

# EXECUTIVE BRIEF UTILITY MEETING

**AGENDA DATE:** March 29, 2022

**DEPARTMENT:** Water Utilities

**TITLE:**

Agreement with Florida Department of Transportation for utility relocations for the SR-9/I-95 @ 6<sup>th</sup> Avenue South Project

**SUMMARY:**

This Agreement authorizes Florida Department of Transportation (FDOT) to relocate, adjust or remove water and sewer utility facilities as part of the SR-9/I-95 @ 6<sup>th</sup> Avenue South project.

**BACKGROUND AND JUSTIFICATION:**

FDOT is designing a roadway project at the 6<sup>th</sup> Avenue South and I95 Interchange. In order to complete the design to meet the FDOT standards, level of service and drainage necessary, FDOT needs several water and sewer utility relocations, adjustments or removals. City staff has worked with FDOT to design plans to accommodate the new roadway. The plans include removal and installation of pipe, adjustment of valve boxes, water services and sewer laterals, and manhole adjustments. This agreement provides the City's approval for FDOT to relocate its water and sewer utilities per the agreed upon plans and that FDOT will pay the cost for the work.

**MOTION:**

Move to approve/disapprove Agreement with Florida Department of Transportation for utility relocations for the SR-9/I-95 @ 6<sup>th</sup> Avenue South Project.
