WORK EXPERIENCE

Much of my career has been in financial services, in the commercial and residential mortgage servicing space focused primarily on risk management, governance and compliance. In addition, I've taken a couple of detours from corporate into the non profit space.

I'm currently on sabbatical, and am working to pivot away from the corporate world to more community focused work.

INTEREST/ACTIVITIES

Florida's incredible natural areas are my favorite way to spend spare time. Hiking, biking or kayaking are all things I enjoy, especially in a natural area. I'm married and have two dogs who are very social and love going out in downtown LWB.

I'm especially interested in history, politics, and society. I feel strongly that we can do more to help the most vulnerable among us.

My hobbies are making stained glass art, reading, and traveling.

COMMUNITY INVOLVEMENT

From 2019- 2020 I worked with Hospitality Helping Hands, first on disaster relief in the Bahamas after hurricane Dorian, and then feeding hungry people here in Palm Beach County, in West Palm Beach and Lake Worth. I've volunteered with Feeding South Florida sorting and packing food, picking fruit for the food bank, and serving food to people in need. I also participated in Christmas in Pahokee, a volunteer event designed to bring a Christmas to children in Pahokee who may not have anything to eat or gifts under their tree. I recently began volunteering again and plan to continue that work going forward.

6. A - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)

As mentioned, I'm currently on sabbatical and in process of a professional pivot to work which is more community focused. I am particularly interested in the CRA for the opportunity to contribute in a way that I see as very impactful to the community, and to work with our city leaders to help shape our dynamic future.

6. B - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)

I believe my experience and priorities would be an asset to the CRA, and I welcome the opportunity to become deeply involved with the work of the agency, and to help build on the work already done. I believe in smart growth, and I think Lake Worth Beach has an opportunity at this juncture to improve the community for the better but maintain our small city, historical charm.

6. C - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)

I've been critical of government as most people are, but I have also worked in spaces with a view to how government works. It takes the active, consistent, and informed participation of its citizens. I am ready to drop my criticism and do the work that I know is not easy, but is so very necessary. I love LWB, and I want to contribute to our collective good.
