Quote total = \$32,950.69

Payment Method – Charge

Explanation:

Paul Mathis called in & requested a Quote for a Python Arm Replacement. This Quote is for us to remove & replace the Python Arm with FEN-X Arm (Heil rebuilt Python Arm). If approved, we will schedule the Truck to come to our Yard for the replacement. Once here, we will remove the Python Arm from the Truck, install the FEN-X Arm, install new Grabbers/Prox Switches/Prox Harness/etc. Once the Arm is installed, we will test for proper operations before releasing back to the customer.

Disclaimer: This Quote is subject to change; if any further damage is found and repairs need to be made, we will reach out for approval before proceeding with the repairs.
