INTEREST/ACTIVITIES

I have a wide range of interests that I have included in my attached resume.

My interest in the health of our planet and the integral part that trees play toward the preservation of all life on earth is great. I have worked to educate myself regarding their nature, and their resilience with an ever-increasing zeal. I believe that animal life is indebted to plant life in every possible way and we need to ensure their preservation for the good of all life.

COMMUNITY INVOLVEMENT

I have been an integral part of every community I have lived in as a parent volunteer in the schools, as a runner raising funds for myriad causes, as a supporter of the arts, as a supporter of animals and their environments which we continue to reduce. I served as a Guardian Ad Litem for several years representing the best interest of abused and/or neglected children in the Juvenile Court System, one of the most difficult assignments I ever held.

6. A - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)

I believe that this is an assignment that requires a determination to seek facts above all things. Facts that will determine how best to proceed regarding any tree whose future will be determined by those who will be assigned to this body. I am dedicated to research in behalf of answers based on science and ethical action.

6. B - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)

I believe that it is important to select individuals who will be independent thinkers, who will not be swayed or pressured by affiliation with others. I am such an individual.

6. C - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)

I believe that any assignment whether paid or unpaid requires an equal commitment of energy and evaluation without exception.
