All pricing in accordance with Omnia Partners / U.S. Communities Contract #2017001134.

All terms in the Omnia Partners / U.S. Communities Contract take precedence over terms shown below.

For more information on the Omnia Partners / U.S. Communities contract please visit [Omnia Partners Public Sector GameTime](#)

Signed/Sealed Drawings may be included when expressly stated on proposal.

Permits and permitting services may be included when expressly stated on the proposal. Unless specifically noted, permit fees, third-party reviews, inspections, bonds, and jurisdictional requirements are not included. The owner is responsible for providing **current and accurate site plans, surveys, and required property information** as needed by the permitting authority.

The permit process cannot begin until all required information is received from the owner. Permitting timelines vary by jurisdiction and are **outside of our control**. Delays related to permitting, reviews, or approvals are not considered manufacturing or installation delays. Additional requirements arising during the permitting process, including but not limited to engineering revisions, soil testing, or jurisdictional comments, shall be treated as a **change in scope**.

Orders from **governmental agencies, school districts, municipalities, and other public entities** may be accepted with a purchase order, signed quotation, or written authorization. Payment terms are Net 30 unless otherwise stated. Deposit requirements may apply for **custom or made-to-order products**, including Landmark Designs items.

When installation is included as a **turn-key project**, payment for installation-related work is due **upon completion and acceptance of the work**, unless otherwise stated. For larger or extended projects, **progress invoices may be issued** based on work completed or materials delivered to the site. GameTime reserves the right to invoice for **materials manufactured, shipped, or received on site**.

Installation Terms: Installation, when included, is performed by an **independent, certified installer** and is based on **standard installation conditions**. Installation assumes suitable soil, normal excavation conditions, proper sub-base, and unrestricted site access. The following are **excluded unless expressly stated**: drainage design or correction; soil remediation or import/export; rock, roots, debris, or concealed conditions; dewatering; erosion control; sod replacement; landscaping; irrigation repair; and site restoration. If unsuitable soil, drainage issues, high water table, or concealed conditions are encountered, **additional costs may apply**. The owner is responsible for site readiness, utility marking, site access, and protection of the work area before, during, and after installation.
