TO: Members of the Planning & Zoning and Historic Resources Preservation Boards

FROM: William Waters, Director Community Sustainability

MEETING: June 1 & June 8, 2022

SUBJECT: **Ordinance 2022-11:** Consideration of an ordinance amending Chapter 23 “Land Development Regulations,” Article 2 “Administration,” Division 3 “Permits,” Section 23.2-31 related to “Site Design Qualitative Standards.”

PROPOSAL / BACKGROUND/ ANALYSIS:

The subject amendment to the City’s Land Development Regulations (LDR) was drafted based on City Commission direction to staff to revise the site design qualitative standards to provide additional guidance, consistency, clarity and additional standards related to building design and sustainable performance. The City Commission also expressed a desire to ensure the design of new buildings would be of a high-quality architectural design that also would be respectful of the existing streetscape. The new building performance standards would require new buildings to exceed industry standards with regard to greenhouse emissions, carbon footprint and utilization of recycled materials as well as reductions in water and energy usage. New buildings also shall be required to incorporate design features that support multi-modal transportation, amenities that are conducive to enhancing community pride and social interaction, and safety features. Further, design elements, performance standards and/or specifications to enhance the public’s awareness and appreciation of the community’s commitment to the incorporation of sustainable qualities, values and principles as outlined in the ordinance on page 6.

Due to the complexity and comprehensive nature of the newly proposed sustainability requirements, an additional staff position or the use of outside consultants shall be required for the review of the proposed building performance standards.

The proposed amendments would amend the LDR in Chapter 23 of the City’s Code of Ordinances as follows:

- Article 2, Section 23.2-31 – Site Design Qualitative Standards

STAFF RECOMMENDATION:

Staff recommends that the Planning and Zoning Board and Historic Resources Preservation Board recommend that the City Commission adopt Ordinance 2022-11.

POTENTIAL MOTION:

I move to RECOMMEND/NOT RECOMMEND TO THE CITY COMMISSION **TO ADOPT** the proposed LDR text amendments included in Ordinance 2022-11.
