The resolution sets the final Debt Service Millage Rate of 1.1100 mills to fund the City's Voter Approved 2017/2018 General Obligation Bond Fund Levy.

The debt service property tax rate adoption process is governed by Chapter 200, Florida Statutes, which sets forth the TRIM (Truth-In-Millage) process. In Florida, properties are assessed by the County Property Appraiser; levied by each taxing entity; and, collected by the County Tax Collector. Taxing entities are required to hold two (2) public hearings for the adoption of a debt service property tax (millage) rate and budget. The first public hearing is advertised by the Property Appraiser mailing a TRIM notice to each property owner. Chapter 200, Florida Statutes, requires the City to:

1. Notify the County Property Appraiser of the City's tentative debt service millage rate in July and of the date and time of first public hearing on the millage and budget. The City complied with this requirement and informed the Property Appraiser of the first hearing date and time (September 10, 2020, at 6:00 pm). The Property Appraiser sent out its TRIM notice notifying the citizens of the tentative debt service millage rate and date and time of the first hearing.
2. Hold its first public hearing on the tentative millage rate and proposed budget. The City conducted the first public hearing on September 10, 2020 and City staff proposed a tentative debt service millage rate and proposed budget to be adopted.
3. Advertise the tentative rate and proposed budget adopted at the first public hearing and the date and time of the second public hearing in a newspaper of general circulation (the Palm Beach Post). The advertisement was published on September 21, 2020, as it must be published 2 to 5 days prior to the final public hearing, scheduled for September 24, 2020 at 6:00 PM.
4. At the second public hearing, the City Commission must adopt a final debt service millage rate and budget for fiscal year 2020-2021.

5. Subsequent to the final adoption, the City must deliver the resolution adopting the final debt service millage rate to the County Property Appraiser, the County Tax Collector, and the Department of Revenue within 3 days after the final public hearing.
