Experience & Interests

RELEVANT EXPERIENCE

I began my career in finance in Connecticut and New York and have spent more than 15 years in South Florida real estate. I've managed large residential projects and master planned communities for large home builders and built homes for my own company. Prior to that work I was a consultant at John Burns Research & Consulting where I helped plan thoughtful, livable communities. Through all of that work I have a practical understanding of site plans, zoning and design codes, and how projects affect the neighbors around them.

INTERESTS / ACTIVITIES

Coaching my son's youth sports teams, tennis, golf, our rescue animals, and following how our local neighborhoods are changing.

COMMUNITY INVOLVEMENT

I serve on a board committee for the Historical Society of Palm Beach County and the Young Friends Committee of Hope for Depression, and I'm involved with the American Heart Association. I also coach youth sports.

DESIRE TO SERVE — FIRST PREFERENCE

I want to serve because I care about how Lake Worth Beach grows and who it grows for. Residents should come first, and the city's comprehensive plan and zoning code already reflect a clear vision for how the city should look and feel. My role would be to listen to the community, apply that plan fairly and consistently, and use my professional background to help ensure new projects are sustainable, well-designed, and true to the character of our neighborhoods.

DESIRE TO SERVE — SECOND PREFERENCE

Lake Worth Beach's historic neighborhoods are a big part of what makes this city special. Through my work with the Historical Society of Palm Beach County and my background in construction and development, I understand both the value of preservation and the practical realities homeowners face. I'd like to help protect the city's historic character while finding fair, workable solutions for residents.
