3.2 All time limits for Milestones, if any, Substantial Completion and final completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract Documents.

3.3 LIQUIDATED DAMAGES. Owner and Contractor recognize that time is of the essence and that Owner will suffer financial loss if the Work is not completed within the times specified in paragraph 3.1 above, plus any extensions thereof approved in accordance with the Contract Documents. They also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay Owner Five Hundred and 00/100 dollars (\$500.00) for each day that expires after the time specified in paragraph 3.1 for Substantial Completion until the Work is substantially complete. After Substantial Completion if Contractor shall neglect, refuse or fail to complete the remaining Work within the Contract Time or any proper extension thereof approved in accordance with the Contract Documents, Contractor shall pay Owner Five Hundred and 00/100 dollars (\$500.00) for each day that expires after the time specified in paragraph 3.1 for final completion and readiness for final payment.

3.4 In the Owner's sole discretion, a requested extension of time may be denied for delays resulting from normal weather conditions prevailing from normal weather conditions prevailing in the area as defined by the average of the last five (5) years of weather recorded or otherwise established by the Owner.

ARTICLE 4. CONTRACT PRICE.

4.1 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents, subject to adjustment as provided therein, in current funds as follows:

For all Unit Price Work, an amount equal to the sum of the extended prices (established for each separately identified item of Unit Price Work by multiplying the unit price times the actual quantity of that item):

TOTAL OF ALL UNIT PRICES Four Million Four Hundred Forty-one Thousand Dollars (\$4,441,000) which is based on the unit price(s) in the Bid Form Unit Price Schedule.

ARTICLE 5. PAYMENT PROCEDURES.

5.1 Contractor shall submit Applications for Payment in accordance with Article 15 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

5.2 PROGRESS PAYMENTS. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment as recommended by Engineer, on or about the 10th day of each month during construction as provided below. All progress payments will be on the basis of the progress of the Work measured by the schedule of values established in the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided elsewhere in the Contract Documents.

5.2.1 *Retainage.* Payment to the Contractor shall be made pursuant Florida's Prompt Payment Act (for construction services), section 218.735, Florida Statutes (2025), once approved by the Engineer. The Owner will withhold five percent (5%) of each payment to the Contractor as retainage until fifty percent (50%) of the Work is completed. After fifty percent (50%) of the Work is completed, upon written request from the Contractor, the Owner's Contract Administrator or designee may agree in writing with the Contractor to release a portion of the retainage not to exceed fifty percent (50%) of the total retainage amount. Within twenty (20) business days of the finalization of the punch-list described below and upon receipt of a payment request from the Contractor, the Owner will pay the Contractor all retainage held less an amount equal to 150% of the estimated cost to complete the items on the list. Upon completion of all items on the finalized punch-list, the Contractor may submit a request for release of all retainage.

5.2.2 *Punch-List.* In accordance with section 218.735(7), Florida Statutes (2025), at least ten (10) days prior to reaching substantial completion, the Contractor shall create a proposed punch-list of items that must be completed by the Contractor prior to submitting its final payment request. The Contractor's proposed punch-list must include all items of Work which remain to be completed and the estimated cost to complete each Work item on the list. Upon receipt of the Contractor's proposed punch-list, the Owner will have ten (10) days to review, make modifications, or agree to the proposed punch-list. If the Owner does not make any modifications to the Contractor's proposed punch-list within ten (10) days of receipt, the proposed punch-list will be deemed accepted by the Owner. The Owner's Contract Administrator or designee will resolve any disputes in the punch-list and determine the final punch-list for the parties no later than 30-days from the date the Contractor is determined to have reached substantial completion. Once the punch-list is accepted by the Owner and finalized by the Owner's Contract Administrator or designee, the final punch-list will be delivered to the Contractor. Thereafter, the Contractor will have thirty (30) days to complete all items on the finalized punch-list and all Work (unless additional time is provided in the Contract Documents for final completion). The failure of either party to include any corrective work or pending items on the finalized punch-list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents (or applicable work order). The Contractor's proposed punch-list and responses by the Owner shall be by written notice provided in the same manner as the Change Orders identified in paragraph 5.4 below.

5.3 FINAL PAYMENT. Upon final completion and acceptance of the Work in accordance with the Contract Documents and paragraph 15.06 of General Conditions (including all punch-list items and settlement of all claims, including liquidated damages) and final inspection by the appropriate agency with jurisdiction over the project (if other than the Owner), the Contractor shall submit a "final invoice" to the Owner. In order for both parties to close their books and records, the Contractor will clearly state "FINAL" on the Contractor's final invoice. This certifies that all Work under the Contract Documents (or applicable work order) has been properly completed and all charges have been invoiced to the Owner. Since this account will thereupon be closed, any and other further charges if not properly included in this final invoice are waived by the Contractor. If

the Contractor's Final Invoice is approved as set forth above, the Owner shall pay the remainder of the Contract Price (or applicable work order price) including any amount held as retainage.

5.3.1 Notwithstanding the foregoing, the Owner shall not be required to pay the Contractor, or release any amount of retainage to the Contractor, and is authorized to set-off any amount that is subject of a good faith dispute made in writing, the subject of a claim brought pursuant to section 255.05, Florida Statutes, is the subject of a written claim or demand by the Owner, or as otherwise authorized under the Contract Documents.

5.3.2 Final payment shall not become due until the Contractor and all of its subcontractors submit to the Owner releases and waivers of liens, consent of surety, and data establishing payment or satisfaction of obligations, such as receipts, claims, security interests or encumbrances arising out of the Contract Documents or otherwise related to the Project. The Owner reserves the right to obtain a consent of surety prior to releasing final payment and retainage to the Contractor.

5.4 CHANGE ORDER REQUESTED BY OWNER THAT CHANGES CONTRACT PRICE.

5.4.1 Pursuant to section 218.755, Florida Statutes (2025), for any Change Order(s) where there is an addition and/or revision in the Work that increases the Contract Price and said addition and/or revision is requested by the Owner, the Contractor shall complete the Change Order form (attached as **Exhibit "A"** hereto and incorporated by reference), execute the form, and submit the form to the Owner and Engineer with all supporting documentation attached including but not limited to all necessary permitting information, drawings, and specifications. The supporting documentation shall include any price quote(s) or other documentation establishing the increase in the Contract Price (and any related extension of the Contract Time), including but not limited to, the cost of the additional Work and/or revised Work and the Contractor's Fee (if applicable) consistent with the requirements of paragraph 11.04 of the General Conditions.

5.4.2 Upon receipt of the completed and executed Change Order form from the Contractor, the Owner and Engineer will review the same and either deny the Change Order or process the Change Order for approval. **The Owner will send a written notice to the Contractor within thirty-five (35) days after receipt of the properly completed and executed Change Order form as to whether the same has been approved or denied.**

5.4.3 If the Change Order is denied, the Owner will specify in the written notice to the Contractor any alleged deficiencies in the Change Order and the actions necessary for the Contractor to remedy the same. If the Owner timely notifies the Contractor that a Change Order is denied (or the Change Order form submitted by the Contractor otherwise fails to conform to all statutory requirements or the requirements set forth herein), the Contractor may resubmit the completed and executed Change Order form after all deficiencies have been corrected and the timeframe set forth herein for the Owner's written notice of approval or denial will start anew.

5.4.4 If the Change Order is approved, the Contractor shall include the additional and/or revised Work covered by the Change Order in the appropriate pay application for payment consistent with this Agreement.

5.4.5 If the Owner fails to provide a timely written notice to the Contractor as set forth in this paragraph and the Change Order form is properly submitted, completed, and executed by the Contractor as required by statute and this Agreement, the Change Order will be deemed

approved and the Contractor shall be paid for the additional and/or revised Work covered by the Change Order once the additional and/or revised Work is completed.

5.4.6 The Contractor shall submit the completed and executed Change Order form to the Owner's Contract Administrator and Engineer by: (1) email (with delivery receipt requested and received); (2) hand-delivery (with proof of hand-delivery); (3) by certified mail (RRR); or, (4) by national overnight courier utilizing the contact information set forth above in this Agreement.

5.4.8 All Change Proposals or Change Orders for only an increase in the Contract Time shall be handled in accordance with the General Conditions (as may be revised by the Special or Supplemental Conditions). However, all Change Orders shall include the following agreement by the Contractor:

"By approving this Change Order, the Contractor releases any and all claims that it may have against the Owner under the subject Contract Documents including, but not limited to claims for equitable adjustments, which occurred or accrued prior to the effective date of this CHANGE ORDER except those claims made in writing to the OWNER prior to the effective date of this CHANGE ORDER."
