

STAFF REPORT REGULAR MEETING

AGENDA DATE: June 3, 2025

DEPARTMENT: Information Technology

TITLE:

Agreement for annual Network Cybersecurity Assessment

SUMMARY:

Approve and authorize the execution of a three-year agreement for professional cybersecurity assessment services.

BACKGROUND AND JUSTIFICATION:

The Information Technology Department recommends entering into a three-year agreement with InfoSight, Inc. to provide cybersecurity assessment services. These services will support the City's ongoing commitment to enhancing cybersecurity readiness and resilience. The services to be delivered include a comprehensive multi-faceted assessment. By committing to a three-year agreement, the City will save fifteen percent (15%) compared to procuring the same services annually. This cost-effective strategy locks in favorable pricing while ensuring continuity and long-term planning for cybersecurity initiatives.

MOTION:

Move to approve/disapprove the three-year agreement for annual Network Cybersecurity Assessment.
