WORK EXPERIENCE

I am a life long public servant in Federal, State and Local Agencies implementing an environmental mission. I implemented the Clean Water Act and Safe Drinking Water Act for the Environmental Protection Agency from 1991 to 2007. From 2007 - 2019, I implemented the Water Restoration programs of the Florida Department of Environmental Protection finishing as the Deputy Secretary for Ecosystem Restoration. For the previous three years, I have served as the Executive Director of the South Florida Water Management District.

I am very proud to direct the 1,450 member staff and \$1+ Billion budget to make a difference for South Florida's ecosystems from the Everglades to the estuaries. My approach to public service is engaging all interested community members to implement supported actions and activities that make a positive difference for our communities and the environment.

INTEREST/ACTIVITIES

At the moment, enjoying Lake Worth Beach and the natural resources of South Florida. Lissie (my wife) and I enjoy hosting visitors and showing them the Beach, Loxahatchee Refuge, and other destinations. Then eating brunch at The Pelican, visiting Matthews Brewery, and enjoying all the other eateries and festivals Lake Worth Beach has to offer. I have spent the last two pandemic years personally landscaping our house and adjacent vacant lot on North L Street. We will begin traveling again with our first trip being southern Spain.

COMMUNITY INVOLVEMENT

Board Member, Community Redevelopment Agency
Active Member, St. Andrews Episcopal Church
Sponsor, Street Painting Festival
Member, Mango Groves Homeowners Association

6. A - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)

I was serving on the Board during the 2020 City Commission elections and advocated that the CRA suspend the L&M project to conduct community engagement on future of the properties. Many Board meeting discussions and City Commission meetings later, the Charrette and Public Workshop is underway. I want to see the effort through so that the future of the L&M project, and other CRA projects, mesh with the vision of the community as represented by the City Commission.
