

STAFF REPORT REGULAR MEETING

AGENDA DATE: October 21, 2025

DEPARTMENT: Public Works

TITLE:

Ordinance No. 2025-14 - Second Reading - amendments to Chapter 21 "Traffic" to regulate on-street parking

SUMMARY:

Ordinance No. 2025-14 proposes amendments to Chapter 21 of the City Code of Ordinances regarding "Traffic." This ordinance adds Section 21-33.4 under Article II, Parking, Stopping, and Standing, regulating all-night parking.

BACKGROUND AND JUSTIFICATION:

The City's current Code does not adequately regulate overnight parking in designated areas. This ordinance establishes a new Section 21-33.4 to prohibit all-night parking on City streets, in parking garages, and in surface lots between 1:30 a.m. and 6:30 a.m., unless otherwise posted. Exceptions are provided for vehicles awaiting emergency assistance.

The purpose of this ordinance is to promote safety, improve traffic flow, and protect the health, safety, and welfare of residents and visitors. The City Commission approved the ordinance unanimously at first reading at its meeting of October 7, 2025.

MOTION:

Move to approve/disapprove Ordinance No. 2025-14, amendments to Chapter 21 "Traffic" to regulate on-street parking.
