Summary Explanation/Background:

During the September 16, 2026, Regular Commission Meeting, Commission O'Rourke requested that the September 2, 2026, Regular Commission Meeting Minutes be pulled from the Consent Agenda. Commissioner O'Rourke explained that he was pulling the item because he did not agree that Exhibit A had been included as part of the minutes when the speaker was not in attendance at the meeting. The Commission voted 4/1 to approve the minutes.

After further investigation, it was determined that the speaker had in fact been at the meeting and stated their comments into the record.

The purpose of resubmitting the September 2, 2026, Regular Commission Meeting Minutes is so that the Commission can reconsider keeping Exhibit A as part of the minutes.

Recommended Motion:

I move to reconsider and approve the minutes of the September 2, 2026 Regular Commission Meeting as presented.
