ARTICLE 3. CONTRACT TIME.

3.1 The Work will be substantially completed within 480 days from the date when the Contract Time commences to run as provided in paragraph 4.01 of the General Conditions and shall be finally complete and ready for final payment in accordance with paragraph 15.06 of the General Conditions within 540 days from the date when the Contract Time commences to run.

3.2 All time limits for Milestones, if any, Substantial Completion and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

3.3 LIQUIDATED DAMAGES. Owner and Contractor recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the Work is not completed within the times specified in paragraph 3.1 above, plus any extensions thereof allowed in accordance with the Contract Documents. They also recognize the delays, expense and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such

proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay Owner Five Hundred 00/100 dollars (\$500.00) for each day that expires after the time specified in paragraph 3.1 for Substantial Completion until the Work is substantially complete. After Substantial Completion if Contractor shall neglect, refuse or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by Owner, Contractor shall pay Owner Five Hundred and 00/100 dollars (\$500.00) for each day that expires after the time specified in paragraph 3.1 for completion and readiness for final payment.

TOTAL OF ALL UNIT PRICES is Two Million Six Hundred Seventy Thousand Eight Hundred Dollars (\$2,670,800.00) which is based on the Contractor's unit price(s) in the Bid Form Unit Price Schedule. This Total Contract Price excludes Lift Stations 6 and 25 from the scope of Work including all associated work and includes removal of line items 8 and 13 to 23 from the Contractor's Bid Form (00300).

ARTICLE 5. PAYMENT PROCEDURES.

Contractor shall submit Applications for Payment in accordance with Article 15 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

5.1 PROGRESS PAYMENTS. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment as recommended by Engineer, on or about the 10th day of each month during construction as provided below. All progress payments will be on the basis of the progress of the Work measured by the schedule of values established in the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided elsewhere in the Contract Documents.

5.1.1 Payment to the Contractor shall be made pursuant Florida's Prompt Payment Act (for construction services), section 218.735, Florida Statutes (2023), except as provided herein. Specifically, the City will withhold five percent (5%) of each payment from a City issued work order to the Contractor as retainage until fifty percent (50%) of the work is completed by the Contractor. After fifty percent (50%) of the work is completed, upon written request from the Contractor, the Contract Administrator may agree in writing with the Contractor to release a portion of the retainage not to exceed fifty percent (50%) of the total retainage amount. Within twenty (20) business days of the finalization of the punch-list described below and upon receipt of a payment request from the

Contractor, the City will pay the Contractor all retainage held less an amount equal to 150% of the estimated cost to complete the items on the list. Upon completion of all items on the finalized punch-list, the Contractor may submit a request for release of all retainage.

5.1.2 In accordance with section 218.735(7), Florida Statutes (2023), at least five (5) days prior to reaching substantial completion, the Contractor shall create a proposed punch-list of items that must be completed by the Contractor prior to the Contractor submitting its final payment request. The Contractor's proposed punch-list must include all items of work which remain to be completed and the estimated cost to complete each work item on the list. Upon receipt of the Contractor's proposed punch-list, the City will have ten (10) days to review, make modifications, or agree to the proposed punch-list. If the City does not make any modifications to the Contractor's proposed punch-list within ten (10) days of receipt, the proposed punch-list will be deemed accepted by the City. The City's Contract Administrator or designee will resolve any disputes in the punch-list and determine the final punch-list for the parties within 30-days of the Contractor reaching substantial completion. Once the punch-list is accepted by the City and finalized by the City's Contract Administrator or designee, the Contractor shall have five (5) days to complete all items on the finalized punch-list. The failure of either party to include any corrective work or pending items on the finalized punch-list does not alter the responsibility of the Contractor to complete all construction services purchased under the applicable work order. The Contractor's proposed punch-list and modifications by the City may be by informal written notice (e.g., email, fax, or hand-delivery); however, proof of delivery shall be kept by the party providing the informal written notice to the other party.

5.2 FINAL PAYMENT. Upon final completion and acceptance of the work in accordance with the Contract Documents and paragraph 15.06 of General Conditions (including all punch-list items and settlement of all claims, including liquidated damages,) and final inspection by the appropriate agency with jurisdiction over the project (if other than the Owner), the Contractor shall submit a "final invoice" to the Owner. In order for both parties to close their books and records, the Contractor will clearly state "FINAL" on the Contractor's final invoice. This certifies that all work under the applicable work order has been properly completed and all charges have been invoiced to the Owner. Since this account will thereupon be closed, any and other further charges if not properly included in this final invoice are waived by the Contractor. If the Contractor's Final Invoice is approved as set forth above, the Owner shall pay the remainder of the work order price including any amount held as retainage.

5.2.1 Notwithstanding the foregoing, the City shall not be required to pay or release any amount of retainage that is subject of a good faith dispute made in writing, the subject of a claim brought pursuant to section 255.05, Florida Statutes, or otherwise the subject of a written claim or demand by the City.

5.2.2 Final payment shall not become due until the Contractor and all of its subcontractors submit to the City releases and waivers of liens, and data establishing payment or satisfaction of obligations, such as receipts, claims, security interests or encumbrances arising out of the Contract Documents or otherwise related to the Program.

ARTICLE 6. INTEREST.

6.1 All payments due and not made within the time prescribed by section 218.735, Florida Statutes, shall bear interest at the rate of 1 percent per month in accordance with section 218.735, Florida Statutes, as amended from time to time.
