NOW THEREFORE, in consideration of the mutual promises set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Recitals. The parties agree that the recitals set forth above are true and correct and are fully incorporated herein by reference.
2. Contract. The County Contract is hereby incorporated by reference into and expressly made a part of this Agreement as if set forth at length herein. The CITY shall have all rights and obligations of Collier County under the County Contract except as specifically modified herein. The term of this Agreement shall be consistent with the term of the County Contract and valid until May 14, 2027 unless earlier terminated in accordance with the Agreement terms. This Agreement may be extended by the City Manager consistent with the renewal option of the County Contract.
3. Not to Exceed Amount. While the CONTRACTOR is not guaranteed that the CITY will utilize this Agreement for any services, if the CITY utilizes this Agreement for services, the not to exceed amount for this Agreement shall be **\$550,000** each fiscal year.
4. Purchase Orders. The CITY’s ordering mechanism for the work under this Agreement shall be a CITY issued Purchase Order; however, in the event of a conflict, all contractual terms and conditions stated herein and as stated in the Collier County Agreement shall take precedence over the terms and conditions stated

in the CITY issued Purchase Order. The CONTRACTOR shall not provide any work under this Agreement without a CITY issued Purchase Order specifically for this purpose. The CONTRACTOR shall not perform work which is outside the scope of an issued Purchase Order and the CONTRACTOR shall not exceed the expressed amounts stated in the Purchase Order to be paid to the CONTRACTOR. The pricing in each Purchase Order shall be consistent with the pricing set forth in the Collier County Agreement. Each issued Purchase Order shall be incorporated into this Agreement and made a part hereof.

5. Conflict of Terms and Conditions. Conflicts between documents that make up this Agreement shall be resolved in the following order of precedence:

- a. This Agreement (including its exhibits);
- b. The County Contract; and,
- c. The CITY issued Purchase Order.

6. Compensation to CONTRACTOR. CONTRACTOR shall submit invoices to the CITY for review and approval by the CITY's representative, indicating that all goods and services have been provided and rendered in conformity with this Agreement and then will be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the CITY representative's approval. CONTRACTOR waives consequential or incidental damages for claims, disputes or other matters in question arising out of or relating to this Agreement. In order for both parties herein to close their books and records, CONTRACTOR will clearly state "final invoice" on the CONTRACTOR's final/last billing to the CITY. This certifies that all services have been properly performed and all charges have been invoiced to the CITY. Since this account will thereupon be closed, any and other further charges if not properly included in this final invoice are waived by the CONTRACTOR. The CITY will not be liable for any invoice from the CONTRACTOR submitted thirty (30) days after the provision of all services.

7. Miscellaneous Provisions.

- A. This Agreement shall be governed by the laws of the State of Florida. Any and all legal action necessary to enforce this Agreement will be held exclusively in Palm Beach County, Florida. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.
- B. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto. Any provision of this Agreement which is of a continuing nature or imposes an obligation which extends beyond the term of this Agreement shall survive its expiration or earlier termination.
- F. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and will become effective and binding upon the parties as of the effective date at such time as all the signatories hereto have signed a counterpart of this Agreement.  3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of this Agreement if the CONTRACTOR does not transfer the records to the CITY.
 4. Upon completion of this Agreement, transfer, at no cost, to the CITY all public records in possession of the CONTRACTOR or keep and maintain public records required by the CITY to perform the service. If the CONTRACTOR transfers all public records to the CITY upon completion of the Agreement, the CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONTRACTOR keeps and maintains public records upon completion of the Agreement, the CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY, upon request from the CITY's custodian of public records or designee, in a format that is compatible with the information technology systems of the CITY.
