THIS AGREEMENT, (the “Agreement”) with an effective date of **October 1, 2024** (“Effective Date”), by and between **Palm Beach County** (“County”), a political subdivision of the State of Florida, and the **City of Lake Worth Beach**, a Municipality duly organized and existing by virtue of the laws of the State of Florida, having its principal office at **7 North Dixie Highway, Lake Worth Beach, FL 33460** (“Subrecipient”).

7. **CIVIL RIGHTS COMPLIANCE AND NON-DISCRIMINATION POLICY**

The County is committed to assuring equal opportunity in the award of Agreements and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2017-1770, as may be amended, the Subrecipient warrants and represents that throughout the term of the Agreement, including any renewals thereof, if applicable, all of its employees will be treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or expression, or genetic information. Failure to meet this requirement shall be considered default of the Agreement.

As a condition of entering into this Agreement, the Subrecipient represents and warrants that it will comply with the County's Commercial Nondiscrimination Policy as described in Resolution 2017-1770, as amended. As part of such compliance, the Subrecipient shall not discriminate on the basis of race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity or expression, disability, or genetic information in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall the Subrecipient retaliate against any person for reporting instances of such discrimination.

The Subrecipient shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the County's relevant marketplace in Palm Beach County.

The Subrecipient understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification or debarment of the company from participating in County contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. Subrecipient shall include this language in its subcontracts.

13. **DATA BECOMES COUNTY PROPERTY**

All reports, plans, surveys, information, documents, maps, and other data prepared, assembled, or completed by the Subrecipient for the purpose of this Agreement shall be made available to the County at any time upon request by the County, DHED, or the Palm Beach County Inspector General's office, as indicated herein. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to DHED if requested. In any event, the Subrecipient shall keep all documents and records for five (5) years after expiration of this Agreement.

The Subrecipient shall deliver to the County's representative for approval and acceptance, and before being eligible for final disbursement of any funds due, all documents and materials prepared for the County under this Agreement.

To the extent allowed by Chapter 119, Florida Statutes, all written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the County or at its expense will be kept confidential by the Subrecipient and will not be disclosed to any other party, directly or indirectly, without the County's prior written consent unless required by a lawful court order. All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this Agreement for or at the County's expense shall be and remain the County's property and may be reproduced and reused at the discretion of the County.

All covenants, agreements, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby.

Notwithstanding any other provision in this Agreement, all documents, records, reports and any other materials produced hereunder shall be subject to disclosure, inspection and audit, by the Office of the Inspector General pursuant to the Palm Beach County Code Section 2-421 – 2-440, as amended.

14. INDEMNIFICATION

Subrecipient shall protect, defend, reimburse, indemnify and hold County, its agents, employees and elected officers harmless from and against all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during and as a result of the Subrecipient's performance of the terms of this Agreement or due to the acts or omissions of Subrecipient. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statute, section 768.28. The Subrecipient shall indemnify the County for funds which the County is obligated to refund the Federal Government arising out of the conduct of activities and administration of the Subrecipient.

15. INSURANCE BY SUBRECIPIENT:

The Subrecipient further represents that no person having any such conflict of interest shall be employed for said performance of services.

The Subrecipient shall promptly notify the County's representative, in writing, by certified mail, of all potential conflicts of interest of any prospective business association, interest or other circumstance which may influence or appear to influence the Subrecipient's judgement or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the Subrecipient may undertake and request an opinion of the County as to whether the association, interest or circumstance would, in the opinion of the County, constitute a conflict of interest if entered into by the Subrecipient.

The County agrees to notify the Subrecipient of its opinion within thirty (30) days of receipt of notification by the Subrecipient. If, in the opinion of the County, the prospective business association, interest or circumstance would not constitute a conflict of interest by the Subrecipient, the County shall so state in the notification and the Subrecipient shall, at its

option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the County by the Subrecipient under the terms of this Agreement.

However, these paragraphs shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment and participation of Low and Moderate-Income Persons of the Project's target area.

17. RECOGNITION

The Subrecipient shall include a reference to the financial support herein provided by the County in all publications and publicity events, and provide the County copies of all such publications. 37. COUNTERPARTS OF THE AGREEMENT

This Agreement, including the exhibits referenced herein, may be executed in one or more counterparts, all of which shall constitute collectively one and the same Agreement. The County may execute the Agreement through electronic or manual means. Subrecipient shall execute by manual means only, unless the County agrees otherwise. A copy of this Agreement shall be filed with the Clerk of the Circuit Court in and for Palm Beach County.

38. E-VERIFY EMPLOYMENT ELIGIBILITY

Subrecipient warrants and represents that it is in compliance with section 448.095, Florida Statutes, as may be amended, and that it: (1) is registered with the E-Verify System (E-Verify.gov), and uses the E-Verify System to electronically verify the employment eligibility of all newly hired workers; and (2) has verified that all of Subrecipient's contractors, subcontractors and or subconsultants performing the duties and obligations of this Agreement are registered with the E-Verify System, and use the E-Verify System to electronically verify the employment eligibility of all newly hired workers.

Subrecipient shall obtain from each of its contractors, subcontractors and or subconsultants an affidavit stating that the contractor, subcontractor and or subconsultant does not employ, contract with, or subcontract with an Unauthorized Alien, as that term is defined in section 448.095(1)(k), Florida Statutes, as may be amended. Subrecipient shall maintain a copy of any such affidavit from a contractor, subcontractor and or subconsultant for, at a minimum, the duration of the subcontract and any extension thereof. This provision shall not supersede any provision of this Agreement which requires a longer retention period.

County shall terminate this Agreement if it has a good faith belief that Subrecipient has knowingly violated Section 448.09(1), Florida Statutes, as may be amended. If County has a good faith belief that Subrecipient's contractor, subcontractor and or subconsultant has knowingly violated section 448.09(1), Florida Statutes, as may be amended, County shall notify Subrecipient to terminate its contract with the contractor, subcontractor and or subconsultant and Subrecipient shall immediately terminate its contract with the contractor, subcontractor and or subconsultant.

If County terminates this Agreement pursuant to the above, Subrecipient shall be barred from being awarded a future Agreement by County for a period of one (1) year from the date on which this Agreement was terminated. In the event of such Agreement termination, Subrecipient shall also be liable for any additional costs incurred by County as a result of the termination.

39. **CDBG SPECIFIC REQUIREMENTS**

- A. **Compliance**: The Subrecipient shall comply with the requirements of Title 24 of the Code of Federal Regulations, Part 570 (the U.S. Housing and Urban Development regulations concerning Community Development Block Grants (CDBG), including subpart K of these regulations, except that (1) the Subrecipient does not assume the County's environmental responsibilities described in 24 CFR 570.604 and (2) the Subrecipient does not assume the County's responsibility for initiating the review process under the provisions of 24 CFR Part 52.

This Agreement is not to substitute for or replace existing or planned projects or activities of the Subrecipient. The Subrecipient agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement, which is not less than that level existing prior to this Agreement. **The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.**

- B. **Evaluation and Monitoring**: The Subrecipient agrees that DHED will carry out periodic monitoring and evaluation of activities as determined necessary by DHED or the County. Any disbursement of funds, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based on the terms of this Agreement. Due to the regulatory requirements, the performance requirements of this Agreement, and as detailed in Exhibit "A" will be closely monitored by DHED. **Substandard performance, as determined by DHED, will constitute noncompliance with this Agreement.**

The Subrecipient agrees to furnish upon request to DHED, the County, or the County's designees copies of transcriptions of such records and information as is determined necessary by DHED or the County. The Subrecipient shall submit status reports required under this Agreement on forms approved by DHED to enable DHED to evaluate progress. The Subrecipient shall provide information as requested by DHED to enable DHED to complete reports required by the County or HUD. The Subrecipient shall allow DHED, the County, or HUD to monitor the Subrecipient on site. Such visits may be scheduled or unscheduled as determined by DHED or HUD.

Upon request, DHED shall provide a monitoring checklist which contains the minimum monitoring measures to be used by the County and is similar to the formal checklist the County will use during its formal monitoring visit(s). Other measures of monitoring may also be utilized.

- C. Program Income: The Subrecipient shall report annually to DHED all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with CDBG funds made available under this contract. The use of program income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subrecipient may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to the Subrecipient at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the Subrecipient.
- D. Opportunities: To the greatest extent feasible, lower-income residents of the Project areas shall be given opportunities for training and employment; and to the greatest extent feasible, eligible business concerns located in or owned in substantial part by persons residing in the Project areas shall be awarded contracts in connection with the Project.

The Subrecipient shall comply with the Section 3 Clause of the Housing and Community Development Act of 1968. In the procurement of supplies, equipment, construction, or services to implement this Agreement, the Subrecipient shall make a positive effort to utilize small business and minority/women-owned business enterprises for supplies and services, and provide these sources the maximum feasible opportunity to compete for contracts to be performed pursuant to this Agreement.

To the maximum extent feasible, these small business and minority/women-owned business enterprises shall be located in or owned by residents of the CDBG areas designated by Palm Beach County in the Consolidated Plan approved by HUD.

- E. Citizen Participation: The Subrecipient shall cooperate with DHED in the implementation of the Citizen Participation Plan, as defined by HUD, by establishing a citizen participation process to keep residents and/or clients informed of the activities the Subrecipient is undertaking in carrying out the provisions of this Agreement. Representatives of the Subrecipient shall attend meetings and assist in the implementation of the Citizen Participation Plan, as requested by DHED.
- F. Reduction in funding: In the event the grant to the County under Title I of the Housing and Community Development Act of 1974 (as amended) is reduced, suspended, or terminated by HUD, this Agreement will be amended, or terminated as provided herein, to reflect the funding reductions imposed by HUD and the reduction in the number of beneficiaries commensurate with the revised funding level.
- G. Drug-Free Workplace: The Subrecipient shall provide a drug and alcohol free environment by developing policies and carrying out a drug-free program in compliance with the Drug-Free Workplace Act of 1988.

- H. Religious Activities: CDBG funds may be used by religious organizations or on property owned by religious organizations only in accordance with provisions specified in 24 CFR 570.200(j), and only with prior written approval from DHED. The Subrecipient agrees that funds provided under this Agreement will not be utilized for religious activities, to promote religious interests, or for the benefit of a religious organization.
- I. Discharge of Beneficiaries: The Subrecipient agrees to develop and implement to the maximum extent practical and, where appropriate, written policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or corrections programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. In lieu of developing written policies, the Subrecipient may adopt an existing countywide discharge plan, with approval from DHED.

40. INCORPORATION BY REFERENCE

Exhibits attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference. To the extent of a conflict between the terms of this Agreement and Exhibit "A", the terms of the Agreement shall govern. To the extent that any provision of this Agreement or any Exhibit conflict with the terms of 2CFR Part 200 as shown in Exhibit "B", the terms of Exhibit "B" shall govern.

41. ENTIRE UNDERSTANDING

The County and the Subrecipient agree that this Agreement sets forth the entire understanding between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto.

EXHIBIT "A"

CAPITAL PROJECT
SCOPE OF WORK

A. **PROJECT SCOPE:** The scope of work for **the renovation improvements at the Youth Empowerment Learning Center** shall include, but not be limited to remodeling the building interior and exterior components, amenities, upgrades to meet ADA compliance and landscaping. Improvements typical of educational facility renovation type projects are deemed eligible, along with restoration of areas disturbed by the installation of the above improvements. The scope of the herein improvements may be modified based on the availability of CDBG and/or City funds.

Project Area: The proposed location of the improvements noted herein is as follows:

- Improvements are located at 1699 Wingfield Street, Lake Worth Beach, FL 33460 on the Osbourne Community Center Campus and south of the Community building.

The exact geographic limits of the project may be more or less than the area noted above depending on the availability of CDBG and local funds and the bid pricing.

Procurement process and contract award for all goods and services shall be in compliance with the City's Procurement Code, 2 CFR Parts 184 and 200 and all regulations applicable to CDBG funding and this Agreement.

In the event specifications for goods, services and or construction activities are required, the following shall apply:

(1) Should the Subrecipient use a brand name or multiple brand names in its bid package/drawings/ specifications for this project, then these documents shall:

- (a) Clearly note that specified brand name(s) are used for descriptive purposes only,
- (b) State that "equal" equipment or materials will be accepted, and
- (c) Identify the minimum requirements to establish equality.

(2) The Subrecipient shall prepare a bid package complete with drawings, specifications, and any items required for a competitive bid of the project. The bid process shall not allow for any local procurement preferences with regard to contract award. **The Subrecipient's advertisement for bid shall contain language noting that the project is federally funded through funds provided by Palm Beach County via of the US Department of HUD, and that Davis-Bacon and Related Acts and wage rates apply. The advertisement shall also encourage participation by MBE/WBE, Section 3 businesses, meet requirements of the Build America, Buy America Act (2 CFR Part 184) and the Uniform Administrative Requirements (2 CFR Part 200).**

Following the bid process, the Subrecipient shall submit to DHED a copy of the bid document package including any addendums, a notice of contract award, a copy of the executed construction contract, and documentation regarding any protests filed regarding the bids.

Prior to the Subrecipient's first reimbursement, DHED shall review the Subrecipient's procurement process and contract award to determine compliance with 2 CFR Parts 184 and 200 and all regulations applicable to CDBG funding and this Agreement.

(3) The Subrecipient shall prioritize the work in the project, and shall bid such work in a manner that requires the receipt of itemized costs from bidders. This would then allow the award of items that can be funded by the budget provided that the extent of work awarded will result in a functioning facility in the opinion of DHED.

(4) The Subrecipient shall not award the construction contract for the project until sufficient funding is available to complete the established scope of work. All construction work shall be included in one contract.

(5) Should the amount of eligible costs exceed the amount to be funded by the County through this Agreement, then the Subrecipient shall fund all amounts in excess of the amount to be funded by the County.

(6) The Subrecipient shall inform DHED of any environmental findings or conditions discovered during project implementation. Applicable mitigation measures must be incorporated into the project by the Subrecipient in order to proceed with the project. Such mitigation measures may affect the total project cost. Where funds are not available from the CDBG allocation contained herein, the Subrecipient shall be responsible for all costs of mitigation.

(7) The Subrecipient shall recognize Palm Beach County as a funding participant in the project's implementation and shall affix the County's logo to any project sign on the project site during the construction process. The Subrecipient shall also acknowledge the County's participation whenever the situation presents itself.

The Subrecipient further agrees that DHED, in consultation with any parties it deems necessary, shall be the final arbiter on the Subrecipient's compliance with this Agreement's requirements and shall make the final determination of the Subrecipient's compliance with applicable regulations governing the CDBG funding of this project.

B. PROFESSIONAL SERVICES: The Subrecipient, using its own resources, may retain a Florida professional consultant to provide design services to create plans and specifications for the interior and exterior renovations at the Youth Empowerment Learning Center, located within the City of Lake Worth Beach. Additionally, the Subrecipient and consultant shall prepare, obtain and review bids, prepare contract documents, inspect work

in progress, recommend payment to contractors, and provide other professional services customarily provided by similar professionals for this type of project. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, should abatement become necessary.

Alternatively, the Subrecipient shall have the option of performing any portion of the consultant's services described above by its own staff provided such staff possess the necessary competency to do so. All costs associated with the above services shall be paid for by the Subrecipient.

C. FUNDS DISBURSEMENT TO SUBRECIPIENT

The County agrees to disburse Grant Funds on a reimbursement basis to the Subrecipient for all budgeted costs permitted by Federal, State, and County guidelines. The Subrecipient shall not request reimbursement for work performed and/or payments made by the Subrecipient, before the Effective Date of this Agreement, nor shall it request reimbursement for payments made after the Expiration Date of this Agreement, and in no event shall the County provide advance funding to the Subrecipient or any subcontractors hereunder.

The Subrecipient shall request disbursements of funds from the County by submitting to DHED proper documentation of expenditures consisting of originals of invoices, receipts, or other evidence of indebtedness, and when original documents cannot be presented, the Subrecipient may furnish copies if deemed acceptable by DHED. Each request for disbursement submitted by the Subrecipient shall be accompanied by a letter from the Subrecipient, provided on the Subrecipient's letterhead, referencing the name of the project funded herein, the date of this Agreement and/or its document number, and containing a statement requesting the disbursement and its amount, as well as the name and signature of the person making the request. Disbursement shall be made by the Palm Beach County Finance Department upon presentation of the aforesaid proper documentation of expenditures as approved by DHED.

The Subrecipient may at any time after the expiration of this Agreement request from the County reimbursement for payments made by the Subrecipient during the term of this Agreement by submitting to DHED the aforesaid proper documentation of expenditures, and provided that DHED has determined that the funds allocated to the Subrecipient through this Agreement are still available for payment, and provided that DHED approves such payment, the Palm Beach County Finance Department shall make payment as stated above.

D. PERFORMANCE REQUIREMENTS: The time-frame for completion of the outlined activities shall be as follows:

Award Construction Contract by:	March 31, 2025
Submit for 50% Reimbursement of CDBG Funds by:	July 15, 2025
Complete Construction by:	November 30, 2025
Submit for 100% Reimbursement of CDBG funds by:	December 31, 2025

If unforeseen circumstances occur that prevent the Subrecipient from meeting the performance dates and revisions are required thereto, the Subrecipient shall request, in writing, that the dates used as performance requirements listed above be revised/amended. The County Administrator, or DHED Director may, at his/her sole discretion, revise/amend the performance dates via written notification to the Subrecipient. The Completion Date for all activities may be revised only by an Amendment to this Agreement.

The Subrecipient may be subject to decrease and/or recapture of project funds by the County if the above Performance Requirements are not met. Failure by the Subrecipient to comply with these requirements may negatively impact Subrecipient's ability to receive future grant awards.

E. ASBESTOS REQUIREMENTS: The Subrecipient shall comply with all applicable requirements contained in Schedule "II", attached hereto, for construction work in connection with the project funded through this Agreement.

F. DAVIS-BACON AND RELATED ACTS (DBRA):

The Davis-Bacon Act Coverage applies to contracts in excess of \$2000 to which the Federal Government or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works and requires that contractors and subcontractors pay their laborers and mechanics employed under such contracts no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area. The Subrecipient shall request from the County a copy of the Requirements for Federally Funded Projects and the applicable DBRA Wage Decision for the project PRIOR to advertising the construction work. The Subrecipient shall incorporate a copy of the DBRA Wage Decision and the Final Rule Requirements for Federally Funded Projects in its bid documents and shall include these documents as part of the construction contract. The Subrecipient shall require the contractor to include these Federal Requirements and Wage Decision(s) in all subcontracts for the work performed under the construction contract.

The Subrecipient shall perform all tasks required for DBRA compliance, including, but not limited to the following:

- (1) Compliance with applicable DBRA Wage Decisions(s) or salaries per trade.
- (2) Use of the Labor Compliance Reporting System (LCRS) to record work performed.
- (3) Contractor and sub-contractor debarment affidavits.

The Subrecipient shall certify, at the time they request a reimbursement from DHED that payrolls from the contractor and sub-contractors are current, have been reviewed and approved by Subrecipient staff, and that any DBRA compliance issues have been or are in the process of being resolved. The Subrecipient shall review and approve payrolls through the Labor Compliance Reporting System prior to submitting a reimbursement request to DHED. **Prior to release of Retainage/Final Payment the Subrecipient shall provide to DHED, proof in writing that the project meets DBRA compliance and all workers have been paid in accordance with DBRA requirements.**

DHED may monitor the Subrecipient, its contractors, and subcontractors for DBRA compliance at any time, as outlined under 'County Obligations', of this Agreement.

G. BUILD AMERICA BUY AMERICA (BABA)

Subrecipient shall comply with the requirements of the Build America, Buy America (BABA) Act, 41 USC 8301, and all applicable rules and notices, as may be amended, if applicable to the Subrecipient's project. Pursuant to HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 FR 17001), any funds obligated by HUD on or after the applicable listed effective dates, are subject to BABA requirements, unless excepted by a waiver.

Subrecipient acknowledges that any funds received by the County from HUD, subsequent to November 14, 2022 are subject to the Federal Build America, Buy America Act as described in 2 CFR Part 184 which states that the provided funds may not be used for an infrastructure project unless:

- (1) all iron and steel used in the project are produced in the United States – this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States; and
- (2) All manufactured products used in the project are produced in the United States – This means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and
- (3) All construction materials are manufactured in the United States – this means that all manufacturing processes for the construction material occurred in the United States.

H. REQUIRED USE OF THE LABOR COMPLIANCE REPORTING SYSTEM (LCRS)

As part of the County's commitment to assist the Subrecipient and its contractors/subcontractors to comply with legal and contractual requirements including Davis Bacon and Related Acts (DBRA) and Section 3 requirements at 24 CFR Part 75, the Department of Housing & Economic Development has established a Labor Compliance

Reporting System (“LCRS”) for this project. The Subrecipient’s contractors/subs will no longer be required to submit paper copies of fringe benefits statements, weekly-certified payroll reports and/or work performance reports, and shall instead use the LCRS for all DBRA reporting and tracking. The LCRS is available for use 24-hours a day, 7 days a week, at no cost for reporting weekly certified payrolls, labor hours on Section 3 Covered Projects, and labor compliance related documents. Utilization of this system should also prove helpful in expediting the process of reviewing payrolls, approving progress payments to contractors and reimbursement payments to Subrecipients/developers.

I. INSURANCE BY SUBRECIPIENT:

Without waiving the right to sovereign immunity as provided by section 768.28, Florida Statutes, (Statute), the Municipality represents that it is self-insured with coverage subject to the limitations of the Statute, as may be amended.

If Municipality is not self-insured, Municipality shall maintain at its sole expense, in force and effect at all times during the life of this Agreement, insurance coverage and limits not less than those contained in the Statute.

Should Municipality purchase excess liability coverage, Municipality agrees to include County as an Additional Insured.

The Municipality agrees to maintain or to be self-insured for Workers' Compensation insurance in accordance with Chapter 440, Florida Statutes.

- (1) **Waiver of Subrogation:** Except where prohibited by law, Municipality hereby waives any and all rights of Subrogation against the County, its officers, employees and agents for each required policy except Professional Liability. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then Municipality shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent.

This Waiver of Subrogation requirement shall not apply to any policy that includes a condition to the policy specifically prohibiting such an endorsement or voids coverage should Municipality enter into such an agreement on a pre-loss basis.

- (2) **Certificates of Insurance:** Prior to each subsequent renewal of this Agreement, within forty-eight (48) hours of a request by County, and subsequently, prior to expiration of any of the required coverage throughout the term of this Agreement, the Municipality shall deliver to the County, a signed Certificate(s) of Insurance evidencing that all types and minimum limits of insurance coverage required by this Agreement have been obtained and are in full force and effect.

The Certificate Holder shall read:

Palm Beach County Board of County Commissioners
c/o Department of Housing & Economic Development
100 Australian Ave, 5th Floor
West Palm Beach, FL 33406

When requested, the Municipality shall provide an affidavit or Certificate of Insurance evidencing insurance or self-insurance. Compliance with the foregoing requirement shall not relieve the Municipality of its liability and obligations under this Agreement.

- (3) **Right to Revise or Reject**: County, by and through its Risk Management Department in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject, or accept any required policies of insurance, including limits, coverage, or endorsements.

Should Municipality contract with a third-party (Contractor) to perform any service related to the Agreement, Municipality shall require the Contractor to provide the following minimum insurance:

- (a) **Commercial General Liability**: Municipality shall maintain limit of liability insurance with minimum limits of \$1,000,000 combined single limit for property damage and bodily injury per occurrence. Such policy shall be endorsed to include Municipality and County as Additional Insureds. Municipality shall also require that the Contractor include a Waiver of Subrogation against County.

Additional Insured Endorsement: The Commercial General Liability policy shall be endorsed to include in the Description of Operations section or elsewhere: "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees, and Agents" as an Additional Insured. A copy of the endorsement shall be provided to County upon request.

- (b) **Business Automobile Liability**: Insurance with minimum limits of \$1,000,000 combined single limits for property damage and bodily injury per occurrence.
- (c) **Workers' Compensation**: Insurance in compliance with Chapter 440, Florida Statutes, and which shall include coverage for Employer's Liability.

- J. **BONDING REQUIREMENTS**: The Subrecipient shall comply with the requirements of 2 CFR Part 200 in regard to bid guarantees, performance bonds, and payment bonds. For contracts exceeding the current dollar amount set by the Federal Acquisition Regulation at [48 CFR subpart 2.1](#), which is adjusted periodically for inflation in accordance with [41 U.S.C. 1908](#), defined by HUD as Simplified Acquisition Threshold (SAT), the Subrecipient shall require a bid guarantee from each bidder equivalent to five percent (5%) of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified. In addition, for contracts exceeding the current SAT, the Subrecipient shall also require a performance bond on the part of the contractor for 100 percent (100%) of the contract price and a payment bond on the part of the contractor for 100 percent (100%) of the contract price.

A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

All bonds shall be executed by a corporate surety company of recognized standing, authorized to do business in the State of Florida. The Subrecipient may follow its own requirements relating to bid guarantees, performance bonds, and payment bonds for contracts for less than the current SAT.

- K. CONSTRUCTION PAYMENT RETAINAGE:** Throughout the term of this Agreement, the Subrecipient shall withhold retainage upon each progress draw at the maximum percentage allowed by Florida law as specified in the construction contract. The Subrecipient shall abide by Florida law and this Agreement regarding the payment of retainage funds and project closeout procedures. The Subrecipient shall certify to DHED that the contractor and subcontractors have complied with the requirements of DBRA, that all wages and restitution due to workers has been paid, and that satisfactory project closeout documentation has been reviewed and approved by the Subrecipient. **Subrecipient shall provide documentation for approval to DHED, as proof of compliance prior to the Subrecipient releasing retainage/final payment.**
- L. REPORTS:** The Subrecipient shall submit to DHED a detailed Monthly Report in the form provided as Schedule "I" to this Agreement, or other form as may be required by DHED. Each Monthly Report must account for the total activity for which the Subrecipient is funded under this Agreement, and a Subrecipient representative must certify to the accuracy of the Monthly Report. These Monthly Reports shall be submitted to DHED beginning with the month of the effective date of the Agreement. They shall be used by DHED to assess the Subrecipient's progress in implementing the project.
- M. USE OF THE PROJECT FACILITY/PROPERTY:** The Subrecipient agrees in regard to the use of the facility/property whose acquisition or improvements are being funded in part or in whole by CDBG funds as provided by this Agreement, that for a period of five (5) years after the expiration date of this Agreement (as may be amended from time to time):
- (1) The Subrecipient shall properly maintain the facility/project, and may not change the use or planned use, or discontinue use, of the facility/property (including the beneficiaries of such use) from that for which the acquisition or improvements are made, unless the Subrecipient provides affected citizens with reasonable notice of, and opportunity to comment on, any such proposed change and either:
 - (a) The new use of the facility/property qualifies as meeting one of the national objectives defined in the regulations governing the CDBG program, and is not a building for the general conduct of government; or
 - (b) The requirements of paragraph (2) of this section are met.
 - (2) If the Subrecipient determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (1) (a) of this section or discontinue the use of the facility/property, it may retain or dispose of the facility for such use if the County is reimbursed in the amount

of the current fair market value of the facility/property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvements to the facility/property. The final determination of the amount of any such reimbursement to the County under this paragraph shall be made by the County.

- (3) Following the reimbursement of CDBG funds by the Subrecipient to the County pursuant to paragraph (2) above, the facility/property will then no longer be subject to any CDBG requirements.

The provisions of this clause shall survive the expiration or early termination of this Agreement.

N. HUD SECTION 3 REQUIREMENTS: The Subrecipient agrees to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended 12 U.S.C. 170 1u (Section 3) and 24 CFR Part 75, as they apply to Section 3 Covered Projects as defined by HUD in 24 CFR Part 75.3(a)(2) when funded, in part or in whole, through this Agreement and awarded for Section 3 Covered Projects. For the purposes of this Agreement, the requirements of Section 3 Covered Projects shall apply to the herein described construction contract with the prime contractor covering all construction work associated with the Project, all subcontracts arising from said construction contract, excluding licensed professional services contracts entered into after November 30, 2020.

Section 3 Reporting Requirements: All Labor hours for a Section 3 Covered Project; all labor hours for Section 3 Workers; and all labor hours for Section 3 Targeted Workers as defined in 24 CFR Part 75, shall to be reported to the County through the Labor Compliance Reporting System (LCRS) throughout the Section 3 Covered Project. See Exhibit "A" - Section (D): Required Use of the Labor Compliance Reporting System (LCRS).

Additional Section 3 reporting requirements: In the event Section 3 benchmark goals identified in 24 CFR Part 75 are not met at completion of a Section 3 Covered Project, the Subrecipient must also submit a written report to the County on the qualitative nature of its activities and those of its contractors and subcontractors pursued per 24 CFR Part 75.

Section 3 Clause: The Subrecipient shall include the following, referred to as the Section 3 Clause, in every solicitation and every contract and subcontract issued after November 30, 2020, for every Section 3 Covered Project:

Section 3 Clause:

(i) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended 12 U.S.C. 170 1u (Section 3) and 24 CFR Part 75. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3 are to the greatest extent feasible directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The Section 3 Clause provides that total labor hours for the project shall be reported; labor hours for Section 3 Workers shall be reported; and labor hours for Section 3 Targeted Workers as defined in 24 CFR Part 75 shall be reported by the Subrecipient to the County for submittal to the Department of Housing and Urban Development.

(ii) The contractor agrees to include this Section 3 Clause in every subcontract on a Section 3 Project subject to compliance with regulations in 24 CFR Part 75.

(iii) Non-compliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted projects.

O. ENVIRONMENTAL CONDITIONS: The County shall perform an Environmental Review (ER) of the project to assess existing conditions and identify all potential environmental impacts, whether beneficial or adverse, and any required conditions or mitigation measures that the Subrecipient must consider in the design and implementation of the project. The Subrecipient acknowledges that construction may not start until DHED notifies the Subrecipient of the results of the ER and the Release of Funds from HUD. Where applicable, the Subrecipient shall submit to DHED a plan of action and an implementation schedule for complying with any identified conditions requiring mitigation. Where applicable, mitigation measures shall be included in the bid documents. The Subrecipient shall comply with all requirements established by the County emanating from the completion of the ER.

ER costs incurred by the County may be charged to the project identified above. In addition, the Subrecipient shall immediately inform DHED of any environmental findings or conditions discovered during activity implementation, and agrees that applicable mitigation measures, subject to DHED approval, shall be incorporated in order to proceed with the project.

The Subrecipient acknowledges that such mitigation measures may affect the total project cost and that Subrecipient may be responsible for implementation of corrective actions and the costs associated therewith.

P. COUNTY OBLIGATIONS:

- (1) Provide funding for the above-specified improvements as described above in "Project Scope", during the term of this Agreement, in the amount of **\$301,586**. However, the County shall not be obligated to provide any funding for the construction work until the Subrecipient provides documentation showing that sufficient funds are available to complete the project.
- (2) County reserves the right to withhold funding for the construction work until the Subrecipient provides documentation showing that Subrecipient's construction contract has been procured in compliance with applicable requirements for the CDBG funds provided under this Agreement.

- (3) Provide technical assistance to the Subrecipient when requested.
- (4) Monitor the Subrecipient at any time during the term of this Agreement. Visits may be announced or unannounced, as determined by DHED, and will serve to ensure compliance with HUD regulations that planned activities are conducted in a timely manner, and to verify the accuracy of reporting to DHED on program activities.
- (5) Allowable costs that may be paid by the County under this Agreement in addition to those stated in paragraph P(2) above:
 - (a) Costs of asbestos surveys, asbestos abatement, and abatement monitoring.
 - (b) Costs of any other services customarily associated with projects of the nature of the project contemplated by this Agreement.

The County shall review requests by the Subrecipient for expenditures on the above items prior to undertaking the services associated with them, and approve any such expenditure it deems appropriate for this project.

SCHEDULE "II"

ASBESTOS REQUIREMENTS
SPECIAL CONDITIONS FOR DEMOLITION AND RENOVATION OF BUILDINGS

The provisions of this part apply to all demolition and renovation work contemplated in this Agreement and described in Exhibit "A" of this Agreement.

I. DEFINITIONS

ACM:	Asbestos Containing Materials
AHERA:	Asbestos Hazard Emergency Response Act
EPA:	Environmental Protection Agency
FLAC:	Florida Licensed Asbestos Consultant
DHED:	Palm Beach County Department of Housing and Economic Development
NESHAP:	National Emission Standards for Hazardous Air Pollutants
NRCA:	National Roofing Contractors Association
NVLAP:	National Voluntary Laboratory Accreditation Program
OSHA:	Occupational Safety & Health Administration
PBCAC:	Palm Beach County Asbestos Coordinator (in Risk Management)
PLM:	Polarized Light Microscopy
RACM:	Regulated Asbestos Containing Materials
TEM:	Transmission Electron Microscopy

II. ASBESTOS SURVEYS

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting should be conducted on all RACM indicating 1% - 10% asbestos by PLM analysis. If the asbestos content by PLM is less than 10%, the building owner/operator can elect to:
 1. Assume the material is greater than 1% and treat it as RACM, or
 2. Require verification by point counting
- Samples of resilient vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM)
- Joint compound shall be analyzed as a separate layer
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed. In lieu of sampling the roof, it will be presumed to contain asbestos

For Demolition Projects:

- Point counting should be conducted on all RACM indicating 1% - 10% asbestos by PLM analysis. If the asbestos content by PLM is less than 10%, the building owner/operator can elect to:
 1. Assume the material is greater than 1% and treat it as RACM, or
 2. Require verification by point counting
- Composite sample analysis is permitted for drywall systems (combining the drywall and joint compound constituents)
- All Category I and II non-friable materials, as defined in EPA/NESHAP, shall be sampled to determine asbestos content

If the Subrecipient has a recent asbestos survey report prepared by a Florida Licensed Asbestos Consultant, a copy may be provided to DHED for review by the PBCAC to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Subrecipient or requested by DHED. If the survey is through DHED, a copy of the completed survey will be forwarded to the Subrecipient.

III. ASBESTOS ABATEMENT

A. RENOVATION

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC. Exceptions may be granted by DHED prior to the removal. The Subrecipient must obtain approval for all exceptions from DHED. DHED will request the PBCAC to review and approve all exceptions.
- (b) Asbestos abatement work may be contracted by the Subrecipient or by DHED upon request.
- (c) If the Subrecipient contracts the asbestos abatement, the following documents are required to be provided to the DHED.
 1. An Asbestos Abatement Specification (Work Plan)
 2. Post Job submittals, reviewed and signed by the FLAC
- (d) If the Subrecipient requests DHED to contract the asbestos abatement, DHED will initiate the request through the PBCAC who will contract the asbestos abatement. DHED will provide a copy of all contractor and consultant documents to the Subrecipient.
- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements include training, wet methods, prompt cleanup in leak tight containers, etc.

The renovation contractor must comply with US Dept of Labor, OSHA Standard Interpretation, "Compliance requirements for renovation work involving material containing <1% asbestos", dated 11/24/2003. The renovation contractor must submit a work plan to DHED prior to removal of the materials.

B. DEMOLITION

All RACM must be removed by a Florida Licensed Asbestos Contractor under the direction of an FLAC prior to demolition. Examples of RACM include: popcorn ceiling finish, drywall systems, felt or paper-backed linoleum, resilient floor tile which is not intact, asbestos cement panels/pipes/shingles ("transite").

NESHAP Category I non-friable materials, such as intact resilient floor tile & mastic and intact roofing materials, may be demolished with the structure, using adequate controls. The demolition contractor shall be made aware of the asbestos-containing materials and shall exercise adequate control techniques (wet methods, etc.). Any exceptions to these guidelines shall be requested through and approved by DHED prior to the removal. Demolition work should be monitored by a FLAC to ensure proper control measures and waste disposal. This is the responsibility of the Subrecipient.

- (a) Asbestos Abatement work may be contracted by the Subrecipient or by DHED upon request.
- (b) If the Subrecipient contracts the asbestos abatement, the following documents must be provided to the DHED and reviewed by the PBCAC.
 - 1. An Asbestos Abatement Specification (Work Plan).
 - 2. Post Job submittals, reviewed and signed by the FLAC.
- (c) If the Subrecipient requests DHED to contract the asbestos abatement, DHED will initiate the request through the PBCAC who will contract the asbestos abatement. DHED will provide a copy of all contractor and consultant documents to the Subrecipient.
- (d) Recycling, salvage or compacting of any asbestos containing materials or the substrate is strictly prohibited.
- (e) In all cases, compliance with OSHA "Requirements for demolition operations involving material containing <1% asbestos" is mandatory.
- (f) If suspect materials are discovered that were not previously sampled and identified in the survey, stop all work that will disturb these materials and immediately notify DHED.

IV. NESHAP NOTIFICATION

A. RENOVATION

For floor tile removal greater than 160 square feet, the Subrecipient or its Contractor shall provide a courtesy NESHAP notification to the Palm Beach County Health Department at least three (3) working days prior to removal.

The Subrecipient shall provide a copy of the asbestos survey to the renovation contractor to keep onsite during the work activity.

C. NESHAP FORM

The NESHAP form is available online through the Florida Department of Environmental Regulations. The notification shall be sent to the address shown below. A copy shall be included in the Subrecipient post job documentation submitted to DHED. All fees shall be paid by the Subrecipient .
