CDBG for FY 2027

- **WHAT:** Community Development Block Grant (CDBG) is a national grant program benefiting low and moderate income persons on an area-wide basis.
- **PROCESS:**
 1. The City of Lake Worth Beach submits projects to Palm Beach County for grant consideration based on community input
 2. Community residents review the two (2) potential projects and recommend which project is preferred at the required meeting (this year held on February 12, 2026)
 3. The potential projects are discussed and voted on by the City Commission at a regular meeting (this year on February 24, 2026)

Master Community and Neighborhood Facilities List

EXISTING COMMUNITY AND NEIGHBORHOOD FACILITIES

The Leisure Service Department oversees and manages the recreation program and park facilities of the City of Lake Worth Beach. Figures 58 and 59 list the existing City parks and open space facilities. Please note, for the purpose of this Master Plan, the word “facilities” refers to parks, open spaces and recreation buildings and they are used interchangeably throughout the report. Figures 58 and 59 illustrate the location Open Space and Recreation facilities along with their designation (Community and Neighborhood) and activity type (Active and Passive).
