

**CONSTRUCTION CONTRACT**  
**(Boardwalk railing replacement)**

**THIS CONSTRUCTION CONTRACT** (“Contract”) is dated on the \_\_\_\_\_, by and between the **CITY OF LAKE WORTH BEACH**, a Florida municipal corporation (“City”) and **LAMBERT BROS, INC.**, a corporation authorized to do business in the State of Florida (“Contractor”).

WHEREAS, the CITY is a municipal corporation organized and existing pursuant to the Charter and the Constitution of the State of Florida; and

WHEREAS, the CITY issued an Invitation for Bid (IFB# 22-103) for the Beach Boardwalk railing replacement project (“IFB”), which IFB is not attached but incorporated by the reference into this Contract; and

WHEREAS, the City received three (3) responsive bids to the IFB; and

WHEREAS, Contractor was found to be the lowest, responsive and responsible bidder and was recommended for the award; and

WHEREAS, the City desires to accept the Contractor’s bid in order for Contractor to replace the boardwalk railing pursuant to the terms and conditions of this Contract; and

WHEREAS, the Contractor further warrants that it is experienced and capable of performing the tasks hereunder in a professional and competent manner; and

WHEREAS, the City finds entering this Contract with the Contractor as described herein serves a valid public purpose.

NOW THEREFORE, the City hereby engages the services of the Contractor, and in consideration of the mutual promises herein contained, the sufficiency of which is hereby acknowledged by both parties, the parties agree as follows:

**ARTICLE 1. RECITALS AND WORK.**

1.1 The Recitals set forth above are incorporated into this Contract as true and correct statements and incorporated herein as if set forth in the body of this Contract.

1.2 Contractor shall complete all Work as specified and indicated in the Contract Documents, as defined below and as set forth in **Exhibit “A”**. The Work is generally described as Boardwalk Railing Replacement project (“Project”).

**ARTICLE 2. CONTRACT TIME.**

2.1 The Work will be substantially completed within **90 calendar** days from the date of the Notice to Proceed. Final completion of the Work that includes final assembly of the railing and all punch-list items (if any) shall be within **105 calendar** days from the Notice to Proceed.

2.2 Time is of the essence under this Contract.

2.3 **LIQUIDATED DAMAGES.** The City and Contractor recognize that time is of the essence of this Contract and that the City will suffer financial loss if the work described in the Contract Documents is not completed within the times specified in paragraph 2.1 above. The City and Contractor recognize, agree and acknowledge that it would be impractical and extremely difficult to ascertain and fix the actual damages that the City would suffer in the event Contractor neglects, refuses, or otherwise fails to complete the work within the time specified. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay the City five hundred dollars (\$500.00) for each day that expires after the time specified in paragraph 2.1.

2.4 In the City's sole discretion, a requested extension of time may be denied for delays resulting from normal weather conditions prevailing in the area as defined by the average of the last five (5) years of weather recorded or otherwise established by the City.

### **ARTICLE 3. CONTRACT PRICE.**

3.1 City shall pay Contractor for completion of the Work in accordance with the Contract Documents a lump sum, not to exceed amount of **Eighty-Nine Thousand, Four Hundred Dollars (\$89,400.00)**, which shall be payable in accordance with Article 4 of this Contract. The Contract Price includes **Five Thousand Dollars (\$5,000.00)** as a contingency for unforeseen changes and additional changes requested by the City ("Contingency"). The Contractor must submit a written request to the City prior to commencing any Work to be covered by the Contingency. The City's Contract Administrator is authorized to approve in writing the use of the Contingency by the Contractor.

### **ARTICLE 4. PAYMENT PROCEDURES.**

4.1 Generally. The Contractor shall submit invoices on a monthly basis detailing all Work accomplished in the prior month, which is installed and to be used in the Project. Contractor's invoices shall be submitted to:

City of Lake Worth Beach  
Attn: Financial Services Department  
7 N. Dixie Highway  
Lake Worth Beach, FL 33460

The City's Contract Administrator will review each invoice submitted by the Contractor. If approved by the City's Contract Administrator and the Financial Services Department, the City will make payment in accordance with the Contract Documents. If not approved, the City will notify the Contractor within twenty (20) business days of the City's receipt and identify the action necessary to correct the invoice or a deficiency.

4.2 Payment to the Contractor shall be made pursuant to the Florida's Prompt Payment Act (for construction services), section 218.735, Florida Statutes, except as provided herein. Specifically, the City will withhold ten percent (10%) of each payment to the Contractor as retainage until final work completion.

4.3 Final Payment. Upon final completion and acceptance of the Work in accordance with the Contract Documents (including completion of all punch-list items) and final inspection by the appropriate agencies with jurisdiction over the Project, the Contractor shall submit a "final invoice" to the City. In order for both parties to close their books and records, the Contractor will clearly state

“FINAL” on the Contractor’s final invoice. This certifies that all Work and the Project have been properly completed, all charges have been invoiced to the City and all material suppliers have been paid in full. If paid, this account will thereupon be closed, any and other further charges if not properly included in this final invoice are waived by the Contractor. If the Contractor’s Final Invoice is approved as set forth above, the City shall pay the remainder of the Contract Price including any amount held as retainage.

4.4 Notwithstanding the foregoing, the City shall not be required to pay or release any amount of retainage that is subject of a good faith dispute, the subject of a claim brought pursuant to section 255.05, Florida Statutes, or otherwise the subject of a claim or demand by the City.

4.5 Final payment shall not become due until the Contractor and all of its subcontractors submit to the City releases and waivers of liens, and data establishing payment or satisfaction of obligations, such as receipts, claims, security interests or encumbrances arising out of the Contract Documents or otherwise related to the Project.

**4.6 Acceptance of final payment by the Contractor or a subcontractor shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final invoice.**

#### **ARTICLE 5. INDEMNITY AND INSURANCE.**

5.1 The parties recognize that the Contractor is an independent contractor. The Contractor agrees to assume liability for and indemnify, hold harmless, and defend the City, its commissioners, mayor, officers, employees, agents, and attorneys of, from, and against all liability and expense, including reasonable attorney’s fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor, its agents, officers, subcontractors, employees, or anyone else utilized by the Contractor in the performance of this Contract. The Contractor’s liability hereunder shall include all attorney’s fees and costs incurred by the City in the enforcement of this indemnification provision. This includes claims made by the employees of the Contractor against the City and the Contractor hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. The obligations contained in this provision shall survive termination of this Contract and shall not be limited by the amount of any insurance required to be obtained or maintained under this Contract.

Subject to the limitations set forth in this Section, Contractor shall assume control of the defense of any claim asserted by a third party against the City and, in connection with such defense, shall appoint lead counsel, in each case at the Contractor’s expense. The City shall have the right, at its option, to participate in the defense of any third party claim, without relieving Contractor of any of its obligations hereunder. If the Contractor assumes control of the defense of any third party claim in accordance with this paragraph, the Contractor shall obtain the prior written consent of the City before entering into any settlement of such claim. Notwithstanding anything to the contrary in this Section, the Contractor shall not assume or maintain control of the defense of any third party claim, but shall pay the fees of counsel retained by the City and all expenses, including experts’ fees, if (i) an adverse determination with respect to the third party claim would, in the good faith judgment of the City, be detrimental in any material respect to the City’s reputation; (ii) the third party claim seeks an injunction or equitable relief against the City; or (iii) the Contractor has failed or is failing to prosecute or defend vigorously the third party claim. Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third party claim and shall furnish or cause to be

furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

It is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.06, Florida Statutes, as amended. Contractor expressly agrees that it will not claim, and waives any claim, that this indemnification violates Section 725.06, Florida Statutes. Nothing contained in the foregoing indemnification shall be construed as a waiver of any immunity or limitation of liability the City may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

5.2 Prior to commencing any services, Contractor shall provide proof of insurance coverage as required hereunder. Such insurance policy(s) shall be issued by the United States Treasury or insurance carriers approved and authorized to do business in the State of Florida, and who must have a rating of no less than “excellent” by A.M. Best or as mutually agreed upon by the City and Contractor. All such insurance policies may not be modified or terminated without the express written authorization of the City.

<u>Type of Coverage</u>	<u>Amount of Coverage</u>
Commercial general liability (Products/completed operations Contractual, insurance broad form property, Independent Consultant, personal injury)	\$1, 000,000 per occurrence  \$2,000,000 annual aggregate
Automobile (owned, non-owned, & hired)	\$ 1,000,000 single limits
Worker’s Compensation	\$ statutory limits

The commercial general liability and automobile liability policies will name the City as an additional insured on a primary, non-contributing basis, and proof of all insurance coverage shall be furnished to the City by way of an endorsement to same or certificate of insurance prior to the provision of services. The certificates shall clearly indicate that Consultant has obtained insurance of the type, amount, and classification as required for strict compliance with this section. Failure to comply with the foregoing requirements shall not relieve Consultant of its liability and obligations under this Agreement.

**ARTICLE 6. TERMINATION.**

6.1 TERMINATION BY CITY: The City (through its City Manager or designee) may terminate the Contract Documents if the Contractor:

1. refuses or fails to supply enough properly skilled workers or proper materials;
2. fails to prosecute the Work in a timely manner;

1. take possession of the site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by or paid for by the City; and,

The Contractor shall be liable for any damage to the City, including additional attorney and engineering/architectural fees, resulting from the Contractor's termination under this provision by the City, including but not limited to, and any increased costs incurred by the City in completing the Work.

When the City terminates the Contract for one of the reasons stated above, the Contractor shall not be entitled to receive further payment, if any, until the Work is finished.

Should it be determined by a mediator or a court of competent jurisdiction that the City wrongfully terminated the Contract, then the Contractor agrees to treat such termination as a termination for convenience.

**6.2 TERMINATION BY THE CITY FOR CONVENIENCE:** The City may, at any time, terminate the Contract Documents for the City's convenience and without cause. Upon receipt of written notice from the City of such termination for the City's convenience, the Contractor shall:

1. cease operations as directed by the City in the notice;
2. take actions necessary, or that the City may direct, for the protection and preservation of the Work; and
3. except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

In case of such termination for the City's convenience, the Contractor shall be entitled to receive payment for Work executed and reasonable costs incurred by reason of such termination including termination payments to subcontractors and demobilization costs.
