

EXECUTIVE BRIEF REGULAR MEETING

AGENDA DATE: January 4, 2022

DEPARTMENT: Water Utilities/Public Works

TITLE:

Authorize Second Amendment with Mock Roos & Associates, Inc. for Engineering Design and Construction Management Services for the City's Neighborhood Street Program

SUMMARY:

Second Amendment authorizes Mock Roos & Associates, Inc. to continue to provide Engineering Design and Construction Management Services for the City's Neighborhood Street Program to complete the final District 1 project that is under construction.

BACKGROUND AND JUSTIFICATION:

The City is in the process of completing the Neighborhood Road Program funded by the \$40 million bond issued in 2017. The program included four years of construction to improve the roads throughout the City. The final project in District 1 was delayed due to Covid and other factors, but is now under construction, with an estimated completion of June 2022. The engineering design and construction management contract with Mock Roos was issued for a four-year term and one year renewal, which was exercised and extended the Agreement through February 6, 2022. As this final project is ongoing and Mock Roos is providing construction engineering inspection services on it, the City finds amending the Agreement to extend the term until completion of the program or latest December 31, 2022.

MOTION:

Move to approve/disapprove Second Amendment with Mock Roos & Associations, Inc. for Engineering Design and Construction Management Services for the City's Neighborhood Street Program.
