Dear Mayor and Commissioners:

Attached is the redlined proposed agreement between the City and the Sheriff's Office. As you can see the Sheriff's office has accepted virtually all of the redlined changes that you had proposed at your meeting on August 18, 2026. Their only comments to your proposed revisions are as follows:

In paragraph 1.1 H, as to Park Rangers, the Sheriff agreed to the issuance of NARCAN. They also agreed to add body worn cameras for the park rangers at an annualized cost of \$1,901 per position. For five (5) rangers it would be \$9,505 for each year.

Paragraph 5.1 the cost has been adjusted to reflect a contract start date of September 12th.

Paragraph 13.1 they accepted the concept of continuing to provide service if the City terminates and added language indicating that "providing payments are up to date and subject to the terms in this Agreement".

As to Park Rangers on page 21, they accepted the addition of patrolling by bicycle and eliminated "golf cart" as golf carts are not available to be issued to Park Rangers.

The start date of this Agreement would be September 12, 2026 and would terminate on September 30, 2029. As you are aware, there is a provision (12.1) that the City can terminate the Agreement on 180 days' notice.

Since the Sheriff's response, there have been a few other questions that individual Commissioners have asked. I have relayed those questions to the Sheriff's office and am awaiting a response.
