Input from the City Commission and the public is respectfully requested to determine the eligible activity to be submitted by the City to the Bureau of Justice Assistance with this funding.

**BACKGROUND AND JUSTIFICATION:**

The Department of Justice, Bureau of Justice Assistance (BJA) has recently notified the City of its eligibility for Fiscal Year 2022 Edward Byrne Memorial Justice Assistance Grant (JAG) funding under the Local JAG solicitation in the amount of \$33,124. These funds are made available to the City for eligible local initiatives and activities that include law enforcement, programs, prosecution and court programs, prevention and education programs, corrections and community corrections programs, drug treatment and enforcement programs, planning, evaluation and technology programs, and crime victim and witness programs. The term of the award is from October 1, 2022 through September 30, 2026.

This presentation provides an overview of the application process and a description of the eligible uses of funding permitted under the JAG program. Input from the Mayor and the City Commission and the public to determine the best use of this funding as allowed by the JAG program. The selected activity will be included in the City's application for its Fiscal Year 2022 JAG award.

The JAG program guidelines allow the City to submit a Grant Adjustment Modification (GAM) request to change the scope of the project if it becomes necessary to re-purpose the use of these funds after they have been awarded. The revised project scope proposed in the GAM can redirect the JAG award funding to support any of the aforementioned eligible uses.

**MOTION:**

Move to approve/disapprove the eligible use of funding for the City's Fiscal Year 2022 JAG award.
