Utility Customer Services	<p><u>Section 1. Deposits</u></p> <p>A) Before any person shall be entitled to utility service, he/she or the entity must pay a security deposit to the City unless specifically waived herein. Any security deposit may be applied by the City at any time in satisfaction of indebtedness for utility services which may be or become due to the City by the customer. After such application, the remainder thereof may be applied in discharge of any indebtedness of the customer to the City whatsoever and the City may use said deposit as if the City were the absolute owner thereof. This deposit shall not preclude the City from discontinuing, for non-payment, any and all services covered by this deposit regardless of the sufficiency of said deposit to cover such indebtedness for such services.</p> <p>B) <u>Residential Service</u> The initial service deposit for residential utility service in the name of an individual(s) shall be established by consumer information received from a centralized database containing credit and consumer data information pertaining to the payment history of utility bills and other services ("Consumer Information Check" hereafter). The source of the Consumer Information Check may be without limitation credit information, consumer information, credit scoring services, fraud detection, and criminal records provided by national credit reporting repositories, and national criminal record databases, and/or local county systems.</p> <p>The Consumer Information Check will determine the amount, if any, of the deposit required to establish service. The specific amount of the deposit shall be as follows:</p> <ol style="list-style-type: none"> 1) Individual(s) whose Consumer Information Check suggests a substantial risk of delinquency shall pay a deposit of two and one-half (2.5) times the average of estimated monthly billing at the location rounded up to the nearest Fifty Dollars (\$50). 2) Individual(s) whose Consumer Information Check suggests a moderate risk of delinquency shall pay a deposit of one (1.0) times the average of estimated monthly billing for electric service and/or Fifty Dollars (\$50) for water service per unit. 3) Individual(s) whose Consumer Information Check suggests no risk of delinquency shall not be required to pay a deposit. <p>The risk of delinquency shall be established based on information revealed in the Consumer Information Check as reviewed by the city and/or its designee.</p> <p>An individual(s) who fails to provide the proper identification as required on the application for service; who initially provides false information; or, who has no Consumer Information Check history, shall be charged the same deposit as those individual(s) whose Consumer Information Check suggests a high risk of delinquency.</p> <p>Once service is established, the City reserves the right to update an individual(s) Consumer Information Check and require a deposit or an increase in the deposit if the updated Consumer Information Check reveals an increase in risk of delinquency. The customer shall be notified, in writing, of any deposit adjustment and/or amount due the City. The amount due, if any, shall be paid within thirty (30) days of notification or in six (6) equal monthly installments. Failure to pay the additional deposit amount may result in disconnection of service.</p> <p>The initial service deposit for residential utility service in the name of an entity (corporation, partnership, company, etc.) shall be as set forth below for Non-Residential (Commercial) General Service.</p> <p>C) <u>Non-Residential (Commercial) General Service</u> <u>Electric</u> The initial service deposit for electric utility service shall be the greater of Two Hundred Seventy Five Dollars (\$275) or two and one-half (2.5) times the monthly average of estimated bill rounded up to the nearest Fifty Dollars (\$50).</p>
