WORK EXPERIENCE	I work for the American Chemical Society (ACS), where I manage the society and media relations team. I was a high school chemistry teacher for 10 years and launched an organization to support teachers of chemistry. I have also edited chemistry textbooks and a magazine, all publications of ACS. I have a passion for science and literacy, and I value the local library as an essential hub of all towns.

INTEREST/ACTIVITIES

I am a runner, reader, amateur chef/baker, sewer, mom, and wife. I love being outdoors and spending time with my family.

COMMUNITY INVOLVEMENT

I have been on the library board for a number of years, and find joy providing input to the city. I was under the impression my term had been renewed upon expiration last year, and I would really like to continue serving on the board.

6. A - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)

The library is an important center of the city. I have a three year old, and he loves going to the library. As he grows, I would love to provide input of how to better the facility to meet needs of him and his peers. I also like having a connection to our city through the lens of the library.

I agree to the privacy policy.

I understand the responsibilities associated with being a board/committee member, and I have adequate time to serve if appointed.

I have read the attached Ordinance No. 2010-29 and Article XIII (Palm Beach County) Code of Ethics and understand the policy on the City of Lake Worth Beach Code of Ethics. Within 30 days after appointment, I
