taylor.
