American Rescue Plan Act

- Drafted by Congress and the President of the United States
- Signed into law on March, 11, 2021
- The primary purpose is to combat the negative economic effects brought on by the Coronavirus Health Emergency

SLFRF is part of The American Rescue Plan Act

- \$350 Billion was allocated to state, local & tribal governments.
- The primary focus of the funding was, is, to help speed up the recovery from setbacks caused by the Coronavirus Health Emergency.

State & Local Fiscal Recovery Funds

- The State of Florida received \$10.23 billion dollars.
- Funds were distributed to counties, large cities & municipalities.
- The City of Lake Worth Beach received \$19,295,888 in relief funding
- The money was dispersed in 2 tranches of \$9,647,944
- The first tranche was received in September of 2021
- The second tranche was received in August of 2022

Recipient Responsibilities:

- The City of Lake Worth Beach has a great deal of latitude with regard to allocating funding in ways that best suit the needs of its constituents.
- The four primary categories are:
 - Lost Public Sector Revenue.
 - Public Health & Economic Impacts.
 - Premium Pay
 - Water, Sewer & Broadband Infrastructure

Lost Public Sector Revenue

- SLFRF Final Rule offered a \$10 million allowance for Public Sector Revenue Loss.
- Government services are typically classified as:
 - Public Safety & Health
 - Educational Services
- The Standard allowance affords the recipient the convenience of streamline reporting

Public Health Emergency

- SLFRF money can be allocated to assist with Public Health & Negative Economic Impacts caused by COVID-19. Eligible costs are:
 - Rent/Mortgage/Utility Assistance
 - Healthcare & related services
 - Personal Protective Equipment
 - Mitigation & Prevention of COVID-19
 - Behavioral Health

Premium Pay

- SLFRF may be used to provide premium pay to essential workers.
- Pay may be awarded up to \$13.00 per hour
- Premium pay may not exceed \$25,000 for any single worker
- Eligible workers are those needed to maintain continuity of essential operations
- Premium pay may be awarded in a lump sum or installments

Water, Sewer & Broadband Infrastructure

- SLFRF money may be used to invest in updating sewer & water infrastructure such as:
 - Publicly owned treatment works
 - Decentralized wastewater treatment
 - Management of storm water drainage
 - Facilities to improve drinking water
 - Drinking water storage
 - Water testing initiatives
 - Rainwater harvesting

Broadband

SLFRF money may be spent to make investments into community broadband infrastructure to aid in the following areas:

- Work
- Education
- Healthcare
- Civic participation during a public emergency

Reason to initiate Broadband Improvements

- Lack of access to a reliable high-speed broadband connection
- Lack of affordable Broadband
- Lack of reliable service
- Investment in Fiber-optic infrastructure
- Effective last mile connections

Capital Expenditures

- Recipients of SLFRF money may fund capital expenditures that respond to the public health and negative impacts of COVID-19
- Funds may be used for the following:
 - Healthcare facilities – especially those designed to combat Covid-19
 - Mental Health Centers
 - Schools
 - Recreation & Leisure facilities in impacted or disproportionately impacted areas.

Capital Expenditures

- SLFRF money relating to capital expenditures may not be used for the following:
 - Construction of new correctional facilities
 - Construction of new congregate housing
 - Construction of convention centers, Stadiums, or other large capital projects intended for general economic development or aid to impacted industries
