

**CONSTRUCTION CONTRACT
(SUBSTATION DEMOLITION PROJECT (610 S. H Street))**

THIS CONSTRUCTION CONTRACT (“Contract”) is dated on the _____, by and between the **CITY OF LAKE WORTH BEACH**, a Florida municipal corporation (“City”) and **HOOPER CORPORATION OF WISCONSIN**, a Wisconsin corporation located at 6450 Pederson Crossing Blvd., DeForest, WI 53532, which is authorized to do business in the State of Florida (“Contractor”).

WHEREAS, the CITY is a municipal corporation organized and existing pursuant to the Charter and the Constitution of the State of Florida; and

WHEREAS, the CITY issued on an Invitation for Bid (IFB# 24-109) for the Substation Demolition Project (6 S. H Street) (“IFB”), which IFB is incorporated into this Contract by reference; and

WHEREAS, the City received three (3) responsive bids to the IFB; and

WHEREAS, Contractor was found to be the lowest, responsive and responsible bidder and was recommended for the award; and

WHEREAS, the City desires to accept the Contractor’s bid in order for Contractor to meticulously remove a 4kV electrical substation, located at 610 S. H Street, Lake Worth Beach, Florida, including all structures, equipment, foundations, perimeter fencing, and associated components, pursuant to the terms and conditions of this Contract and IFB; and

WHEREAS, the Contractor further warrants that it is experienced and capable of performing the tasks hereunder in a professional and competent manner; and

WHEREAS, the City finds entering this Contract with the Contractor as described herein serves a valid public purpose.

NOW THEREFORE, the City hereby engages the services of the Contractor, and in consideration of the mutual promises herein contained, the sufficiency of which is hereby acknowledged by both parties, the parties agree as follows:

ARTICLE 1. RECITALS AND WORK.

1.1 The Recitals set forth above are incorporated into this Contract as true and correct statements and incorporated herein as if set forth in the body of this Contract.

1.2 Contractor shall complete all Work as specified and indicated in the Contract Documents, as defined below and as set forth and according to the specifications provided in IFB and Schedule of Unit Prices in **Exhibit “B”**. The Work is generally described as Substation Demolition Project 610 S. H Street (“Project”).

ARTICLE 2. CONTRACT TIME.

2.1 The Work will be substantially completed within **60 calendar days** from the date of the Notice to Proceed. Final completion of the Work that includes final improvements of the Project shall be within **90 calendar days** from the Notice to Proceed.

2.2 Time is of the essence under this Contract.

2.3 LIQUIDATED DAMAGES. The City and Contractor recognize that time is of the essence of this Contract and that the City will suffer financial loss if the work described in the Contract Documents is not completed within the times specified in paragraph 2.1 above. The City and Contractor recognize, agree and acknowledge that it would be impractical and extremely difficult to ascertain and fix the actual damages that the City would suffer in the event Contractor neglects, refuses, or otherwise fails to complete the work within the time specified. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay the City five hundred dollars (\$500.00) for each day that expires after the time specified in paragraph 2.1.

2.4 The Contractor shall not be considered in default by reason of a delay in timely performance if such delay and failure arise out of causes reasonably beyond the control of the Contractor or its subcontractors (if authorized) and without the Contractor's or subcontractor's fault or negligence. Upon the Contractor's written request, the City shall consider the facts and extent of any such delay and failure to timely perform the work for reason beyond the control of the Contractor and, if the Contractor's delay and failure to timely perform was without it or its subcontractors' fault or negligence, as reasonably determined by the City, the time of completion shall be extended for any reasonable time that the City may reasonably decide; subject to the City's rights to change, terminate, or stop any or all of the work at any time. If the Contractor is delayed at any time in the progress of the work by any act or neglect of the City or its employees, by an approved written change in the scope from the original Contract Documents, or by any other contractor employed by the City, or by changes ordered by the City or in an unusual delay in transportation, unavoidable casualties, or any causes beyond the Contractor's reasonable control, or by delay authorized by the City pending negotiation or by any cause which the City shall reasonably decide justifies the delay, then the time of completion shall be extended for any reasonable time the City may decide. The Contractor must provide the City with written notice of any delay claims and no extension of time shall be made for any delay occurring more than five (5) days before a claim is made in writing to the City. In the case of continuing cause of delay, only one (1) claim is necessary. With the exception of an approved written change in the scope from the original Contract Documents, the Contractor's sole remedy for a delay in completion of the work for any reason will be an extension of time to complete the Work and Contractor specifically waives any right to seek any monetary damages or losses for a delay in completion of the work, including, but not limited to, waiving any right to seek monetary amounts for lost profits, additional overhead, salaries, lost productivity, efficiency losses, or any other alleged monetary losses which may be allegedly suffered by Contractor due to a delay in completion of the work. Provided, however, and subject to sovereign immunity under section 768.28, Florida Statutes, that this provision shall not preclude recovery or damages by the Contractor for hindrances or delays due solely to fraud, bad faith or active interference on the part of the City. Otherwise, the Contractor shall be entitled only to extensions of the Contract times as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above. Further, in the City's sole discretion, a requested extension of time may be denied for delays resulting from normal weather conditions prevailing in the area as defined by the average of the last five (5) years of weather recorded or otherwise established by the City.

ARTICLE 3. CONTRACT PRICE.

3.1 City shall pay Contractor for completion of the Work in accordance with the Contract Documents a lump sum, not to exceed Two Hundred Seventeen Thousand Nine Hundred Sixty-One Dollars (\$217,961.00), which shall be payable in accordance with Article 4 of this Contract. The

Contract Price includes **Twenty Thousand Dollars (\$20,000.00)** as a contingency for unforeseen changes and potential additional changes requested by the City (“Contingency”). The Contractor must submit a written request to the City prior to commencing any Work to be covered by the Contingency. The City’s Contract Administrator is authorized to approve in writing the use of the Contingency by the Contractor.

ARTICLE 4. PAYMENT PROCEDURES.

4.1 Generally. The Contractor shall submit invoices on a monthly basis detailing all Work accomplished in the prior month, which is installed and to be used in the Project. Contractor’s invoices shall be submitted to:

City of Lake Worth Beach
Attn: Financial Services Department/Procurement Division
7 N. Dixie Highway
Lake Worth Beach, FL 33460

The City’s Contract Administrator will review each invoice submitted by the Contractor. If approved by the City’s Contract Administrator and the Financial Services Department, the City will make payment in accordance with the Contract Documents. If not approved, the City will notify the Contractor within twenty (20) business days of the City’s receipt and identify the action necessary to correct the invoice or a deficiency.

4.2 Payment to the Contractor shall be made pursuant Florida’s Prompt Payment Act (for construction services), section 218.735, Florida Statutes (2023), except as provided herein. Specifically, the City will withhold five percent (5%) of each payment to the Contractor as retainage until fifty percent (50%) of the Work is completed by the Contractor. After fifty percent (50%) of the Work is completed, upon written request from the Contractor, the City’s Contract Administrator may agree in writing with the Contractor to release a portion of the retainage not to exceed fifty percent (50%) of the total retainage amount. Within twenty (20) business days of the finalization of the punch-list described below and upon receipt of a payment request from the Contractor, the City will pay the Contractor all retainage held less an amount equal to 150% of the estimated cost to complete the items on the punch-list. Upon completion of all items on the finalized punch-list, the Contractor may submit a request for release of all retainage.

4.3 In accordance with section 218.735(7), Florida Statutes (2023), as soon as possible, **but no later than ten (10) business days prior to reaching substantial completion**, the Contractor shall create a proposed punch-list of items that must be completed by the Contractor prior to the Contractor submitting its final payment request. The Contractor’s proposed punch-list must include all items of Work which remain to be completed and the estimated cost to complete each Work item on the list. Upon receipt of the Contractor’s proposed punch-list, the City will have five (5) business days to review, make modifications, or agree to the proposed punch-list and estimated cost. If the City does not make any modifications to the Contractor’s proposed punch-list within five (5) business days of receipt, the proposed punch-list will be deemed accepted by the City. The City’s Contract Administrator or designee will resolve any disputes in the punch-list and determine the final punch-list for the parties **no later than five (5) days after the City’s review and deliver the same to the Contractor**. Once the punch-list is finalized and delivered to the Contractor, the Contractor shall have thirty (30) days to complete all Work on the punch-list or until the time set for final completion of the Work (if the final completion date provides for more time). The failure of either party to include any corrective work or pending items on the finalized punch-list does not alter the responsibility of the Contractor to complete all Work and the Project. The Contractor’s proposed punch-list and

modifications by the City may be by informal written notice (e.g., email, fax, or hand-delivery); however, proof of delivery shall be kept by the party providing the informal written notice to the other party.

4.4 Final Payment. Upon final completion and acceptance of the work in accordance with the Contract Documents (including all punch-list items) and final inspection by the appropriate agency with jurisdiction over the project (if other than the City), the Contractor shall submit a “final invoice” to the City. In order for both parties to close their books and records, the Contractor will clearly state “FINAL” on the Contractor’s final invoice. This certifies that all work under the applicable work order has been properly completed and all charges have been invoiced to the City. Since this account will thereupon be closed, any and other further charges if not properly included in this final invoice are waived by the Contractor. If the Contractor’s Final Invoice is approved as set forth above, the City shall pay the remainder of the work order price including any amount held as retainage.

4.5 Notwithstanding the foregoing, the City shall not be required to pay or release any amount of retainage that is subject of a good faith dispute made in writing, the subject of a claim brought pursuant to section 255.05, Florida Statutes, or otherwise the subject of a written claim or demand by the City.

4.6 Final payment shall not become due until the Contractor and all of its subcontractors submit to the City releases and waivers of liens, and data establishing payment or satisfaction of obligations, such as receipts, claims, security interests or encumbrances arising out of the Contract Documents or otherwise related to the Program.

4.7 Acceptance of final payment by the Contractor or a subcontractor shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final invoice.

ARTICLE 5. INDEMNITY, INSURANCE AND BOND

5.1 The parties recognize that the Contractor is an independent contractor. The Contractor agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney’s fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor, its agents, officers, subcontractors, employees, or anyone else utilized by the Contractor in the performance of this Contract. The Contractor’s liability hereunder shall include all attorney’s fees and costs incurred by the City in the enforcement of this indemnification provision. This includes claims made by the employees of the Contractor against the City and the Contractor hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Contract and shall not be limited by the amount of any insurance required to be obtained or maintained under this Contract.

Subject to the limitations set forth in this Section, Contractor shall assume control of the defense of any claim asserted by a third party against the City and, in connection with such defense, shall appoint lead counsel, in each case at the Contractor’s expense. The City shall have the right, at its option, to participate in the defense of any third-party claim, without relieving Contractor of any of its obligations hereunder. If the Contractor assumes control of the defense of any third party claim in accordance with this paragraph, the Contractor shall obtain the prior written consent of the City before

entering into any settlement of such claim. Notwithstanding anything to the contrary in this Section, the Contractor shall not assume or maintain control of the defense of any third party claim, but shall pay the fees of counsel retained by the City and all expenses, including experts' fees, if (i) an adverse determination with respect to the third party claim would, in the good faith judgment of the City, be detrimental in any material respect to the City's reputation; (ii) the third party claim seeks an injunction or equitable relief against the City; or (iii) the Contractor has failed or is failing to prosecute or defend vigorously the third party claim. Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third party claim and shall furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

It is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.06, Florida Statutes, as amended. Contractor expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.06, Florida Statutes. Nothing contained in the foregoing indemnification shall be construed as a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

5.2 Prior to commencing any services, Contractor shall provide proof of insurance coverage as required hereunder. Such insurance policy(s) shall be issued by the United States Treasury or insurance carriers approved and authorized to do business in the State of Florida, and who must have a rating of no less than "excellent" by A.M. Best or as mutually agreed upon by the City and Contractor. All such insurance policies may not be modified or terminated without the express written authorization of the City.

<u>Type of Coverage</u>	<u>Amount of Coverage</u>
Commercial general liability (Products/completed operations Contractual, insurance broad form property, Independent Contractor, personal injury)	\$1, 000,000 per occurrence \$2,000,000 annual aggregate
Automobile (owned, non-owned, & hired)	\$ 1,000,000 single limits
Worker's Compensation	\$ statutory limits

The commercial general liability and automobile liability policies will name the City as an additional insured on a primary, non-contributing basis, and proof of all insurance coverage shall be furnished to the City by way of an endorsement to same or certificate of insurance prior to the provision of services. The certificates shall clearly indicate that Contractor has obtained insurance of the type, amount, and classification as required for strict compliance with this section. Failure to comply with the foregoing requirements shall not relieve Contractor of its liability and obligations under this Agreement.

5.3 The Contractor shall provide a public construction bond in accordance with the provisions of section 255.05, Florida Statutes. The bond shall conform with the bond form attached hereto as **Exhibit "A"** or be in such substantially similar form as approved by the City. The bond shall be in an amount not less than the total Contract Price by a Surety Company acceptable to the City. The Contractor must provide the City with a fully executed and recorded copy (in the Official Records of Palm Beach County) of the bond prior to commencing any Work. To be acceptable to the City as the Owner, a Surety Company shall comply with the following provisions:

1. The Surety Company shall have a currently valid Certificate of Authority, issued by the State of Florida Department of Insurance, authorizing it to write surety bonds in the State of Florida.
2. The Surety Company shall have currently valid Certificate of Authority issued by the United States Department of Treasury under Sections 9304 to 9308 of Title 31 of the United States Code.
3. The Surety Company shall be in full compliance with the provisions of the Florida Insurance Code.
4. The Surety Company shall have at least twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to Proposal is issued.
5. The Surety Company shall have at least the ratings of A-/Class V in the latest issue of Best's Key Rating Guide.
6. The Surety Company shall not expose itself to any loss on any one risk in an amount exceeding ten (10) percent of its surplus to policyholders, provided:
 - a. Any risk or portion of any risk being reinsured shall be deducted in determining the limitation of the risk as prescribed in this section. These minimum requirements shall apply to the reinsuring carrier providing authorization or approval by the State of Florida, Department of Insurance to do business in this state have been met.
 - b. In the case of the surety insurance company, in addition to the deduction for reinsurance, the amount assumed by any co-surety, the value of any security deposited, pledged or held subject to the consent of the surety and for the protection of the surety shall be deducted.

ARTICLE 6. TERMINATION.

6.1 **TERMINATION BY CITY:** The City (through its City Manager or designee) may terminate the Contract Documents if the Contractor:

1. refuses or fails to supply enough properly skilled workers or proper materials;
2. fails to prosecute the Work in a timely manner;
3. fails to make payment to subcontractors for materials or labor in accordance with the respective agreements between the Contractor and the subcontractors;
4. disregards or takes action contrary to any laws, ordinances, or rules, regulations orders of a public authority having jurisdiction;
5. takes action, short of declaring bankruptcy, evidencing insolvency;
6. fails or refuses to provide and/or maintain insurance or proof of insurance or the public construction bond as required by the Contract Documents; or,
7. otherwise is in breach of a provision of the Contract Documents.

When any of the above reasons exist, the City, may without prejudice to any other rights or remedies of the City and after giving the Contractor written notice and five (5) days to cure, terminate the Contract and Contract Documents and may:

1. take possession of the site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by or paid for by the City; and,
2. finish the Work by whatever reasonable method the City may deem expedient.

The Contractor shall be liable for any damage to the City, including additional attorney and engineering/architectural fees, resulting from the Contractor's termination under this provision by the City, including but not limited to, and any increased costs incurred by the City in completing the Work.

When the City terminates the Contract for one of the reasons stated above, the Contractor shall not be entitled to receive further payment, if any, until the Work is finished.

Should it be determined by a mediator or a court of competent jurisdiction that the City wrongfully terminated the Contract, then the Contractor agrees to treat such termination as a termination for convenience.

6.2 TERMINATION BY THE CITY FOR CONVENIENCE: The City may, at any time, terminate the Contract Documents for the City's convenience and without cause. Upon receipt of written notice from the City of such termination for the City's convenience, the Contractor shall:

1. cease operations as directed by the City in the notice;
2. take actions necessary, or that the City may direct, for the protection and preservation of the Work; and
3. except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

In case of such termination for the City's convenience, the Contractor shall be entitled to receive payment for Work executed and reasonable costs incurred by reason of such termination including termination payments to subcontractors and demobilization costs.

In resolving conflicts in any of the Contract Documents, the order of precedence shall be as follows:
