**Subject:** RE: Electric, Water and CAM Golf Restaurant

Teanna,

The following table illustrates the monthly solid waste removal charges for the Beach Club. As we spoke about, the 6-yard dumpster utilized by the Beach Club has it's own account separate from the other two accounts at the golf course that is paid every month, which is the reason this would be broken out and why Refuse staff thought this was paid by the tenant. Upon further review, however, it was discovered on Friday this is actually NOT being paid by the tenant. For some reason, per customer service, the payments are coming out of account 61911-27772 (Recreation / Golf). To echo the Commission, yes, this absolutely needs to be addressed in the new contract / lease agreement / or whatever form the document ends up taking. If Marty can confirm this dumpster is used exclusively by the Beach Club, there is absolutely no reason any City account should be covering this expense.
