

EXECUTIVE BRIEF REGULAR MEETING

AGENDA DATE: April 9, 2020

DEPARTMENT: City Manager

TITLE:

Discussion regarding upcoming responses to the City's COVID-19 response

SUMMARY:

The discussion provides the Commission and the City Manager the ability to ask questions and seek input regarding anticipated adjustments and changes to activities and operations as the City continues its response to the COVID-19 Pandemic.

BACKGROUND AND JUSTIFICATION:

Due to the constantly changing circumstances involved in dealing with the COVID-19 Pandemic, the need to adjust, change and alter City operations is ongoing. Several of these issues will require an Administrative Order or other actions. In the interest of having a public discussion about how the City may respond, the topics below are presented. This is not intended to be a complete list.

- Coordination of Federal/State/County assistance with residents and businesses
- Food, sanitization, and household basics distribution to vulnerable populations
- City Fees and Charges (Business Licenses, Use and Occupancy)
- Landlord relationships (Beach Casino and Golf Course businesses)
- Social Distancing enforcement in the public areas
- Redevelopment Projects in process and planned

DIRECTION:

Discuss and provide input regarding the various issues and challenges which the City organization is addressing.
