WORK EXPERIENCE

For the past ten years I have spent my time as a stay at home/homeschooling mom and running Kayak Lake Worth with my husband. In our business I focus on educational programming and tours for both children and adults. Our main focus is on educating the public about the Lake Worth Lagoon and the Snook Islands in particular and as a result we have learned quite a bit about local history and ecology.

INTEREST/ACTIVITIES

Learning and exploring local parks and natural areas, child learning and development, anything health related, animals, photography, gardening with a focus on natives, swimming, paddling, tennis, reading and writing.

COMMUNITY INVOLVEMENT

Over the years we have managed 15-20 clean ups in the Snook Islands removing an estimated 2,000 lbs of litter.

We belong to many homeschool groups in the area.

I also work part-time at the Delray Beach Children's Garden where we received a grant to offer Title One schools the opportunity to take a field trip to the garden. We had kids in grades K-3 from the Palm Beach Maritime Academy enjoy and learn in the community garden. Most of these kids were from right here in Lake Worth, I would love to see something like this available to them here, right where they live.
