

STAFF REPORT REGULAR MEETING

AGENDA DATE: July 15, 2025

DEPARTMENT: City Commission

TITLE:

Appointment of member and alternate to the Intergovernmental Plan Amendment Review Committee 2.0 (IPARC 2.0)

SUMMARY:

The item provides for the appointment of a member and alternate IPARC 2.0.

BACKGROUND AND JUSTIFICATION:

Comprehensive Plan Amendment Coordinated Review Interlocal Agreement established the Intergovernmental Plan Amendment Review Committee (IPARC) and the Executive Committee and a process for countywide comprehensive plan amendment review with a Clearinghouse to disseminate proposed comprehensive plan amendments in advance of public hearings, to coordinate a fact finding panel when there is a conflict between local plan amendments and provide administrative services.

Community Sustainability Director William Waters currently serves on IPARC (Intergovernmental Plan Amendment Review Committee) which consists of Planning Directors. IPARC 2.0 is in the process of being established, which will consist of the Planning Directors along with those in charge of transportation / traffic within the jurisdiction. This technical group will be in communication with the County's selected consultant and review their work on the upcoming county-wide transportation master plan.

MOTION:

Move to appoint William Waters, Community Sustainability Director to serve on the Intergovernmental Plan Amendment Review Committee with Jamie Brown, Interim City Manager/Public Works Director as the alternate
