

STAFF REPORT REGULAR MEETING

AGENDA DATE: May 19, 2026

DEPARTMENT: City Attorney

TITLE:

Direction regarding Palm Beach County's draft Ordinance regulating Micromobility Devices

SUMMARY:

Palm Beach County has prepared a draft Ordinance regarding micromobility devices that will apply to all the municipalities in the County unless the municipality opts out.

BACKGROUND AND JUSTIFICATION:

Former Boca Raton Council Member Marc Wigder gave a presentation regarding e-bikes at the May 5, 2026 city commission meeting. Palm Beach County is working on an ordinance regulation micromobility devices that will apply to all municipalities within the County unless the municipality opts out.

The commission will discuss the County's proposed ordinance.

MOTION:

Direction is sought about whether to participate in or opt out of the County's regulations on micromobility devices
