

STAFF REPORT REGULAR MEETING

AGENDA DATE: July 15, 2025

DEPARTMENT: City Commission

TITLE:

Appointment of member and alternate to the County-wide Multi-Jurisdictional Issues Forum

SUMMARY:

The item provides for the appointment of a City Commissioner to serve as a member and a second City Commissioner to serve as an alternate to the County-wide Issues Forum

BACKGROUND AND JUSTIFICATION:

The Multi-Jurisdictional Issues Coordination Forum was established by interlocal agreement in October 1993 to achieve consensus building through identification and potential resolution of multi-jurisdictional issues. The Issues Forum can take a countywide position on multi-jurisdictional and growth management needs at the County, Regional, and State level. The intent is also to have a place to provide input to proposed countywide legislation prior to its drafting and to provide clarification and technical assistance in understanding Regional and State initiatives. The Issues Forum is a place to discuss issues that are deemed to be of countywide significance and to develop, through a consensus building process, a way to effectively identify and address these issues with each local government having an appointed elected official or designee. The City is looking to appoint a member and an alternate to the Issues Forum.

MOTION:

Move to appoint _____ to serve on the Issues Forum with _____ serving as alternate.
