

STAFF REPORT REGULAR MEETING

AGENDA DATE: April 21, 2026

DEPARTMENT: Leisure Services

TITLE:

Bryant Park Fitness Court Purchase Order

SUMMARY:

The Leisure Services Department requests approval for the Bryant Park Fitness Court Purchase Order

BACKGROUND AND JUSTIFICATION:

The Leisure Services Department was approved for Capital Improvement Projects AP2403 and AP2602 for the Fitness Park Installation at South Bryant Park in the FY26 Budget and is requesting release of funding for the Bryant Park Fitness Court.

Capital Improvement Projects AP2403 and AP2602 were approved for \$75,000 and \$125,000 for a total of \$200,000 in the FY26 Budget. The Leisure Services Department presented the design concept on February 3, 2026, received approval and has been in contact with National Fitness Campaign Fitness Court which promotes building community through a mobile app, local artist program and sponsorship support to provide design options for a new outdoor fitness court.

Approval is being sought for the National Fitness Campaign purchase order for \$170,000 for fitness end items and \$30,000 for installation of the new equipment, totaling \$200,000. Installation will be handled by a preferred vendor of the equipment provider and approved by the City Manager. The purchase order includes a local art component. The local artist rendering selection is tentatively an April 21, 2026 agenda item.

The maintenance plan includes weekly inspections by our Parks Superintendent, along with comprehensive inspections of playground and fitness equipment every 4–6 weeks. These inspections include inventorying all components, checking for broken or missing parts, verifying the integrity of connections, assessing surfacing levels, and examining the condition of ropes and chains.

At the April 7, 2026 regular meeting, the City Commission approved the tabling of this until the April 21, 2026, regular meeting.

*Note: the concrete foundation slab is quoted at \$45,000 dollars which is being presented as a budget amendment; therefore, the all-in cost of the fitness park is \$245,000. The contract for the foundation work will be approved by the City Manager.

MOTION:

Move to approve/disapprove the Purchase Order with National Fitness Campaign, the installation cost, and the concrete foundation slab cost.
