Dixie Highway, Lake Worth Beach, FL 33460, a municipal corporation organized and existing under the laws of the State of Florida, ("CITY"), and **MAXX ENVIRONMENTAL, LLC**, a Limited Liability Company authorized to do business in the State of Florida, located at 3610 Fiscal Court, West Palm Beach, FL ("CONTRACTOR").

RECITALS

WHEREAS, the CITY's Water Utilities Department is in need of a company to perform certain infrastructure maintenance and repair work; and,

WHEREAS, the CITY's Procurement Policy and Code authorizes the purchases of goods and services through "piggybacking" other governmental competitively procured contracts; and

WHEREAS, on March 25, 2024, the Sun'n Lake of Sebring Improvement District ("District") competitively awarded a contract for infrastructure maintenance and repair work to the CONTRACTOR based on the District's Request for Proposal (RFP 21-04 SNL) ("District Contract") which is valid until March 25, 2025 with three (3) additional one (1) year (s) renewal options; and

WHEREAS, the CITY has requested and the District has authorized the CITY to extend the terms and conditions of the District's Contract to the CITY; and

WHEREAS, the CITY has reviewed the unit prices from the District Contract, as provided in **Exhibit "A"**, and determined that the unit prices are competitive and will result in the best value to the CITY; and

WHEREAS, the CITY finds entering this Agreement with the CONTRACTOR serves a valid public purpose.

NOW THEREFORE, in consideration of the mutual promises set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Recitals. The parties agree that the recitals set forth above are true and correct and are fully incorporated herein by reference.
2. Contract. The District Contract is hereby incorporated by reference into and expressly made a part of this Agreement as if set forth at length herein. The CITY shall have all rights and obligations of District under the District Contract except as specifically modified herein. The term of this Agreement shall be consistent with the term of the District Contract and valid until **March 25, 2025** unless earlier terminated in accordance with the District Contract terms. This Agreement may be extended by the City Manager consistent with extensions of the District Contract.
3. Not to Exceed Amount. While the CONTRACTOR is not guaranteed that the CITY will utilize this Agreement for any services, if the CITY utilizes this Agreement for services, the not to exceed amount for this Agreement shall be **One Hundred Fifty Thousand Dollars (\$150,000)** each fiscal year.

4. Work Orders. When the CITY identifies a need for the CONTRACTOR's services, the CITY will request a proposal from the CONTRACTOR to provide the services requested at the unit prices set forth in **Exhibit "A"**. The CITY will provide the CONTRACTOR with plans and/or specifications in order for the CONTRACTOR to develop its proposal. The CONTRACTOR's proposal shall be submitted in the format of the sample work order, attached hereto and incorporated herein as **Exhibit "B"** along with a copy of the CONTRACTOR's proposal. Upon receipt of the CONTRACTOR's proposed work order and proposal, the CITY shall decide in its sole discretion whether to award the work order to the CONTRACTOR. Depending on the lump sum amount of each work order, the work order may be awarded by the City Manager, if within their purchasing authority (currently not to exceed \$50,000), or the City Commission. If the work order is approved by the CITY, the CONTRACTOR shall commence the identified services upon the CITY's approval of the work order for the services and issuance of a notice to proceed. The CITY reserves the right to reject any and all proposals submitted by the CONTRACTOR. A CITY-approved work order shall include (by reference) the plans and/or specifications provided by the CITY to the CONTRACTOR.

5. Conflict of Terms and Conditions. Conflicts between documents that make up this Agreement shall be resolved in the following order of precedence:

- a. This Agreement (including its exhibits);
- b. The District Contract; and,
- c. The City issued Work Order.

6. Compensation to CONTRACTOR. CONTRACTOR shall submit invoices to the CITY for review and approval by the CITY's representative, indicating that all goods and services have been provided and rendered in conformity with this Agreement and then will be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the CITY representative's approval. CONTRACTOR waives consequential or incidental damages for claims, disputes or other matters in question arising out of or relating to this Agreement. In order for both parties herein to close their books and records, CONTRACTOR will clearly state "final invoice" on the CONTRACTOR's final/last billing to the CITY. This certifies that all services have been properly performed and all charges have been invoiced to the CITY. Since this account will thereupon be closed, any and other further charges if not properly included in this final invoice are waived by the CONTRACTOR. The CITY will not be liable for any invoice from the CONTRACTOR submitted thirty (30) days after the provision of all services.

7. Miscellaneous Provisions.

- A. This Agreement shall be governed by the laws of the State of Florida. Any and all legal action necessary to enforce this Agreement will be held in Palm Beach County. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.
- B. Except for any obligation of the CONTRACTOR to indemnify the CITY, if any legal action or other proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this Agreement, each party shall be liable and responsible for their own attorney's fees incurred in that enforcement action, dispute, breach, default or misrepresentation. FURTHER, TO ENCOURAGE PROMPT AND EQUITABLE RESOLUTION OF ANY LITIGATION, EACH PARTY HEREBY WAIVES ITS RIGHTS TO A TRIAL BY JURY IN ANY LITIGATION RELATED TO THIS AGREEMENT.

 - D. All notices required in this Agreement shall be sent by certified mail, return receipt requested or by nationally recognized overnight courier, and sent to the addresses appearing on the first page of this Agreement.
 - E. The CITY and the CONTRACTOR agree that this Agreement (and the other documents described herein) sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto. Any provision of this Agreement which is of a continuing nature or imposes an obligation which extends beyond the term of this Agreement shall survive its expiration or earlier termination.
 - F. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and will become effective and binding upon the parties as of the effective date at such time as all the signatories hereto have signed a counterpart of this Agreement. THIS WORK ORDER for Infrastructure Maintenance and Repair Work ("Work Order" hereafter) is made on the _____, between the **City of Lake Worth Beach**, a Florida municipal corporation located at 7 North Dixie Highway, Lake Worth Beach, Florida 33460 ("City" hereafter) and **Maxx Environmental, LLC**, a Limited Liability Company authorized to do business in State of Florida ("Contractor" hereafter).

1.0 Project Description:

Final completion of all services and work (and all punch-list items (if any)) under this Work Order shall be within _____ **calendar days** from the Effective Date of this Work Order. The Effective Date of this Work Order is the date following the parties' execution of this Work Order and the City's delivery of a Notice to Proceed to the Contractor via e-mail, facsimile or other form of delivery as documented by the City. Substantial completion occurs when the services and work has progressed to the point where, in the opinion of the City, the work is sufficiently complete in accordance with the Contract Documents and this Work Order, so that the Project can be utilized for the purposes for which it is intended. Final completion occurs when all services and work (including punch-list items) has been completed and the project becomes fully operational and accepted by the City.

Liquidated Damages. The City and Contractor recognize that time is of the essence under this Work Order and the Contract Documents, and that the City will suffer financial loss if the services and work described in this Work Order and the Contract Documents are not completed within the times specified in this Work Order. The City and Contractor recognize, agree and acknowledge that it would be impractical and extremely difficult to ascertain and fix the actual damages that the City would suffer in the event Contractor neglects, refuses, or otherwise fails to complete the services and work within the time specified. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay the City _____ dollars (\$ _____)

for each day that expires after the time specified in this Work Order.

The Contractor will remedy any such failure or breach so, to the extent possible, to avoid unnecessary disruptions to the operations of City or its systems. In the event the Contractor fails to initiate and diligently pursue corrective action within five (5) days of the Contractor's receipt of the City's notice or the Contractor's discovery of the same, the City may undertake such corrective action at the Contractor's expense.
