**INTEREST/ACTIVITIES**

I like outdoor activities; woods and mountain hiking, kayaking, tubing, and boating. I also enjoy coin collecting and art collecting. I enjoy the art events throughout South Florida.

**COMMUNITY INVOLVEMENT**

I participate in Neighborhood Association meetings. At one time I served on the Board of Bryant Park Neighborhood Association, about six years ago. I attend various formal Neighborhood trash pick-up events or Earth Day events to clean up the shoreline, as recent examples. I served for short period on P&Z Board about five years ago. Presently serving on the Historic Resources Preservation Board for about a year, and was appointed by Commissioner Malega. Also, I continually collect from my daughters and from other Miami moms lots of practically new baby and children's clothing, toys, and other items, to donate to the Mayan Center. These are donated directly at the site, going directly to the mothers and children (no thrift selling or resale).

**6. A - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

The first choice is the Historic Resources Preservation Board. I believe that I understand what this town desires in keeping the cottage and "old Key West" style, look, and feeling, and the Historical Resources Preservation Board is where I can express that belief. I also have the economic, financing, and general business risk analytical experience to understand what a person restoring a property will be facing.

**6. B - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

CRA. As a career banker, I understand economic development, project risks, and analyzing various risk factors associated with any project being considered by the City/CRA. As a part-time Real Estate agent I have witnessed the Covid and Post-Covid Real Estate environment, exacerbated by inflation, and its effects on rising home prices and rising rents. I believe I understand some of the needs of LWB citizens, the needs of the City Government, and the realities facing our Town. We must place the current citizens first, with a focus on affordable homeownership and available housing units. We must pay attention to our elderly fixed-income residents and assist them with housing

**6. C - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)**

Any of the other Boards would be fine and do not have a particular preference. If there is an established Board for Business/Tourism I would like to be part of that Board. We do need to focus on attracting new businesses into our community with good-paying jobs from Hotels, medical services, artisan, and small tech firms.

**CONSENT**

I agree to the privacy policy.

I understand the responsibilities associated with being a board/committee member, and I have adequate time to serve if appointed.

I have read the attached Ordinance No. 2010-29 and Article XIII (Palm Beach County) Code of Ethics and understand the policy on the City of Lake Worth Beach Code of Ethics. Within 30 days after appointment, I understand that I am required to participate in Ethics Training and submit an Acknowledgement of Receipt form to the City Clerk's Office in order to continue to serve on my appointed board.

\*THIS APPLICATION IS VALID FOR ONE (1) YEAR FROM THE DATE SIGNED ABOVE.
