

**CONSTRUCTION CONTRACT
(CITY OF LAKE WORTH BEACH LIBRARY WINDOW REPLACEMENT)**

THIS CONSTRUCTION CONTRACT ("Contract") is dated on the _____, by and between the **CITY OF LAKE WORTH BEACH**, a Florida municipal corporation ("City") and **TechGroupOne, Inc.**, a corporation located at 8504 NW 66th St. Miami, FL 33166, authorized to do business in the State of Florida ("Contractor").

WHEREAS, the CITY is a municipal corporation organized and existing pursuant to the Charter and the Constitution of the State of Florida; and

WHEREAS, the CITY issued on January 29, 2023 an Invitation for Bid (IFB# 23-104) for the City of Lake Worth Beach Library Window replacement project ("IFB"), which IFB is not attached but incorporated by the reference into this Contract; and

WHEREAS, the City received two (2) responsive bids to the IFB; and

WHEREAS, Contractor was found to be the lowest, responsive and responsible bidder and was recommended for the award; and

WHEREAS, the City desires to accept the Contractor's bid in order for Contractor to replace the City of Lake Worth Beach Library windows pursuant to the terms and conditions of this Contract; and

WHEREAS, the Contractor further warrants that it is experienced and capable of performing the tasks hereunder in a professional and competent manner; and

WHEREAS, this Agreement may be funded, in whole or in part, by the Federal agencies, in which case, the Contractor agrees that any services performed pursuant to the IFB and this Agreement will comply with all applicable Federal law, Federal regulations, executive orders, Federal policies, procedures, and directives and special clauses as provided for in **Exhibit "A"**;

WHEREAS, the City finds entering this Contract with the Contractor as described herein serves a valid public purpose.

NOW THEREFORE, the City hereby engages the services of the Contractor, and in consideration of the mutual promises herein contained, the sufficiency of which is hereby acknowledged by both parties, the parties agree as follows:

ARTICLE 1. RECITALS AND WORK.

1.1 The Recitals set forth above are incorporated into this Contract as true and correct statements and incorporated herein as if set forth in the body of this Contract.

1.2 Contractor shall complete all Work as specified and indicated in the IFB as amended and Contract Documents. The Work is generally described as City of Lake Worth Beach Library Window Replacement Project ("Project").

ARTICLE 2. CONTRACT TIME.

2.1 The Work will be substantially completed within **273 calendar days** from the date of the Notice to Proceed. Final completion of the Work that includes final replacement of the library windows replacement shall be within **304 calendar days** from the Notice to Proceed.

2.2 Time is of the essence under this Contract.

2.3 **LIQUIDATED DAMAGES.** The City and Contractor recognize that time is of the essence of this Contract and that the City will suffer financial loss if the work described in the Contract Documents is not completed within the times specified in paragraph 2.1 above. The City and Contractor recognize, agree and acknowledge that it would be impractical and extremely difficult to ascertain and fix the actual damages that the City would suffer in the event Contractor neglects, refuses, or otherwise fails to complete the work within the time specified. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay the City two hundred dollars (\$200.00) for each day that expires after the time specified in paragraph 2.1.

2.4 In the City's sole discretion, a requested extension of time may be denied for delays resulting from normal weather conditions prevailing in the area as defined by the average of the last five (5) years of weather recorded or otherwise established by the City.

ARTICLE 3. CONTRACT PRICE.

3.1 City shall pay Contractor for completion of the Work in accordance with the Contract Documents a lump sum, not to exceed amount of **One Hundred Nineteen Thousand and Eight Dollars Ninety-Three Cents (\$119,008.93)**, which shall be payable in accordance with Article 4 of this Contract. The Contract Price includes **Ten Thousand Dollars (\$10,000.00)** as a contingency for unforeseen changes and potential additional changes requested by the City ("Contingency"). The Contractor must submit a written request to the City prior to commencing any Work to be covered by the Contingency. The City's Contract Administrator is authorized to approve in writing the use of the Contingency by the Contractor.

ARTICLE 4. PAYMENT PROCEDURES.

4.1 Generally. The Contractor shall submit invoices on a monthly basis detailing all Work accomplished in the prior month, which is installed and to be used in the Project. Contractor's invoices shall be submitted to:

City of Lake Worth Beach
Attn: Financial Services Department
7 N. Dixie Highway
Lake Worth Beach, FL 33460

The City's Contract Administrator will review each invoice submitted by the Contractor. If approved by the City's Contract Administrator and the Financial Services Department, the City will make payment in accordance with the Contract Documents. If not approved, the City will notify the Contractor within twenty (20) business days of the City's receipt and identify the action necessary to correct the invoice or a deficiency.

4.2 Payment to the Contractor shall be made pursuant to the Florida's Prompt Payment Act (for construction services), section 218.735, Florida Statutes, except as provided herein. Specifically, the

City will withhold ten percent (5%) of each payment to the Contractor as retainage until final work completion.

4.3 Final Payment. Upon final completion and acceptance of the Work in accordance with the Contract Documents (including completion of all punch-list items) and final inspection by the appropriate agencies with jurisdiction over the Project, the Contractor shall submit a "final invoice" to the City. In order for both parties to close their books and records, the Contractor will clearly state "FINAL" on the Contractor's final invoice. This certifies that all Work and the Project have been properly completed, all charges have been invoiced to the City and all material suppliers have been paid in full. If paid, this account will thereupon be closed, any and other further charges if not properly included in this final invoice are waived by the Contractor. If the Contractor's Final Invoice is approved as set forth above, the City shall pay the remainder of the Contract Price including any amount held as retainage.

4.4 Notwithstanding the foregoing, the City shall not be required to pay or release any amount of retainage that is subject of a good faith dispute, the subject of a claim brought pursuant to section 255.05, Florida Statutes, or otherwise the subject of a claim or demand by the City.

4.5 Final payment shall not become due until the Contractor and all of its subcontractors submit to the City releases and waivers of liens, and data establishing payment or satisfaction of obligations, such as receipts, claims, security interests or encumbrances arising out of the Contract Documents or otherwise related to the Project.

4.6 Acceptance of final payment by the Contractor or a subcontractor shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final invoice.

ARTICLE 5. INDEMNITY AND INSURANCE.

5.1 The parties recognize that the Contractor is an independent contractor. The Contractor agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney's fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor, its agents, officers, subcontractors, employees, or anyone else utilized by the Contractor in the performance of this Contract. The Contractor's liability hereunder shall include all attorney's fees and costs incurred by the City in the enforcement of this indemnification provision. This includes claims made by the employees of the Contractor against the City and the Contractor hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Contract and shall not be limited by the amount of any insurance required to be obtained or maintained under this Contract.

Subject to the limitations set forth in this Section, Contractor shall assume control of the defense of any claim asserted by a third party against the City and, in connection with such defense, shall appoint lead counsel, in each case at the Contractor's expense. The City shall have the right, at its option, to participate in the defense of any third-party claim, without relieving Contractor of any of its obligations hereunder. If the Contractor assumes control of the defense of any third party claim in accordance with this paragraph, the Contractor shall obtain the prior written consent of the City before entering into any settlement of such claim. Notwithstanding anything to the contrary in this Section,

the Contractor shall not assume or maintain control of the defense of any third party claim, but shall pay the fees of counsel retained by the City and all expenses, including experts' fees, if (i) an adverse determination with respect to the third party claim would, in the good faith judgment of the City, be detrimental in any material respect to the City's reputation; (ii) the third party claim seeks an injunction or equitable relief against the City; or (iii) the Contractor has failed or is failing to prosecute or defend vigorously the third party claim. Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third party claim and shall furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

It is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.06, Florida Statutes, as amended. Contractor expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.06, Florida Statutes. Nothing contained in the foregoing indemnification shall be construed as a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

5.2 Prior to commencing any services, Contractor shall provide proof of insurance coverage as required hereunder. Such insurance policy(s) shall be issued by the United States Treasury or insurance carriers approved and authorized to do business in the State of Florida, and who must have a rating of no less than "excellent" by A.M. Best or as mutually agreed upon by the City and Contractor. All such insurance policies may not be modified or terminated without the express written authorization of the City.

<u>Type of Coverage</u>	<u>Amount of Coverage</u>
Commercial general liability (Products/completed operations Contractual, insurance broad form property, Independent Consultant, personal injury)	\$1, 000,000 per occurrence \$2,000,000 annual aggregate
Automobile (owned, non-owned, & hired)	\$ 1,000,000 single limits
Worker's Compensation	\$ statutory limits

The commercial general liability and automobile liability policies will name the City as an additional insured on a primary, non-contributing basis, and proof of all insurance coverage shall be furnished to the City by way of an endorsement to same or certificate of insurance prior to the provision of services. The certificates shall clearly indicate that Consultant has obtained insurance of the type, amount, and classification as required for strict compliance with this section. Failure to comply with the foregoing requirements shall not relieve Consultant of its liability and obligations under this Agreement.

ARTICLE 6. TERMINATION.

6.1 **TERMINATION BY CITY:** The City (through its City Manager or designee) may terminate the Contract Documents if the Contractor:

1. refuses or fails to supply enough properly skilled workers or proper materials;
2. fails to prosecute the Work in a timely manner;
3. fails to make payment to subcontractors for materials or labor in accordance with the respective agreements between the Contractor and the subcontractors;
4. disregards or takes action contrary to any laws, ordinances, or rules, regulations orders of a public authority having jurisdiction;

7. otherwise is in breach of a provision of the Contract Documents.

When any of the above reasons exist, the City, may without prejudice to any other rights or remedies of the City and after giving the Contractor written notice and five (5) days to cure, terminate the Contract and Contract Documents and may:

1. take possession of the site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by or paid for by the City; and,
2. finish the Work by whatever reasonable method the City may deem expedient.

The Contractor shall be liable for any damage to the City, including additional attorney and engineering/architectural fees, resulting from the Contractor's termination under this provision by the City, including but not limited to, and any increased costs incurred by the City in completing the Work.

When the City terminates the Contract for one of the reasons stated above, the Contractor shall not be entitled to receive further payment, if any, until the Work is finished.

Should it be determined by a mediator or a court of competent jurisdiction that the City wrongfully terminated the Contract, then the Contractor agrees to treat such termination as a termination for convenience.

6.2 TERMINATION BY THE CITY FOR CONVENIENCE: The City may, at any time, terminate the Contract Documents for the City's convenience and without cause. Upon receipt of written notice from the City of such termination for the City's convenience, the Contractor shall:

1. cease operations as directed by the City in the notice;
2. take actions necessary, or that the City may direct, for the protection and preservation of the Work; and
3. except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

In case of such termination for the City's convenience, the Contractor shall be entitled to receive payment for Work executed and reasonable costs incurred by reason of such termination including termination payments to subcontractors and demobilization costs.

ARTICLE 7. CONTRACT DOCUMENTS.

7.1 Contract Documents. The Contract Documents are incorporated herein by reference as if originally set forth in this Contract, and comprise the entire agreement between the City and Contractor. The Contract Documents consist of the terms and conditions set forth in this Contract, the IFB including all Project plans/drawings and issued addenda; the bid submitted by the Contractor; and any duly executed and City issued Change Orders, Work Directive Changes, Field Orders and amendments relating thereto. the ambiguity, error or discrepancy by the Contractor. The City will not be responsible for any oral instructions, clarifications, or other communications except those provided in writing in response to Contractor's request for clarification of an ambiguity, discrepancy or error.

In resolving conflicts in any of the Contract Documents, the order of precedence shall be as follows:

Exhibit "A"

Federal Contract Provisions

The Contractor hereby agrees that the following terms, at a minimum, will be incorporated into any subsequent contract resulting from this IFB, which is funded in whole or in part with any federal or other funding where the following terms are applicable:

Equal Employment Opportunity. During the performance of the resulting contract, the Contractor agrees as follows:

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
- (4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and

remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

(1) Overtime requirements. No Contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the

standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. DOJ, the State of Florida, or the CITY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

INSTRUCTIONS FOR CERTIFICATION

- 1) By signing this Certification, the Contractor, also sometimes referred to herein as a prospective primary participant, is providing the certification set out below.
- 2) The inability of a Contractor to provide the certification required below will not necessarily result in denial of participation in the covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the City's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- 3) The certification in this clause is a material representation of fact upon which reliance was placed when the City determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the City, the City may terminate this transaction for cause or default.
- 4) The prospective primary participant shall provide immediate written notice to the City if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 5) The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal and voluntarily excluded, as used in this certification, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549.

If it is later determined that the prospective primary participant knowingly entered into such a transaction, in addition to other remedies available to the City, the City may terminate this transaction for cause or default.
- 7) The prospective primary participant further agrees by signing this Addendum that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," as available through the United States Department of Homeland Security,

without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause.
