The Employer hereby establishes a Money Purchase Plan to be known as:  
City of Lake Worth Beach (FPDP) 401(a) Plan

**New Plan**

**Effective Date of New Plan.** The effective date of the Plan shall be the first day of the Plan Year during which the Employer adopts the Plan, unless an alternate effective date is hereby specified:

*(Note: An alternate effective date can be no earlier than the first day of the Plan Year in which the Plan is adopted.)*

**I. EMPLOYER:** City of Lake Worth Beach (FPDP)

*(The Employer must be a governmental entity under Internal Revenue Code § 414(d))*

**II. SPECIAL EFFECTIVE DATES**

Please note here any elections in the Adoption Agreement with an effective date that is different from that noted above.

*(Note: provision and effective date.)*

**III. PLAN YEAR**

The Plan Year will be:

January 1 - December 31 **(Default)**

The 12-month period ending: \_\_\_\_\_  
Month Day

**IV. Normal Retirement Age shall be age 55 (not less than 55 nor in excess of 65).**

*Important Note to Employers:* Normal Retirement Age is significant for determining the earliest date at which the Plan may allow for in-service distributions. Normal Retirement Age also defines the latest date at which a Participant must have a fully vested right to his/her Account. There are IRS rules that limit the age that may be specified as the Plan's Normal Retirement Age. The Normal Retirement Age cannot be earlier than what is reasonably representative of the typical retirement age for the industry in which the covered workforce is employed.

In 2016, the Internal Revenue Service proposed regulations that would provide rules for determining whether a governmental pension plan's normal retirement age satisfies the Internal Revenue Code's qualification requirements. A normal retirement age that is age 62 or later is deemed to be not earlier than the earliest age that is reasonably representative of the typical retirement age for the industry in which the covered workforce is employed. Whether an age below 62 satisfies this requirement depends on the facts and circumstances, but an Employer's good faith, reasonable determination will generally be given deference. A special rule, however, says that a normal retirement age that is age 50 or later is deemed to be not earlier than the earliest age that is reasonably representative of the typical retirement age for the industry in which the covered workforce is employed if the participants to which this normal retirement age applies are qualified public safety employees (within the meaning of section 72(t)(10)(B)). These regulations are proposed to be effective for employees hired during plan years beginning on or after the later of: (1) January 1, 2017; or (2) the close of the first regular legislative session of the legislative body with the authority to amend the plan that begins on or after the date that is 3 months after the final regulations are published in the Federal Register. In the meantime, however, governmental plan sponsors may rely on these proposed regulations.

**In lieu of age-based Normal Retirement Age, the Plan shall use the following age and service-based Normal Retirement Age \_\_\_\_\_**

*Important Note to Employers:* Before using a Normal Retirement Age based on age and service, a plan sponsor should review the proposed regulations (81 Fed. Reg. 4599 (Jan. 27, 2016)) and consult counsel.

An Employee's election is irrevocable and shall remain in force until the Employee terminates employment or ceases to be eligible to participate in the Plan. ## Addendum to MissionSquare Retirement Governmental Money Purchase Plan Adoption Agreement

This Addendum is attached to, and made a part of, the MissionSquare Retirement Governmental Money Purchase Plan Adoption Agreement for the City of Lake Worth Beach (FPDP) 401(a) Plan, Plan Number 10-6867, effective **August 18, 2024**.

- (1) The entry in subsection 1 (Other Employees) of section V (COVERED EMPLOYMENT CLASSIFICATIONS) of the Adoption Agreement is as follows:

each Employee who simultaneously meets both of the following requirements: (1) the Employee holds one of the following job positions: Mayor, Commissioner, City Manager, Assistant City Manager, Internal Auditor, Clerk, Deputy Clerk, non-interim and non-acting Director, or non-interim and non-acting Assistant Director; and (2) the Employee is not accruing benefits as an active participant in the City of Lake Worth Beach Employees' Retirement System (e.g., the Employee is not eligible to participate in such System or the Employee's benefit accrual in such System is frozen). An Employee is an eligible Employee only during the period(s) in which the Employee simultaneously meets both of the foregoing requirements.

- (2) As a point of clarification, to confirm the Plan Administrator's long-standing historical interpretation and application of Plan terms on a uniform and non-discriminatory basis, "Earnings" as described in Section 2.09 of the Plan does not include any of the following items of pay, or their substantial equivalent, for purposes of any contributions to the Plan:
- (i) unused accrued bona fide sick, vacation, or other leave, regardless of whether all or a portion of the value of such unused leave is paid to a Participant in-service or after severance. Hence, pay items that the Plan Administrator determines are a cash-out of such unused accrued leave, or are analogous to a cash-out of such unused accrued leave, are not "Earnings." By way of example and not as a limitation, Hardship pay is not "Earnings."
  - (ii) overtime, as that term is construed in the context of this Plan for which eligibility to participate is generally limited to exempt employees who do not earn the traditional form of overtime. Hence, pay items that the Plan Administrator determines are overtime within the context of this Plan because they compensate for additional required labor are not "Earnings." By way of example and not as a limitation, TempIncrea[se] pay is not "Earnings."
