ADP will make available to Client, at no additional cost, software improvements, enhancements, or updates to any ADP Application Programs that are included in the Services (collectively "**Improvements**") if and as they are made generally available by ADP at no additional cost to ADP's other clients using the same ADP Application Programs as Client and receiving the same Services as Client. All Improvements provided under this Section 5.4 shall be considered part of the ADP Application Programs

6   Indemnities

6.1 ADP Indemnity. Subject to the remainder of this Section 6.1, and Section 6.3 and 7, ADP shall defend Client in any suit or cause of action, and indemnify and hold Client harmless against any damages payable to any third party in any such suit or cause of action, alleging that the Services or ADP Application Programs, as provided by ADP and used in accordance with the terms of this Agreement, infringe upon any Intellectual Property Rights of a third party in an Approved Country.   The foregoing infringement indemnity will not apply and ADP will not be liable for any damages assessed in any cause of action to the extent resulting from a Client Infringement Event or ADP's use of Client Content as contemplated by this Agreement. If any Service is held or believed to infringe on any third-party's Intellectual Property Rights, ADP may, in its sole discretion, (i) modify the Service to be non-infringing, (ii) obtain a license to continue using such Service, or (iii) if neither (i) nor (ii) are practical, terminate this Agreement as to the infringing Service.

6.2 Client Indemnity. Subject to Sections 6.3 and 7, Client will defend ADP against any third party claims and will indemnify and hold ADP harmless from any resulting damage awards or settlement amounts in any cause of action to the extent such cause of action is based on the occurrence of a Client Infringement Event or ADP's use of Client Content as contemplated by this Agreement.

6.3 Indemnity Conditions. The indemnities set forth in this Agreement are conditioned on the following: (i) the party claiming indemnification (the "**Indemnitee**") shall promptly notify the indemnifying party (the "**Indemnitor**") of any matters in respect of which it seeks to be indemnified, and shall give the Indemnitor full cooperation and opportunity to control the response thereto and the defense thereof, including without limitation any settlement thereof, (ii) the Indemnitor shall have no

obligation for any claim under this Agreement if the Indemnitee makes any admission, settlement or other communication regarding such claim without the prior written consent of the Indemnitor, which consent shall not be unreasonably withheld, and (iii) the Indemnitee's failure to promptly give notice to the Indemnitor shall affect the Indemnitor's obligation to indemnify the Indemnitee only to the extent the Indemnitor's rights are materially prejudiced by such failure. The Indemnitee may participate, at its own expense, in such defense and in any settlement discussions directly or through counsel of its choice.

7   Limit on Liability

7.1   Ordinary Cap. Notwithstanding anything to the contrary in this Agreement and subject to the remainder of this Section 7, neither party's aggregate limit on monetary damages in any calendar year shall exceed an amount equal to six (6) times the average ongoing monthly Services fees paid or payable to ADP by Client during such calendar year (the "**Ordinary Cap**"). ADP will issue Client a credit(s) equal to the applicable amount and any such credit(s) will be applied against subsequent fees owed by Client.

7.2   Extraordinary Cap. As an exception to Section 7.1, if damages (monetary or otherwise) arise from a breach of Section 4.1 (Confidentiality) or Section 9.3 (Data Security), the Ordinary Cap will be increased by an additional six (6) times the average ongoing monthly Service fees paid or payable to ADP by Client during such calendar year (the "**Extraordinary Cap**"). For the avoidance of doubt, in no case shall either party's aggregate limit on monetary damages in any calendar year under this Agreement exceed twelve (12) times the average monthly ongoing Service fees paid or payable to ADP by Client during such calendar year.

7.3   Matters not Subject to Either Cap. The limitations of liability set forth in Sections 7.1 and 7.2 shall not apply to:

7.3.1   Either party's Gross Negligence, or willful, criminal or fraudulent misconduct; for the purposes of this Agreement, "Gross Negligence" shall be defined as: (1) willful, wanton, careless or reckless conduct, misconduct, failures, omissions, or disregard of the duty of care towards others of a risk known or so obvious that the actor must be taken to have been aware of it, and with an intent to injure or so great as to make it highly probable that harm would follow and/or (2) failure to use even the slightest amount of care, or conduct so reckless, as to demonstrate a substantial lack of concern for the safety of others. For the avoidance of doubt, Gross Negligence must be more than any mere mistake resulting from inexperience, excitement, or confusion, and more than mere thoughtlessness or inadvertence or simple inattention;

7.3.2   The infringement indemnity set forth in Sections 6.1 and 6.2;

7.3.3   Client's obligations to pay the fees for Services;

7.3.4   ADP's obligations to provide credit monitoring and notifications as set forth in Section 10.2;

7.3.5   Client's funding obligations in connection with the Payment Services;

7.3.6   ADP's loss or misdirection of Client funds in possession or control of ADP due to ADP's error or omission;

7.3.7   In connection with the Employment Tax Services as provided in Annex B, (a) interest charges imposed by an applicable tax authority on Client for the failure by ADP to pay funds to the extent and for the period that such funds were held by ADP and (b) all tax penalties resulting from ADP's error or omission in the performance of such Service. The provisions of this subsection 7.3.7 shall only apply if (x) Client permits ADP to act on Client's behalf in any communications and negotiations with the applicable taxing authority that is seeking to impose any such penalties or interest and (y) Client assists ADP as reasonably required by ADP.

7.3.8   Client's use or access of the Services and/or ADP Application Programs outside of the Approved Countries

7.4   Mitigation of Damages. ADP and Client will each use reasonable efforts to mitigate any potential damages or other adverse consequences arising from or relating to the Services.

7.5   No Consequential Damages. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT AND ONLY TO THE EXTENT PERMITTED BY APPLICABLE LAW, NONE OF ADP, CLIENT OR ANY BANK WILL BE RESPONSIBLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER SIMILAR DAMAGES (INCLUDING DAMAGES FOR LOSS OF BUSINESS OR PROFITS, BUSINESS INTERRUPTIONS OR HARM TO REPUTATION) THAT ANY OTHER PARTY OR ITS RESPECTIVE AFFILIATES MAY INCUR OR EXPERIENCE IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES, HOWEVER CAUSED AND UNDER WHATEVER THEORY OF LIABILITY, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. The foregoing exclusion shall not apply to claims for consequential damages arising from ADP's or Client's (i) willful, criminal or fraudulent misconduct, or (ii) breach or breaches of Section 4.1 or Section 9.3 under this Agreement; provided however, that any consequential damages recovered by Client or ADP in a calendar year for claims pursuant to Section 7.5(ii) will be subject to the Extraordinary Cap set forth in Section 7.2 above.

8   WARRANTIES AND DISCLAIMER

8.1   Warranties. Each party warrants that (i) it has full corporate power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby and (ii) this Agreement has been duly and validly executed and delivered and constitutes the valid and binding agreement of the parties, enforceable in accordance with its terms.

8.2   DISCLAIMER. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, ALL SERVICES, ADP APPLICATION PROGRAMS AND EQUIPMENT PROVIDED BY ADP OR ITS SUPPLIERS ARE PROVIDED "AS IS" AND ADP AND ITS LICENSORS AND SUPPLIERS EXPRESSLY DISCLAIM ANY WARRANTY, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, COMPLETENESS, CURRENTNESS, NON-INFRINGEMENT, NON-INTERRUPTION OF USE, AND FREEDOM FROM PROGRAM ERRORS, VIRUSES OR ANY OTHER MALICIOUS CODE, WITH RESPECT TO THE SERVICES, THE ADP APPLICATION PROGRAMS, ANY CUSTOM PROGRAMS CREATED BY ADP OR ANY THIRD-PARTY SOFTWARE DELIVERED BY ADP AND RESULTS OBTAINED THROUGH THE USE THEREOF.

9 SECURITY AND CONTROLS

9.1 Service Organization Control Reports. Following completion of implementation of any applicable Services, ADP will, at Client's request and at no charge, provide Client with copies of any routine Service Organization Control 1 reports ("SOC 1 Reports") (or any successor reports thereto) directly related to the core ADP Application Programs utilized to provide the Services provided hereunder for Client and already released to ADP by the public accounting firm producing the report. SOC 1 Reports are ADP Confidential Information and Client will not distribute or allow any third party (other than its independent auditors) to use any such report without the prior written consent of ADP. Client will instruct its independent auditors or other approved third parties to keep such report confidential and Client will remain liable for any unauthorized disclosure of such report by its independent auditors or other approved third parties.

9.2 Business Continuity; Disaster Recovery. ADP has established and will maintain a commercially reasonable business continuity and disaster recovery plan and will follow such plan.

9.3 Data Security. ADP has established and will maintain an information security program containing appropriate administrative, technical and physical measures to protect Client data (including any Personal Information therein) against accidental or unlawful destruction, alteration, unauthorized disclosure or access consistent with applicable laws. In the event ADP suspects any unauthorized access to, or use of, the Services, ADP may suspend access to the Services to the extent ADP deems necessary to preserve the security of the Client's data.

10 DATA SECURITY INCIDENT

10.1 Notification. If ADP becomes aware of a security breach (as defined in any applicable law) or any other event that compromises the security, confidentiality or integrity of Client's Personal Information (an "**Incident**"), ADP will take appropriate actions to contain, investigate and mitigate the Incident. ADP shall notify Client of an Incident as soon as reasonably possible.

10.2 Other ADP Obligations. In the event that an Incident is the result of the failure of ADP to comply with the terms of this Agreement, ADP shall, to the extent legally required or otherwise necessary to notify the individuals of potential harm, bear the actual, reasonable costs of notifying affected individuals. ADP and Client shall mutually agree on the content and timing of any such notifications, in good faith and as needed to meet applicable legal requirements. In addition, where notifications are required and where such monitoring is practicable and customary, ADP shall also bear the cost of one year of credit monitoring to affected individuals in applicable jurisdictions.

11 PAYMENT TERMS

11.1 Fees and Fee Adjustments. Client will pay to ADP the fees and other charges for the Services as set forth in the Sales Order. Unless there is a Price Agreement in effect, the fees set forth in the Sales Order will remain fixed during the first six (6) months following the Effective Date and thereafter, ADP may modify the fees on an annual basis upon thirty (30) days' prior written notice to Client. The fees presented in the Sales Order were calculated based upon particular assumptions relative to Client requirements (including funding requirements), specifications, volumes and quantities as reflected in the applicable Sales Order and related documentation, and if Client's actual requirements vary from what is stated, ADP may adjust the fees based on such changes. The fees do not include any customizations to any Service.

11.2 Additional Services and Charges. If Client requests additional services offered by ADP not included in this Agreement, and ADP agrees to provide such services: (i) those services and related fees will be included in a separate Sales Order; (ii) any Services provided to Client but not included in a Sales Order will be provided subject to the terms of this Agreement and charged at the applicable rates as they occur; and (iii) those services will be considered to be "Services" for purposes of this Agreement. Additional charges may be assessed Client in relation to the performance of the Services in certain circumstances, including without limitation, late funding, an insufficient funds notification and emergency payment requests from Client.

11.3 Fees for Implementation Services. Implementation fees are due and payable by Client upon the go-live date for such Services. However, if this Agreement or any Service are terminated after implementation services have started but before the go-live date, the greater of the following amounts shall be immediately due and payable by Client: (i) implementation fees for implementation services performed up to the date of termination; or (ii) thirty percent (30%) of the total Implementation Fees set out in the Sales Order.

11.4 Invoicing. ADP will notify Client of all applicable Services fees payable by Client by way of invoice or other method (i.e. ADP's on-line reporting tool). Client will pay the amount on each invoice or such other similar document in full pursuant to the agreed upon method of payment set forth in the Sales Order. All amounts not paid when due are subject to a late payment charge of one and one-half percent (1½%) per month (not to exceed the maximum allowed by applicable law) of the past due amount from the due date until the date paid.

11.5 Currency. Client shall pay the fees in US dollars.

11.6 Taxes. Unless Client provides ADP a valid tax exemption or direct pay certificate, Client will pay directly, or will pay to ADP, an amount equal to all applicable taxes or similar fees levied or based on the Agreement or the Services, exclusive of taxes based on ADP's net income.

11.7 Postage, Shipping Travel and out-of-pocket expenses. ADP will invoice Client for postage charges, delivery charges, other third party charges, and reasonable travel and out-of-pocket expenses as necessary to provide the Services.

11.8 Funding Requirements and Disbursement Disclosures. With respect to Payment Services to be deducted by ACH or Pre-Authorized Debit, Client must have sufficient good funds for payment of the payroll obligations, tax filing obligations, wage garnishment deduction obligations, service fees (as applicable), expenses, and any other applicable charges, to be direct debited from Client's designated account no later than one (1) banking day prior to the pay date for the applicable payroll (in the case of payroll processing services), or as otherwise agreed by the parties. For reverse wire clients, funds must be available (a) one (1) banking day prior to the pay date for the applicable payroll (in the case of the ADP

Employment Tax Services) and (b) two (2) banking days prior to the pay date for all other Payment Services, or as otherwise agreed by the parties. In consideration for the additional costs incurred by ADP in providing wire transfer service, Client agrees to pay a reasonable fee (currently $10.00) for each wire transfer. Notwithstanding the foregoing, ADP reserves the right to modify the aforementioned deadlines at any time and will communicate any such modifications to Client.

11.9 **Change Control.** In the event either party requests a change in the scope of Services (including implementation services) or any rework is required by ADP as a result of a delay by Client in implementation of any Services (each a "**Change Control Item**"), the parties shall address such change request, if possible via ADP's change control process. Change Control Items and the cost associated with such changes (if any) to the Services shall be mutually agreed to by the parties and shall be defined in a statement of work agreed to by the parties, with the exceptions of Change Control Items that are required to be made by law or regulation applicable to the Services or to the duration of implementation services, which ADP will notify Client of prior to making the change.

12 **Term; Termination; Suspension**

12.1 **Term; Termination for Convenience**   This Agreement will commence on the Effective Date and remain in effect until terminated by either party in accordance with the terms hereof. Subject to the terms of any Price Agreement, either party may terminate this Agreement or any Service upon ninety (90) days' prior written notice to the other party (except as otherwise set forth in any Annex herein). In the event Client does not provide ADP with the proper notice as set forth in the previous sentence, Client shall pay ADP for any fees for Services that would have been incurred by Client during such notice period (calculated based on an average of the prior six months of invoices for such terminated Services, or shorter period of time if there has been less than six months of invoices).

12.2 **Termination for Cause.** Either party may terminate this Agreement for the other's material breach of this Agreement if such breach is not cured within sixty (60) days following notice thereof or in the event either party is the subject of a Termination Event. In addition, ADP may terminate this Agreement in the event Client fails to timely pay fees for Services performed within ten (10) days following notice that such fees are past due. ADP may also terminate this Agreement or the Services immediately on written notice to Client if the provision of Service to Client causes or will cause ADP or its Affiliates to be in violation of any laws, rules or regulations applicable to it including any sanction laws applicable to ADP or any Affiliate.

12.3 **Suspension**. Without limiting the foregoing, the parties agree that Payment Services involve credit risk to ADP. Payment Services may be suspended by ADP (A) immediately if: (i) Client has failed to remit sufficient, good and available funds within the deadline and via the method of delivery agreed upon as it relates to the applicable Payment Services; or (ii) Client breaches any rules promulgated by NACHA as it relates to ADP conducting electronic payment transactions on behalf of Client, and (B) with 24 hour notice if: (i) a bank notifies ADP that it is no longer willing to originate debits from Client's account(s) or credits for Client's behalf for any reason or (ii) the authorization to debit Client's account is terminated or ADP reasonably believes that there is or has been fraudulent activity on the account. If the Payment Services are terminated or suspended pursuant to Sections 12.2 or 12.3, Client acknowledges that ADP shall be entitled to allocate any funds in ADP's possession that have been previously remitted or otherwise made available by Client to ADP relative to the Payment Services in such priorities as ADP may determine appropriate, including reimbursing ADP for payments made by ADP on Client's behalf to a third party. If the Payment Services are terminated by ADP, Client understands that it will (x) immediately become solely responsible for all of Client's third party payment obligations covered by the Payment Services then or thereafter due (including, without limitation, for ADP Employment Tax Services any and all penalties and interest accruing after the date of such termination, other than penalties and interest for which ADP is responsible under Section 7.3.7), and (y) reimburse ADP for all payments properly made by ADP on behalf of Client to any payee, which have not been paid or reimbursed by Client. If the Payment Services remain suspended for thirty (30) days, the Payment Services will be terminated on the 31st day following suspension.

12.4 **Post Termination**. At any time prior to the actual termination date, Client may download Client's information or reports available to it in conjunction with all of the Services provided to Client by ADP. Upon termination of this Agreement, Client may order from ADP any data extraction offered by ADP, at the then prevailing hourly time and materials rate.

13 **Reserved.**

14 **Additional Terms**. In addition to the terms set forth in any subsequent Annexes attached hereto, the following terms shall apply.

14.1.1 Client acknowledges that Client's employees or participants may input information into the self-service portions of the ADP Application Programs. ADP shall have no responsibility to verify, nor does ADP review the accuracy or completeness of the information provided by Client's employees or participants to ADP using any self-service features. ADP shall be entitled to rely upon such information in the performance of the Services under this Agreement as if such information was provided to ADP by Client directly.

14.2 **ADP Marketplace**. ADP Marketplace enables Client to build applications and/or purchase available applications via an online store and provides access to certain Client data stored in ADP systems via industry-standard Application Programming Interfaces (APIs). The following additional terms apply to the ADP Marketplace (applies only if Client accesses ADP Marketplace Services):

14.2.1 **Transmitting Information to Third Parties.** In the event that Client elects to use an API to provide any Client Content or employee or plan participant information to any third party, Client represents that it has acquired any

consents or provided any notices required to transfer such content or information and that such transfer does not violate any applicable international, federal, state, or local laws and/or regulations. ADP shall not be responsible for any services or data provided by any such third party.

14.2.2 **Use of the ADP APIs.** Client will use the ADP APIs to access Client's information only. Client may not use any robot, spider, or other automated process to scrape, crawl, or index the ADP Marketplace and will integrate Client's application with the ADP Marketplace only through documented APIs expressly made available by ADP. Client also agrees that Client will not (a) use the ADP Marketplace or any ADP API to transmit spam or other unsolicited email; (b) take any action that may impose an unreasonable or disproportionately large load on the ADP infrastructure, as determined by ADP; or (c) use the ADP APIs or the ADP Marketplace in any way that threatens the integrity, performance or reliability of the ADP Marketplace, Services or ADP infrastructure. ADP may limit the number of requests that Client can make to the ADP API gateway to protect ADP's system or to enforce reasonable limits on Client's use of the ADP APIs. Specific throttling limits may be imposed and modified from time to time by ADP.

15 Miscellaneous

15.1 **Amendment**. This Agreement may not be modified, supplemented or amended, except by a writing signed by the authorized representatives of ADP and Client.

15.2 **Assignment**. Neither this Agreement, nor any of the rights or obligations under this Agreement, may be assigned by any party without the prior written consent of the other party, such consent not to be unreasonably withheld. However, Client may assign any or all of its rights and obligations to any other Client Group member and ADP may assign any or all of its rights and obligations to any Affiliate of ADP, provided that any such assignment shall not release the assigning party from its obligations under this Agreement. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and permitted assigns.

15.3 **Additional Documentation**. In order for ADP to perform the Services, it may be necessary for Client to execute and deliver additional documents (including reporting agent authorization, client account agreement, limited powers of attorney, etc.) and Client agrees to execute and deliver such additional documents.

15.4 **Subcontracting**. Notwithstanding Section 15.2, ADP reserves the right to subcontract any or all of the Services, provided that ADP remains fully responsible under this Agreement for the performance of any such subcontractor. For the avoidance of doubt, third parties used by ADP to provide delivery or courier services, including the postal service in any country or any third party courier service, and banking institutions, are not considered subcontractors of ADP.

15.5 **Entire Agreement**. This Agreement constitutes the entire agreement and understanding between ADP and Client with respect to its subject matter and merges and supersedes all prior discussions, agreements and understandings of every kind and nature between the parties. No party will be bound by any representation, warranty, covenant, term or condition other than as expressly stated in this Agreement. Except where the parties expressly state otherwise in a relevant exhibit, annex, appendix or schedule, in case of conflict or inconsistency between this Annex A and any such exhibit, annex, appendix or schedule, this Annex A will prevail and control. Purchase orders or statements of work submitted to ADP by Client will be for Client's internal administrative purposes only and the terms and conditions contained in any purchase order or statements of work will have no force and effect and will not amend or modify this Agreement.

15.6 **No Third Party Beneficiaries**. Except as expressly provided herein or in an applicable exhibit, annex, appendix or schedule, nothing in this Agreement creates, or will be deemed to create, third party beneficiaries of or under this Agreement. Client agrees that ADP's obligations in this Agreement are to Client only, and ADP has no obligation to any third party (including, without limitation, Client's personnel, directors, officers, employees, Users and any administrative authorities).

15.7 **Force Majeure**. Any party to this Agreement will be excused from performance of its obligations under this Agreement, except for Client's obligation to pay the fees to ADP pursuant to Section 11, for any period of time that the party is prevented from performing its obligations under this Agreement due to an act of God, war, earthquake, civil disobedience, court order, labor disputes or disturbances, governmental regulations, communication or utility failures or other cause beyond the party's reasonable control. Such non-performance will not constitute grounds for breach.

15.8 **Waiver**. The failure by any party to this Agreement to insist upon strict performance of any provision of this Agreement will not constitute a waiver of that provision. The waiver of any provision of this Agreement shall only be effective if made in writing signed by the authorized representatives of ADP and Client and shall not operate or be construed to waive any future omission or breach of, or compliance with, any other provision of this Agreement.

15.9 **Headings**. The headings used in this Agreement are for reference only and do not define, limit, or otherwise affect the meaning of any provisions hereof.

15.10 **Severability**. If any provision of this Agreement is finally determined to be invalid, illegal or unenforceable by a court of competent jurisdiction, the validity, legality or enforceability of the remainder of this Agreement will not in any way be affected or impaired and such court shall have the authority to modify such invalid, illegal or unenforceable provision to the extent necessary to render such provision valid, legal or enforceable, preserving the intent of the parties to the furthest extent permissible.

15.11 **Relationship of the Parties**. The performance by ADP of its duties and obligations under this Agreement will be that of an independent contractor and nothing contained in this Agreement will create, construe or imply an agency, joint venture, partnership or fiduciary relationship of any kind between ADP and Client. None of ADP's employees, agents or subcontractors will be considered employees, agents or subcontractors of Client. Unless expressly stated in this Agreement, none of ADP, its employees, agents or its subcontractors may enter into contracts on behalf of, bind, or otherwise obligate Client in any manner whatsoever.

15.12 Governing Law. This Agreement is governed by the laws of the State of New York without giving effect to its conflict of law provisions.

15.13 Jurisdiction. Any disputes that may arise between ADP and Client regarding the performance or interpretation of this Agreement shall be subject to the exclusive jurisdiction of the state and federal courts of New York, New York. The parties hereby irrevocably consent to the exclusive jurisdiction of the state and federal courts of New York, New York and waive any claim that any proceedings brought in such courts have been brought in an inconvenient forum. THE PARTIES HEREBY IRREVOCABLY WAIVE THEIR RIGHT TO TRIAL BY JURY.

15.14 Communications Regarding Offers. In connection with the Services, with the exception of employees and/or participants outside of the United States, ADP may from time to time identify products and/or services that will benefit Client's employees and/or participants (collectively, "Offers"). In order to extend such Offers to Client's employees and/or participants, Client agrees that ADP may use Client's employee and participant contact information, including email addresses for such purpose. Upon thirty (30) days' prior written notice, Client may elect for ADP to cease sending future Offers to its employees and/or participants. In addition, each communication sent by ADP will comply with applicable laws and will enable the recipient to opt-out of receiving additional Offers from ADP.

15.15 Counterparts. This Agreement may be signed in two or more counterparts by original, .pdf (or similar format for scanned copies of documents) or facsimile signature, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

All notices required to be sent or given under this Agreement will be sent in writing and will be deemed duly given and effective (i) immediately if delivered in person, or (ii) upon confirmation of signature recording delivery, if sent via an internationally recognized overnight courier service with signature notification requested to Client at the address indicated on the signature page hereof and to ADP at 15 Waterview Boulevard, Parsippany, New Jersey 07054, Attention: Legal Department or to any other address a party may identify in writing from time to time. A copy (which shall not constitute notice) of all such notices shall be sent to ADP at One ADP Boulevard, MS 425, Roseland, New Jersey 07068, Attention: General Counsel and to Client at the address indicated on the cover page hereof.

15.17 Survival. Those provisions which by their content are intended to, or by their nature would, survive the performance, termination, or expiration of this Agreement, shall survive termination or expiration of this Agreement.

    1.1   **ADP Employment Tax Services.** Coordination of payroll-related tax and/or regulatory agency deposits, filings, and reconciliations on behalf of employers.

    1.2   **ADP Wage Payment Services.** Payment of wages, commissions, consulting fees, or similar compensation or work-related expenses in the employment context to employees and independent contractors via direct deposit, check, or payroll debit cards, in each case to the extent the method of payment delivery is in scope, and online posting of pay statements to the extent applicable. Such services may be provided via ADPCheck Services, ADP Direct Deposit Services, and Payroll Card Services and Wisely Now Services (if Client purchases Payroll Card Services and/or Wisely Now Services, the additional terms set forth in Annex J shall apply to such services).

    1.4   **Wage Garnishment Payment Services.** Garnishment payment processing and disbursement of payments to appropriate payees as directed by client.

2 **ADP Wage Payment Services**. The following additional terms and conditions apply to the ADP Wage Payment Services:

    2.1   **Client Credentialing**. Client understands and acknowledges that the implementation and ongoing provision of Payment Services are conditioned upon Client passing (and continuing to pass) a credentialing process that ADP may deem necessary in connection with the provision of Payment Services.

    2.2   **Additional Requirements**. Payment Services may be subject to the rules and standards of any applicable clearing house, payment and/or card networks or associations. Client and ADP each agree to comply with all such rules and standards applicable to it with respect to the Payment Services.

    2.3   **Funding Obligations**. Client acknowledges that ADP is not a lender. As such, as a condition to receiving services, Client will remit or otherwise make available to ADP sufficient, good and available funds within the agreed-to deadline and via the agreed-to method of delivery to satisfy all of Client's third-party payment obligations covered by the Agreement. ADP will apply such funds to satisfy such third-party payment obligations. ADP will not be required to provide Payment Services if ADP has not received all funds required to satisfy Client's third-party payment obligations. Client will immediately notify ADP if it knows or should know that it will not have sufficient funds to satisfy the amounts required in connection with the Payment Services. If Client has a material adverse change in its condition, ADP may modify the funding method or deadline by which funds must be made available to ADP for payment to Payees. Client agrees to pay to ADP upon demand any amounts that have been paid by ADP to satisfy Client's third party payment obligations prior to receiving such amounts from Client.

    2.4   **Investment Proceeds; Commingling of Client Funds**. IF ADP RECEIVES CLIENT'S FUNDS IN ADVANCE OF THE TIME ADP IS REQUIRED TO PAY SUCH FUNDS TO THIRD PARTIES, ALL AMOUNTS EARNED ON SUCH FUNDS, IF ANY, WHILE HELD BY ADP WILL BE FOR THE SOLE ACCOUNT OF ADP. ADP may commingle Client's funds with similar funds from other clients and with similar ADP and ADP-administered funds. ADP utilizes a funds control system that maintains general ledger entries by client and/or by jurisdiction.

    2.5   **Recovery of Funds; Stop Payment Requests**. Client agrees to cooperate with ADP and any other third parties to recover funds erroneously issued or transferred to any Payee or credited to any Payee's account. If Client desires to stop payment on any check or to recall or reverse any electronic payment, Client will provide ADP with a stop payment request in the form required by ADP. Client acknowledges that ADP's placement of a stop order request is not a guarantee that such stop payment will occur.

    2.6   **ADPCheck Services.** Client agrees not to distribute any ADPChecks to Payees in a manner that would allow Payees to access the associated funds before pay date. If Client distributes any ADPChecks prior to the check date, ADP may impose an early check cashing fee against Client. With respect to ADPChecks drawn on an ADP bank account, to request a stop payment, Client shall provide ADP with a written stop payment order request in the form provided by ADP and ADP shall place a stop payment order in accordance with its standard operating procedures. Client is also responsible for any damages related to any theft of misappropriation of any ADPCheck, including by Client, its employees or payees.

    2.7   **Full Service Direct Deposit (FSDD)**. Prior to the first credit to the account of any employee or other individual under FSDD services, Client shall obtain and retain a signed authorization from such employee or individual authorizing the initiation of credits to such party's account and debits of such account to recover funds credited to such account in error.

3 **ADP Employment Tax Services.** The following additional terms and conditions apply to the ADP Employment Tax Services:

    3.1   **Important Tax Information (IRS Disclosure).** Notwithstanding Client's engagement of ADP to provide the ADP Employment Tax Services in the United States, please be aware that Client remains responsible for the timely filing of payroll tax returns and the timely payment of payroll taxes for its employees. The Internal Revenue Service recommends that employers enroll in the U.S. Treasury Department's Electronic Federal Tax Payment System (EFTPS) to monitor their accounts and ensure that timely tax payments are being made for them, and that online enrollment in EFTPS is available at www.eftps.gov; an enrollment form may also be obtained by calling (800) 555-4477; that state tax authorities generally offer similar means to verify tax payments; and that Client may contact appropriate state offices directly for details

    3.2   **State Unemployment Insurance Management.** Subject to Section 15.7 of Annex A, Client's compliance with its obligations in Sections 3.2.1 and 3.2.2 herein, and any delays caused by third parties (e.g., postal service, agency system and broker delays) and events beyond ADP's reasonable control, ADP will deliver the State Unemployment Insurance Management Services ("**SUI Management Services**") within the time periods established by the relevant unemployment compensation agencies.

3.2.1 **Provision of Information; Contesting Claims**. Client will on an ongoing basis provide ADP and not prevent ADP from furnishing all information necessary for ADP to perform the SUI Management Services within the timeframes established or specified by ADP. The foregoing information includes without limitation the claimants' names, relevant dates, wage and separation information, state-specific required information, and other documentation to support responses to unemployment compensation agencies.

3.2.2 **Transfer of Data**. Client may transfer the information described in Section 3.2.1 to ADP via: (i) on-line connection between ADP and Client's computer system, or (ii) inbound data transmissions from Client to ADP.   Client will provide the data using mutually acceptable communications protocols and delivery methods. Client will promptly notify ADP in writing if Client wishes to modify the communication protocol or delivery method.

3.2.3 Client acknowledges that ADP is not providing storage or record keeping of Client records as part of the SUI Management Services, and that if the SUI Management Services are terminated, ADP may, in conformity with Section 4 of Annex A, dispose of all such records. If the SUI Management Services are terminated, any access Client has to ADP websites containing Client's data will expire and Client will be responsible for downloading and gathering all relevant data prior to expiration of any such access that may have been granted.

4 **Employment Verification Services.** To the extent Client has not opted out of receipt of Employment Verification Services, the terms in this section will govern Client's use of the Employment Verification Services and Employee Authorized Disclosure:

4.1 **Definitions**. Unless a capitalized term used herein is defined herein, it shall have the same meaning ascribed that term in the Agreement.

4.1.1 "**FCRA**" Fair Credit Reporting Act, 15 U.S.C. §1681 et seq.

4.1.2 "**Verification Agent**" has the meaning set forth in Section 4.2.1.1

4.1.4 "**Verifiers**" has the meaning set forth in Section 4.2.1.1.

4.2 **Additional Terms**. To the extent Client has not opted out of receipt of Employment Verification Services, the following additional terms and conditions shall apply:

4.2.1 **Verification Services and Authorization as Agent.**

4.2.1.1 ADP currently provides the Employment Verification Services through The Work Number®, an Equifax Workforce Solutions service though ADP reserves the right to provide them through another entity (each, a "Verification Agent"). Notwithstanding anything to the contrary in Section 4.1 of Annex A, Client authorizes ADP and its Verification Agents to disclose, on Client's behalf, employment information (including employees' place of employment and employment status) and income information (including total wages per year to date and previous year income) of Client and Client's employees (or former employees) (collectively, "Verification Data"), to commercial, private, non-profit and governmental entities and their agents (collectively, "Verifiers"), who wish to obtain or verify any of Client's employees' (or former employees') Verification Data. Verification Data will be disclosed to Verifiers who certify they are entitled to receive such data (as described below) pursuant to the FCRA, and, in the case of income information requests, who additionally certify they have a record of the employee's consent to such disclosure or who utilize a salary key. In accordance with FCRA, Verification Data may be provided to Verifiers where (i) the employee has applied for a benefit (such as credit, other employment or social services assistance); (ii) the employee has obtained a benefit and the Verifier is seeking to (a) determine whether the employee is qualified to continue to receive the benefit; and/or (b) collect a debt or enforce other obligations undertaken by the employee in connection with the benefit; or (iii) the Verifier is otherwise entitled under FCRA to obtain the Verification Data. In certifying they have a record of the employee's consent, Verifiers generally rely on the employee's signature on the original application as authorization for the Verifier to access the employee's income data at the time of the application and throughout the life of the obligation. Client understands that Verifiers are charged for commercial verifications processed through ADP or its Verification Agents.

4.2.1.2 **Data Quality.** If requested by ADP, Client agrees to work with ADP during implementation to produce a test file and validate the Verification Data included in the Verification Services database using validation reports made available by ADP or its Verification Agents. If Client uses ADP's hosted payroll processing services, ADP will update the Verification Services database with the applicable Verification Data available on ADP's payroll processing system.

4.2.1.3 **Notice to Furnishers of Information: Obligations of Furnishers of Information ("Notice to Furnishers").** Client certifies that it has read the Notice to Furnishers provided to Client at the following URL: https://www.consumer.ftc.gov/articles/pdf-0092-notice-to-furnishers.pdf. Client understands its obligations as a data furnisher set forth in such notice and under FCRA which include duties regarding data accuracy and investigation of disputes, and certifies it will comply with all such obligations. Client further understands that if it does not comply with such obligations, ADP may correct incorrect Verification Data on behalf of Client or terminate the Employment Verification Services upon 90 days prior written notice to Client.

4.2.1.4 **Archival Copies**. Notwithstanding anything to the contrary in Annex A, Client agrees that, after the termination of this Agreement, ADP and its Verification Agents may maintain archival copies of the Verification Data as needed to show the discharge and fulfillment of obligations to Client's employees and former employees and the provisions of Section 4.1 of Annex A will continue to apply during the time that ADP and its Verification Agents maintain any such archival copies.

4.2.1.5 **Additional Termination Provisions for Employment Verification Services**. ADP may, in its sole discretion, terminate the Employment Verification Services at any time upon 90 days prior written notice to Client should a Verification Agent notify ADP that it is no longer willing to provide the Employment Verification Services and ADP, after taking commercially reasonable steps, cannot engage a successor Verification Agent.

4.2.1.6 **Employee Authorized Disclosur**e. ADP may disclose or use Personal Information of Client's employee where such employee requests and consents to the disclosure for the employee's personal benefit (e.g., to verify an employee's identity in connection with a bank account application).

1   ADP Time & Attendance Services. ADP will provide Client with those time & attendance services delivered via ADP Workforce Now including ADP Workforce Now Essential Time, ADP Workforce Now Enhanced Time or ADP Enterprise eTime ("**ADP Time & Attendance Services**"). For hosted ADP Workforce Now Enhanced Time and ADP Enterprise eTime products only, additional license terms are available at www.adp.com/tlmlicenseterms. ADP Time & Attendance Services are available for use in a limited number of countries outside the United States, although certain restrictions and requirements may apply.

2   Time & Attendance Hardware. If ADP agrees to provide Client with the data collection devices (e.g. Timeclock, HandPunch, etc.) (the "Time & Attendance Hardware") as described in the Sales Order, the following terms will apply:

2.1 If Client procures Time & Attendance Hardware, Client shall provide and maintain an installation environment (including all power, wiring and cabling required for installation) as specified in the manufacturer's product documentation and other written instructions provided to Client by ADP.

2.2 Regarding Time & Attendance Hardware provided on a subscription basis only, Client shall not make any alterations or attach any devices thereto that are not provided by ADP, nor shall Client remove same from the place of original installation without ADP's prior consent. All right and title in the Time & Attendance Hardware procured on a subscription basis is, and at all times shall remain, that of ADP and a separate item of personal property of ADP, notwithstanding its attachment to other items or real property, and promptly upon termination of the ADP Time & Attendance Services, for any reason whatsoever, Client shall, at its expense, return such Time & Attendance Hardware in good condition, in accordance with ADP's instructions, normal wear and tear excepted. If such Time & Attendance Hardware is not promptly returned, Client agrees to purchase same at fair market value. Repairs and replacements required as a result of any of the following shall not be included in any maintenance services and shall be charged at ADP's then current rates: (i) damage, defects, or malfunctions resulting from misuse, accident, neglect, tampering, unusual physical, or electrical stress, or causes other than normal or intended use; (ii) failure of Client to provide and maintain a suitable installation environment; (iii) any alterations made to or any devices not provided by ADP attached to the Time & Attendance Hardware; and (iv) malfunctions resulting from use of badges or supplies not approved by ADP.

2.3 Maintenance Fees. Maintenance services for the Time & Attendance Hardware apply automatically to Time & Attendance Hardware obtained under the subscription option (and any charges therefore are already included in the monthly time and attendance subscription fees). The costs for maintenance services for Time & Attendance Hardware under the purchase option are not included in the purchase price for such equipment; a separate annual maintenance fee applies. Client, under the purchase option, may terminate its receipt of maintenance services by providing written notice to ADP no less than thirty (30) days prior to the end of the then current annual coverage period. ADP is not required to rebate to Client any maintenance fees relating to a current or prior coverage period. (NOTE: If Client selects the purchase option but opts not to receive (or terminates) maintenance services hereunder by executing a waiver of maintenance services, any such services provided by ADP at Client's request will be subject to ADP's then current charges for such services.) No Time & Attendance Hardware maintenance is done at the Client site. Client shall bear all delivery/shipping costs and all risk of loss during shipment/delivery of Time & Attendance Hardware relating to maintenance services.

2.4 Maintenance Services. ADP will maintain the Timeclock Equipment to be free from defects in material and workmanship as follows: Any parts found to be defective (except as specifically excluded below) shall be replaced or repaired, at ADP's or its designee's option, without charge for parts or labor, provided that the Time & Attendance Hardware has been properly installed and maintained by Client and provided that such equipment has been used in accordance with this Agreement or other accompanying documentation including, but not limited to, Client's Sales Order provided by ADP or its designee and has not been subject to abuse or tampering.

2.5 Biometrics.

  2.5.2   Additional Terms. Biometric Services are optional. In certain jurisdictions, there are laws and regulations that govern the collection, use, and retention of biometric information, which potentially may apply to Client's use of Biometric Services. To the extent Client elects to use Biometric Services, Client agrees to comply with all such laws and regulations in accordance with this Agreement and Section 3.2 of the Annex A. In the event Client is unwilling to comply with laws and regulations relating to Biometric Services, Client will be able to continue to use Time & Attendance Services without Biometric Services. The following terms and conditions apply to Biometric Services to the extent Biometric Services are part of the scope of Services;

   2.5.2.1   Requirements for Receipt of Biometric Services. Before any Client or Biometric User is permitted to use any Biometric Services in a jurisdiction where laws and regulations potentially govern such use, Client will comply with the following requirements, in addition to any other requirements imposed by potentially applicable law (to the extent there is a conflict between the requirements below and the requirements of potentially applicable law, Client will comply with potentially applicable law):

2.5.2.2.3   any additional requirements as required by applicable law.

2.5.2.3   **Biometric User Notice and Consent**. Client will provide notice and procure and retain appropriate consents or releases from Biometric Users in the manner and to extent the same are required by applicable law, including:

2.5.2.3.1   notifying Biometric Users in writing that Client, its vendors, and/or the licensor of Client's time and attendance software are collecting, capturing, or otherwise obtaining Biometric Users' Biometric Data, and that Client is providing such Biometric Data to its vendors and the licensor of Client's time and attendance software; such notice will specify the purpose and length of time for which Biometric User's Biometric Data is being collected, stored, and used;

2.5.2.3.2   obtaining a written release or consent from Biometric Users (or their legally authorized representative) authorizing Client, its vendors, and licensor of Client's time and attendance software to collect, store, and use the individual's Biometric Data for the specific purpose disclosed by Client, and authorizing Client to provide such Biometric Data to its vendors and the licensor of Client's time and attendance software; and

2.5.2.5   **Storage of Biometric Data in Timeclocks.** Client agrees that it shall use a reasonable standard of care consistent with potentially applicable law to store, transmit and protect from disclosure any paper or electronic biometric data collected in timeclocks. Such storage, transmission, and protection from disclosure shall be performed in a manner that is the same as or more protective than the manner in which Client stores, transmits and protects from disclosure other confidential and sensitive information, including personal information that can be used to uniquely identify an individual or an individual's account or property, such as genetic markers, genetic testing information, account numbers, PINs, driver's license numbers and social security numbers.

2.5.3   **Third Party Beneficiary.** Notwithstanding anything to the contrary in the Agreement, Client agrees that ADP and licensor of any applicable Biometric Services (and their respective successors and assigns) are third party beneficiaries of this Agreement solely as it relates to Biometric Services.

2.5.4   **Additional Termination Provisions for Biometric Services.** If ADP determines that Client has failed to comply with any potentially applicable laws and regulations applicable to the Biometric Services, ADP may, in its sole discretion and upon notice to Client, immediately suspend or terminate the Biometric Services.

1. **FSSO Generally.** ADP will provide Client with federated single sign on capabilities ("FSSO") that will allow Client to internally control the identity management and procedures with respect to end user provisioning/de-provisioning, authenticating, authorizing and enabling its designated employees ("Participants") to access certain products and services in the U.S. from ADP under this Agreement that involve electronic communication between ADP and designated employees of Client via internet or similar computerized means (each such ADP product or service shall be referred to herein individually as an "ADP Service," and collectively as the "ADP Services"). ADP will be entitled to rely upon and to accept as authentic the credentials (as more fully described below, the "Identifying Credentials") of each Participant and then provide access to the ADP Services commensurate with the access level assigned to the Identifying Credentials by the Client.

2. **Authentication/Authorization.**
   2.1. Client will be solely responsible and liable for enforcing the terms of this FSSO Amendment with respect to the Participants. The Federated User Identity (the "FUI Feature") will be for (i) the sole purpose of creating and providing to Participants a login for accessing the intended ADP Services, and (ii) Participants' use of same will comply with all applicable laws.
   2.2. Client will be solely responsible for the establishment, implementation and oversight of the rules, requirements and procedures relating to the provisioning, de-provisioning, distribution, selection, use and safeguarding of the Identifying Credentials (such as the usernames and passwords) and for the verification of the identity of each Participant and its respective level of access authorization for each ADP Service. Client will be solely responsible for the determination of the adequacy of any and all particular security procedures and policies to be utilized with respect to the FUI Feature, including any specifics contained herein, and that ADP shall not have any responsibility to authenticate Participants or otherwise verify their identity or authorized access levels (but ADP shall nonetheless retain the right to reject assertions as provided in Section 2(h)). ADP is therefore relying on the Client to utilize 'industry best practices' in regards to server security, password policies, user provisioning and de-provisioning, and the creation of persistent, unique and static user name. Client will use the FUI Feature in accordance with the reasonable instructions and reasonable policies established by ADP from time to time and communicated to the Client.
   2.3. The Parties agree that the FUI Feature shall solely utilize "Security Assertion Mark-up Language" ("SAML") or Open ID Connect (OIDC) and the processes required thereby or any other method mutually agreed by the parties in writing. As of the date of this Agreement, detailed information applicable to SAML and its use is located at the following internet site: **https://www.oasis-open.org/standards#samlv2.0** and detailed information applicable to OIDC and its used us located at the following internet site: **http://openid.net.** Client is responsible for procuring, at its own expense, all hardware and software necessary to utilize the FUI Feature. ADP also reserves the right to further the security of the assertion or token through the use of such technologies that support digital signing. Client shall digitally sign the assertion or token being provided to ADP. This signing is in support of a trusted and non-repudiation arrangement. Exhibit A below sets forth the information to be collected, transmitted and validated as part of the assertion messages under the FUI Feature. Client agrees that it will utilize the above security methods for the secure transport to the identity consumer.
   2.4. Based upon the targeted ADP Services, those employees of Client who are administrators in connection with the receipt of ADP Services (or positions of similar purpose or intent) will be able to federate to access their personal information. For administrator functionality, such Client employees who are administrators will continue to register to ADP's identity management system in order to receive ADP credentials required for accessing and performing higher risk administrative functions.
   2.5. For SAML, Communication between ADP FSSO and Client's internal network may only occur with an X509 Certificate, issued and signed by an ADP-approved certificate authority (CA). ADP will not accept any self-signed certificates for encryption and signing purposes. For OIDC, ID Tokens must be signed using Json Web Signature [JWS].
   2.6. Client agrees to maintain the privacy of Identifying Credentials associated with ADP Services. Client is fully responsible for all activities that occur under Client's or any Participant's password. Client agrees to (i) immediately notify ADP of any unauthorized use of Identifying Credentials or the ADP Services or any other breach of security, and (ii) ensure that Client and any Participants exits the browser at the end of each federated session. ADP shall not be liable for any damages incurred by Client, any Participant or any third party arising from Client's failure to comply with this section 2.6.
   2.7. Upon request, Client can configure ADP FSSO in a Third Party Identity Provider (the "IDP"). Client shall ensure that the third party IDP adheres to all FUI Features documented herein. ADP will review with the IDP before relying on third party self-signed certificate or verify that the IDP is a certified authority with a valid certified authority certificate. Client will ensure that any IDP cooperates fully with any requests by ADP in connection with such review. ADP may, in its sole discretion, reject use by Client of any IDP or any assertions provided by such IDP at any time. Client shall be liable for, and shall indemnify ADP against, any

loss, liability, claim, damage or exposure arising from or in connection with any actions or activities by or relating to such IDP.

3. Implementation.

3.1. The Parties will, at their own respective cost and expense, work with each other in order to coordinate the testing and implementation of the FUI Feature, to include such activities as: (i) agreeing (to the extent not already agreed to herein) to the standard format for sharing authentication information between the Parties' systems; (ii) any necessary Client programming to meet the requirements of the FUI Feature; (iii) implementation of any required idle timeout, account linking, session management, and global logout techniques; (iv) joint testing of the solution; and (v) scheduling and coordinating the implementation of such solution.

3.2. The Parties will, at their own respective cost and expense, coordinate efforts to implement an end user support process which will act on the behalf of the Participants in order to investigate and answer any inquiries which may result from, relate to or be affected by the implementation or utilization of the FUI Feature.

3.3. Client will provide reasonable cooperation to assist with any additional network security features reasonably determined by ADP to be necessary to enhance the Internet facing FUI Feature.

3.4. Client agrees to immediately notify ADP of any security breach of the Client's internal system which provisions and/or stores the Participants with credentials to access the ADP Services through the FUI Feature. It is expected that the Client has an identity management system in place with appropriate security logging, retention, and transaction sharing processes in place. Client agrees to share any appropriate logs required for ADP to complete any necessary forensics in the event of a security incident. It is therefore expected that any logs would be available for at least six months. The notification referred to above may lead to the joint decision to cease all Participants' access (either directly or indirectly) to the ADP Services until the security issues are resolved to both parties mutual agreement. Client will also be willing to assist in any security breaches and or emergencies requested by ADP.

3.5. Client agrees to document for its former employees the process such former employees (provided by ADP to Client) to reregister with ADP for access to any ADP Services that the employee has the rights to beyond the employee's employment.

1 FSSO Client Indemnity. Client agrees to indemnify and hold harmless ADP from and against, and pay and reimburse ADP for any and all claims, costs, losses, damages or liabilities to the extent resulting from the utilization by Client or Participants of the FUI Feature or any unauthorized access to or use of the ADP systems or services through the FUI Feature. The foregoing obligations of Client shall not be limited by any liability provisions contained in the Agreement.

2 Termination/Transition. In the event of termination of the FUI Feature for cause by ADP, ADP will use reasonable efforts, in cooperation with Client, to convert the provision of the then continuing Covered Services to ADP's standard security authentication systems, but ADP will not be responsible for any consequences or damages to Client resulting from unavailability of the Covered Services to Client or Participants while such reasonable efforts are being made by ADP. In addition to any other termination rights under the Agreement, ADP may terminate this FSSO Amendment upon sixty (60) days prior written notice to Client in the event that ADP will no longer be supporting the ADP Services generally for clients.
