RELEVANT EXPERIENCE	I have owned my own nonprofit business in South Carolina, served on a school board, served on advocacy board and currently help smaller nonprofit businesses raise awareness, develop community partnerships, raise necessary funds and board development along with strategic planning.
INTEREST/ACTIVITIES	Besides my love for the outdoors, the beach in particular, which is why my husband and I moved here 5 years ago, I have a passion for the education, community awareness, volunteerism, in which I aide in helping those who may be on hard times, children who are victim of circumstances through volunteerism.
COMMUNITY INVOLVEMENT	I have been purposely waiting to reach out to the Lake Worth Beach community until I had a better feel for our community since moving here. Becoming part of the Community Redevelopment Agency or the Education Advisory Board seems like a perfect way for me to give back to Lake Worth Beach.

WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)	Education Advisory Board - I believe strong schools are the foundation of a strong, connected community. Throughout my career and volunteer work, I have been passionate about supporting children, families, and underserved populations through advocacy, relationship-building, and community engagement. As both a resident and someone deeply invested in the well-being of local families, I value the importance of listening to the needs of students, parents, educators, and community partners. I would be honored to serve as a bridge between one of our schools and the City, helping ensure that the voices of local learners are heard and that the Commission is informed about the real opportunities and challenges facing our education system.
WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)	I want to be a part of Community Redevelopment specifically because I truly believe that Lake Worth Beach is truly a diamond in the rough. I, personally, already know it is a diamond but I want to be part of a movement to bring more to the City in a positive way all while maintaining and respecting its history and beautiful character.
