- B. Evaluation and Monitoring: The Subrecipient agrees that HED will carry out periodic monitoring and evaluation of activities as determined necessary by HED or the County. Any disbursement of funds, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based on the terms of this Agreement. The Subrecipient agrees to furnish upon request to HED, the County, or the County's designees copies of transcriptions of such records and information as is determined necessary by HED or the County. Discharge of Beneficiaries: The Subrecipient agrees to develop and implement to the maximum extent practical and, where appropriate, written policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or corrections programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons.

In lieu of developing written policies, the Subrecipient may adopt an existing countywide discharge plan, with approval from HED.

The project is located in a HUD-designated Low/Moderate Income Area (LMA) service area and is within a Palm Beach County CDBG Target Area. The Project therefore meets the CDBG national objective of benefiting low- and moderate-income persons on an Area Benefit basis, as defined in 24 CFR 570.208(a)(1)(i). The County shall maintain documentation supporting the service area determination and the LMI percentage, consistent with HUD guidance on Area Benefit activities.

The Subrecipient shall ensure that the Project continues to serve the identified service area/intended beneficiaries throughout the required five (5) year period and shall notify the County in writing of any changes to project scope, service area, or use that may affect the national objective determination, during the five (5) year period after the completion or termination of this Agreement.

The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, should abatement become necessary.

Alternatively, the Subrecipient shall have the option of performing any portion of the consultant's services described above by its own staff provided such staff possess the necessary competency to do so. All costs associated with the above consultant services shall be paid for by the Subrecipient. **Note:** Eligible expenses for reimbursement under this Agreement, shall be for materials and/or construction costs only associated with the Project, unless otherwise indicated in writing.

D. PROCUREMENT AND CONSTRUCTION

The procurement process and contract award for all goods and services shall be in compliance with the Subrecipient's Procurement Code and 2 CFR Parts 184 and 200 and all regulations applicable to CDBG funding and this Agreement.

(3) The Subrecipient shall prioritize the work in the project, and shall bid such work in a manner that requires the receipt of itemized costs from bidders. This would then allow the award of items that can be funded by the budget provided, so that the extent of work awarded will result in a functioning facility in the opinion of HED.

(4) The Subrecipient shall not award the construction contract for the project until sufficient funding is available to complete the established scope of work. All construction work shall be included in one contract, unless otherwise approved by HED.

(5) Should the amount of eligible costs exceed the amount to be funded by the County through this Agreement, then the Subrecipient shall fund all amounts in excess of the amount to be funded by the County.

K. INSURANCE BY SUBRECIPIENT

Without waiving the right to sovereign immunity as provided by section 768.28, Florida Statutes, (Statute), the Subrecipient represents that it is self-insured with coverage subject to the limitations of the Statute, as may be amended.

If Subrecipient is not self-insured, Subrecipient shall maintain at its sole expense, in force and effect at all times during the life of this Agreement, insurance coverage and limits not less than those contained in the Statute. Should Subrecipient purchase excess liability coverage, Subrecipient agrees to include County as an Additional Insured.

Upon execution of the Agreement, the Subrecipient shall provide to HED, evidence of the following minimum insurance coverages:

- (1) **Commercial General Liability**: Subrecipient shall maintain limit of liability insurance with minimum limits of **\$1,000,000** combined single limit for property damage and bodily injury each occurrence.
- (2) **Workers' Compensation Insurance & Employer's Liability**: This coverage shall be maintained by Subrecipient, in compliance with Chapter 440, Florida Statutes, as may be amended.

When a self-insured retention (SIR) or deductible exceeds \$10,000, County reserves the right, but not the obligation, to review and request a copy of Subrecipient's most recent annual report or audited financial statement. For policies written on a "claims-made" basis, Subrecipient warrants the Retroactive Date equals or precedes the effective date of this Agreement. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the term of this Agreement, Subrecipient shall purchase a SERP with a minimum reporting period not less than three (3) years after the expiration of the contract term. The requirement to purchase a SERP shall not relieve the Subrecipient of the obligation to provide replacement coverage. The Certificate of Insurance providing evidence of the purchase of this coverage shall clearly indicate whether coverage is provided on an "occurrence" or "claims-made" form. If coverage is provided on a "claims-made" form the Certificate of Insurance must also clearly indicate the "retroactive date" of coverage.
- (4) **Waiver of Subrogation**: Except where prohibited by law, Subrecipient hereby waives any and all rights of Subrogation against the County, its officers, employees and agents for each required policy except Professional Liability. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then Subrecipient shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent.

This Waiver of Subrogation requirement shall not apply to any policy that includes a condition to the policy specifically prohibiting such an endorsement or voids coverage should Subrecipient enter into such an agreement on a pre-loss basis.

- (5) **Certificates of Insurance**: Upon execution of this Agreement, renewal, within forty-eight (48) hours of a request by County, and upon expiration of any of the required coverage throughout the term of this Agreement, the Subrecipient shall deliver to the County or County's designated representative a signed Certificate(s) of Insurance evidencing that all types and minimum limits of insurance coverage required by this Agreement have been obtained and are in full force and effect.

Failure of the Subrecipient's Contractor to maintain the required insurance shall be considered default of the Contract.

Policy will include coverage for asbestos abatement operations and disposal. When a self-insured retention or deductible amount exceeds Ten Thousand Dollars (\$10,000), County reserves the right, but not the obligation, to review and request a copy of the most recent annual report or audited financial statements in evaluating successful bidder’s acceptability of a higher self-insured retention or deductible in relationship to successful bidder’s financial condition.

If a sublimit applies to the perils of wind or flood, the sublimit shall not be less than 25% of the projected completed value of the Project. The deductible shall not exceed \$50,000, except for the peril of flood which will not exceed \$500,000, nor shall a wind percentage deductible, when applicable, exceed five percent 5% of values at risk at time of loss subject to a \$250,000 minimum.

Partial occupancy or use of the work shall not commence until insurance company or companies providing insurance as required have consented to such partial occupancy or use. Contractor shall take reasonable steps to notify and obtain consent of the insurance company or companies, and agree to take no action, other than upon mutual consent, with respect to occupancy or use of the work that could lead to cancellation, lapse, or reduction of insurance.

The coverage shall be begin prior to the notice to proceed and shall be kept in force until Substantial Completion has been obtained, or until no one but the County has any property interest in the project, or until Subrecipient, Contractor and County mutually consent to the termination, whichever occurs first.

The Subrecipient and Contractor agree and understand the County shall not provide any Builders Risk insurance on behalf of Subrecipient, nor Contractor for loss or damage to work, or to any other property of owned, hired, or borrowed by the Subrecipient or Contractor. County shall be responsible for payment of any applicable deductible amounts, except to the extent the underlying loss or damage results from the fault, negligence or misconduct of Subrecipient or any of its contractors, vendors, officers, employee or agents whether or not covered by insurance, in which case Subrecipient shall be responsible for payment of the deductible amounts.

Should any of the work hereunder involve the hauling and/or rigging of property in excess of \$500,000 or \$250,000 in transit, Subrecipient's Contractor shall procure and maintain all-risk transit or motor truck cargo insurance or a similar form of coverage insuring against physical damage or loss of property being transported, stored, moved, or handled by Contractor, or any subcontractors, pursuant to the terms of this Agreement, subject to the limits, terms and conditions set forth herein.

In the event that Contractor shall fail to obtain and maintain in full force and effect any insurance coverage required to be obtained by Subrecipient's Contractor under this Agreement, if any, County shall have the right of injunction, or County may immediately terminate this Agreement, notwithstanding any provisions herein to the contrary. Notwithstanding the foregoing, Subrecipient and Contractor shall and does nevertheless indemnify, defend, protect and hold County harmless from any loss or damage incurred or suffered by County from Subrecipient or Contractor's failure to maintain such insurance, subject to Contractor's limitation on liability as set forth herein.

In the event of loss or damage, Subrecipient's Contractor shall look solely to any insurance in its favor without making any claim against the County, and Subrecipient shall obtain and deliver to the County, from the insurer under each policy of such insurance, an agreement whereby such insurer waives subrogation of any claim against the County for loss or damage within the scope of the insurance, and Developer, for itself and its insurers, waives all such insured claims against the County.

In the event Subrecipient relies on Contractors for any services or activities related to this Agreement prior to Conveyance, the Contractors will agree to indemnify the County, will maintain same insurance requirements with the exception of Builder's Risk insurance.

Contractor will agree to the Waiver of Subrogation and will name Palm Beach County as an additional insured as required. Certificates of Insurance will be provided to County representative, prior to commencement of work.

- (6) **Waiver of Subrogation**: Except where prohibited by law, Contractor hereby waives any and all rights of Subrogation against the County, its officers, employees and agents for each required policy except Professional Liability. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then Contractor shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent.

This Waiver of Subrogation requirement shall not apply to any policy that includes a condition to the policy specifically prohibiting such an endorsement or voids coverage should Contractor enter into such an agreement on a pre-loss basis.

- (7) **Certificates of Insurance**: Upon execution of the construction contract, renewal, within forty-eight (48) hours of a request by Subrecipient or County, and upon expiration of any of the required coverage throughout the term of Contract, the Prime Contractor shall deliver to the Subrecipient and/or County or County's designated representative, the Contractor's signed Certificate(s) of Insurance evidencing that all types and minimum limits of insurance coverage required by this Agreement have been obtained and are in full force and effect.

100 Australian Ave, 5th Floor
West Palm Beach, FL 33406

As previously stipulated, the Subrecipient shall provide an affidavit or Certificate of Insurance evidencing Contractor's insurance, upon request. Compliance with the foregoing requirement shall not relieve the Contractor or Subrecipient of its liability and obligations under this Agreement.

- (8) **Right to Revise or Reject**: County, by and through its Risk Management Department in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject, or accept any required policies of insurance, including limits, coverage, or endorsements.

(1) The Subrecipient shall properly maintain the facility/project, and may not change the use or planned use, or discontinue use, of the facility/property (including the beneficiaries of such use) from that for which the acquisition or improvements are made, unless the Subrecipient provides affected citizens with reasonable notice of, and opportunity to comment on, any such proposed change and either:

(a) The new use of the facility/property qualifies as meeting one of the national objectives defined in the regulations governing the CDBG program, and is not a building for the general conduct of government; or

(b) The requirements of paragraph (2) of this section are met.

- (2) If the Subrecipient determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (1) (a) of this section or discontinue the use of the facility/property, it may retain or dispose of the facility for such use if the County is reimbursed in the amount of the current fair market value of the facility/property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvements to the facility/property.

The final determination of the amount of any such reimbursement to the County under this paragraph shall be made by the County.

- (3) Following the reimbursement of CDBG funds by the Subrecipient to the County pursuant to paragraph (2) above, the facility/property will then no longer be subject to any CDBG requirements.
- (4) Upon HED request, Subrecipient shall submit a certification regarding use of the project facility/property in a form provided by HED.

II. ASBESTOS SURVEYS

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with ASHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

A. For Renovation Projects (projects which will be reoccupied):

- (a) Point counting must be conducted for all regulated asbestos containing materials (RACM) indicating 1% - 10% asbestos by PLM analysis. If the asbestos content by PLM is less than 10%, the building owner/operator can elect to:
 - 1. Assume the material is greater than 1% and treat it as RACM, or
 - 2. Require verification by point counting.
- (b) Samples of resilient vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM)
- (c) Joint compound shall be analyzed as a separate layer.
- (d) Roofing material shall be sampled only if a renovation requires the roof to be disturbed. (In lieu of sampling the roof, it will be presumed to contain asbestos)

B. For Demolition Projects:

- (a) Point counting should be conducted for all RACM indicating 1% - 10% asbestos by PLM analysis. This includes joint compounds (to be analyzed as a separate layer and vinyl asbestos tile. If the asbestos content by PLM is less than 10%, the building owner/operator can elect to:
 - 1. Assume the material is greater than 1% and treat it as RACM, or
 - 2. Require verification by point counting
- (b) Composite sample analysis is permitted for drywall systems (combining the drywall and joint compound constituents)
- (c) All Category I and II non-friable materials, as defined in EPA/NESHAP, shall be sampled to determine asbestos content.
- (d) Roof materials shall be presumed to be asbestos containing.

If the Subrecipient has a recent asbestos survey report prepared by a Florida Licensed Asbestos Consultant, a copy may be provided to HED for review by the PBCAC to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Subrecipient or requested by HED. A copy of the completed survey will be forwarded to the Subrecipient and PBCAC.

III. ASBESTOS ABATEMENT**A. RENOVATION**

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor (FLAC) under the direction of a FLAC prior to demolition. Exceptions may be granted by HED prior to the removal, (such as asbestos containing roofs, transite pipe). The Subrecipient must obtain approval for all exceptions from HED. HED will request the PBCAC to review and approve all exceptions.
- (b) Asbestos abatement work may be contracted by the Subrecipient or by HED upon request.
- (c) If the Subrecipient contracts the asbestos abatement, the following documents are required to be provided to the HED and the PBCAC:
 - 1. An Asbestos Abatement Specification (Work Plan), sealed by a FLAC.
 - 2. Pre and Post Job submittals, reviewed and signed by the FLAC
- (d) If the Subrecipient requests HED to contract the asbestos abatement, HED will initiate the request through the PBCAC who will contract the asbestos abatement. HED will provide a copy of all contractor and consultant documents to the Subrecipient.

- (e) Materials containing less than <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements including training, wet methods, prompt cleanup in leak tight containers, etc.

The renovation contractor must comply with US Dept of Labor, OSHA Standard Interpretation (OSHA), "Compliance requirements for renovation work involving material containing <1% asbestos", dated 11/24/2003. The renovation contractor must submit a work plan to HED and PBCAC prior to removal of the materials.

B. DEMOLITION

All RACM must be removed by a Florida Licensed Asbestos Contractor under the direction of an FLAC prior to any demolition activities. Examples of RACM include: popcorn ceiling finish, drywall systems, felt or paper-backed linoleum, resilient floor tile and mastic which is not intact, asbestos containing joint compound, asbestos cement panels/pipes/shingles ("transite"), etc.

NESHAP Category I non-friable materials, such as intact resilient floor tile and mastic and intact roofing materials, may be demolished with the structure, by implementing the proper engineering controls and using a demolition contractor. The demolition contractor shall be made aware of the asbestos-containing materials and shall exercise adequate control techniques (wet methods, etc.). In all cases, demolition work should be monitored by a FLAC to ensure proper control measures and waste disposal. Any exceptions to these guidelines shall be requested through and approved by HED prior to the removal (such as asbestos containing roofs, transite pipe). Exceptions may be granted by HED prior to the removal, (i.e., asbestos containing roofs, transite pipe). The Subrecipient must obtain approval for all exceptions from HED and the PBCAC. Demolition work should be monitored by a FLAC to ensure proper control measures and waste disposal. This is the responsibility of the Subrecipient.

- (a) Asbestos Abatement work may be contracted by the Subrecipient or by HED upon request.
- (b) If the Subrecipient contracts the asbestos abatement, the following documents must be provided to the PBC/HED and reviewed by the PBCAC.
