

RESOLUTION NO. 70-2013 OF THE CITY OF LAKE WORTH, FLORIDA, ESTABLISHING UTILITY DEPOSIT REQUIREMENTS AND REFUNDS; PROVIDING FOR INTEREST PAYMENTS ON ALL DEPOSITS; PROVIDING THAT CONFLICTING RESOLUTIONS ARE REPEALED; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City previously adopted City resolution 1-98; 56-98; 2-2001; 65-2007; and, 18-2008, which established rules governing utility deposits for water, sewer and electric and other related matters; and,

WHEREAS, the City has entered into a contract with ONLINE Information Services, Inc., to assist the City in determining the appropriate residential deposit for utility service based on an applicant's credit history and other factors; and,

WHEREAS, in entering said contract, the City has reviewed its existing resolution governing utility deposits and found that it needs to revise the rules governing utility deposits to be consistent with the contract; and,

WHEREAS, the City now desires to revise its rules governing utility deposits; and,

WHEREAS, the City finds revising said rules related to utility deposits serves a valid public purpose.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF LAKE WORTH, FLORIDA, that:

Section 1. Recitals. The foregoing recitals are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution.

Section 2. Deposits.

(A) Generally

Before any person shall be entitled to utility service, he/she or the entity must pay a security deposit to the City unless specifically waived herein. Any security deposit may be applied by the City at any time in satisfaction of indebtedness for utility services which may be or become due to the City by the customer. After such application, the remainder thereof may be applied in discharge of any indebtedness of the customer to the City whatsoever and the City may use said deposit as if the City were the absolute owner thereof. This deposit shall not preclude the City from discontinuing, for non-payment, any and all services covered by this deposit regardless of the sufficiency of said deposit to cover such indebtedness for such services.

(8) Residential service

The initial service deposit for residential utility service in the name of an individual(s) shall be established by consumer information received from a centralized database containing credit and consumer data information pertaining to the payment history of utility bills and other services ("Consumer Information Check" hereafter). The source of the Consumer Information Check may be without limitation credit information, consumer information, credit scoring services, fraud detection, and criminal records provided by national credit reporting repositories, and national criminal record databases, and/or local county systems.

The Consumer Information Check will determine the amount, if any, of the deposit required to establish service. The specific amount of the deposit shall be as follows:

- (1) Individual(s) whose Consumer Information Check suggests a substantial risk of delinquency shall pay a deposit of two and one-half (2.5) times the average or estimated monthly billing at the location rounded to the nearest Fifty Dollars (\$50).
- (2) Individual(s) whose Consumer Information Check suggests a moderate risk of delinquency shall pay a deposit of one (1.0) times the average or estimated monthly billing for electric service and/or Fifty Dollars (\$50) for water service per unit.
- (3) Individual(s) whose Consumer Information Check suggests no risk of delinquency shall not be required to pay a deposit.

The risk of delinquency shall be established based on information revealed in the Consumer Information Check as reviewed by the city and/or its designee.

An individual(s) who fails to provide the proper identification as required on the application for service; who initially provides false information; or, who has no Consumer Information Check history, shall be charged the same deposit as those individual(s) whose Consumer Information Check suggests a high risk of delinquency.

Once service is established, the City reserves the right to update an individual(s) Consumer Information Check and require a deposit or an increase in the deposit if the updated Consumer Information Check reveals an increase in risk of delinquency. The customer shall be notified, in writing, of any deposit adjustment and/or amount due the City. The amount due, if any, shall be paid within thirty (30) days of notification. Failure to pay the additional deposit amount may result in disconnection of service.

The initial service deposit for residential utility service in the name of an entity (corporation, partnership, company, etc.) shall be as set forth below for Non-Residential (Commercial) General Service.

(C) Non-Residential (Commercial) General Service

Electric

The initial service deposit for electric utility service shall be the greater of Two Hundred Seventy Five Dollars (\$275) or two and one-half (2.5) times the monthly average or estimated bill rounded to the nearest Fifty Dollars (\$50).

Water and/or Sanitary Sewer

The service deposit for water and/or sanitary sewer service shall be the greater of Three Hundred Dollars (\$300) or two and one-half (2.5) times the monthly average or estimated bill rounded to the nearest Fifty Dollars (\$50).

No non-residential (commercial) electric or water/sewer deposit shall be waived. However, deposits for service to any unit of federal, state or local government are waived as are deposits for service to any organization having a valid State of Florida tax exempt certificate as long as such organization is assessed no more than one (1) delinquent late fee in the most recent twelve (12) month period.

In lieu of a cash deposit, a surety bond or an irrevocable letter of credit, as approved by the utility customer service manager or designee, may be accepted for non-residential (commercial) general service.

Section 3. Deposit Review/Adjustment Policy.

(A) Residential

The City shall require an adjustment of a non-residential deposit balance under the following circumstances:

1. One (1) disconnect for non-payment;

In the event of a deceased depositor, refund will be to the estate or pursuant to Court order.

Section 5. Commercial Deposits - Non-refundable.

The city manager shall be vested with the authority to approve the percentage rate to be applied and associated administrative fee.
- (C) Each year during the month of October, the accrued interest shall be credited and applied to the customer's account as payment towards the current bill.
