INTEREST/ACTIVITIES

My time is mainly spent on my current work activities; additionally, I am revising my book related to horses for publication. I have a passion for animals; I care for, with the help of my amazing neighbors, my dog Tucker here in Lake Worth Beach, and my horse Gigi in Wellington. Amidst all that, I spend time with friends and family and enjoy the culinary delights of Lake Worth Beach.

COMMUNITY INVOLVEMENT

My community involvement has been being a good neighbor as best I know how and participating in Parrot Cove and Lake Worth Beach events whenever possible. Although I have not previously been involved in an official role in our community, I hope that this opportunity to serve on the CRA is how I might start.

Although I have social media accounts, I have not posted or commented in recent years (other than the annual thank you for birthday wishes), and I do not plan to do so in the future.

WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)

Desire to Give Back:

Lake Worth Beach is a slice of heaven. With its beautiful beaches, diverse neighborhoods & architecture, passionate local businesses, inspired community events & traditions, pervasive artistic essence, and laid-back atmosphere, it won my heart a decade ago, and it's been home ever since (which might not seem like a long time to some, but it's the longest I've ever lived anywhere!). But what truly sets Lake Worth Beach apart are the people—fantastic neighbors, hardworking local business owners & staff, committed public servants, and indeed every resident, each of whom contributes to the spirit of our community with their unique talents and perspectives. Now that I have shifted away from an all-consuming career, I can give back to our wonderful community.

WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)

Lake Worth Beach...It's the Next Big Thing:

Lake Worth Beach is on a path of thoughtful and sustainable development. Having found a city I love and belong to, I want to contribute to our community's continued progress. I fully support the CRA's focus on improving the "economic vitality of the district and the quality of life of the citizens of the City of Lake Worth Beach". I am a firm believer in assisting small businesses, revitalizing neglected areas, stimulating employment opportunities, increasing affordable housing, engaging & supporting residents, leveraging CRA grants for City enhancement, attracting private participation & investment, seeking external grants to accelerate goals, and all the other positive initiatives within the CRA's scope. And yet, I also understand the complexity lies in prioritizing all of those possibilities in a balanced and value-driven way to administer the City of Lake Worth's Redevelopment Plan.

WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)

Leverage My Expertise:

Throughout my consulting career, I helped global corporations bring about positive change and shape their futures. I specialized in using technology to drive innovation, solving complex problems, and working collaboratively with diverse teams to achieve remarkable outcomes. In recent years, I have gained experience in writing successful grant applications and effectively administering those grants. The values of integrity and transparency were at the core of all my work. As a recent law graduate and now a Florida lawyer, I expanded my skill set beyond the realms of business and technology to include legal expertise and a deeper understanding of the ethics related to public service. I believe that my professional experiences and skills can bring substantial value to the CRA board. I am grateful to the City Commission for considering my candidacy amidst what I am sure are numerous great candidates.
