THIS PROFESSIONAL SERVICES AGREEMENT (“Agreement”) is entered on \_\_\_\_\_, by and between the **City of Lake Worth Beach**, a Florida municipal corporation (“City”) and **E-Source Companies, LLC**, a Limited Liability Company, located at 3020 Carbon Place, Suite 300, Boulder, CO 80301, authorized to do business in the State of Florida (“Consultant”).

**RECITALS**

**WHEREAS**, the City issued a Request for Proposal (No. 24-202) for Advance Metering Infrastructure (AMI) system and Meter Data Management (MDM) system Consultant Services to help the City procure a replacement for the existing water and electric AMI system as well as a Meter Data Management (MDM) system (“RFP”); and

**WHEREAS**, Consultant has provided the City with a written proposal in response to the RFP to provide the services as described and set out in the RFP which includes a price proposal as provided in **Exhibit “A”**; and

**WHEREAS**, the City desires to accept Consultant’s proposal in order for Consultant to render the services to the City as provided herein; and

**WHEREAS**, the services sought by the City under this Agreement may be funded, in whole or in part, by a federal grant (Department of Energy Grid Resilience and Innovation Partnerships grant), which federal grant requires compliance with all applicable federal law, regulations, executive orders, policies, procedures, directives and special clauses as further illustrated in **Exhibit “B”**; and

**WHEREAS**, Consultant further warrants that it is experienced and capable of performing the services hereunder in a professional and competent manner; and

**WHEREAS**, the purpose of this Agreement is to set forth certain terms and conditions for the provision of services by Consultant to the City.

**NOW, THEREFORE**, in consideration of the premises and mutual covenants herein contained, the sufficiency of which is hereby acknowledged by the parties, the City and Consultant agree as follows:

**SECTION 1: INCORPORATION OF RECITALS.** The foregoing Recitals are incorporated into this Agreement as true and correct statements.

**SECTION 2: CONSULTANT’S SERVICES.** The Consultant shall provide Advance Metering Infrastructure (AMI) system and Meter Data Management (MDM) system consulting services to the City as more specifically described in the **RFP**, which is incorporated herein by reference, and in accordance with all Department of Energy Grid Resilience and Innovation Partnerships grant requirements, which federal requirements are illustrated in **Exhibit “B”** (Consultant is referred to as “Contractor” in Exhibit “B”). For more information or questions on the federal requirements or their applicability, Consultant shall contact the City prior to taking any action which may be contrary to the federal requirements. When the Consultant commences preparation of a purchasing solicitation for the AMI and/or MDM system(s), the Consultant shall incorporate all federal requirements into the solicitation document as set forth in **Exhibit “B”** and as may otherwise be required by the City or the Department of Energy Grid Resilience and Innovation Partnerships grant.

**SECTION 3: INDEPENDENT CONTRACTOR RELATIONSHIP.** No relationship of employer or employee is created by this Agreement, it being understood that Consultant will act hereunder as an independent contractor and none of Consultant's, officers, directors, employees, independent contractors, representatives or agents performing services for Consultant pursuant to this Agreement shall have any claim under this Agreement or otherwise against the City for compensation of any kind under this Agreement. The relationship between the City and Consultant is that of independent contractors, and neither shall be considered a joint venturer, partner, employee, agent, representative or other relationship of the other for any purpose expressly or by implication.

**SECTION 4: TERM, TIME AND TERMINATION.**

a. Term. The term of this Agreement shall commence upon the approval of this Agreement and shall be for the term necessary to complete all services as set forth in the Consultant's proposal (**Exhibit "A"**) unless earlier terminated as stated herein. The term may be extended by written agreement of the parties for further services related to those services identified herein.

b. Time for Completion. Time is of the essence in the performance of this Agreement. Consultant shall at all times carry out its duties and responsibilities as expeditiously as possible and in accordance with the project schedule as set forth in RFP or as otherwise agreed between the parties.

c. Force Majeure. Neither party hereto shall be liable for its failure to perform hereunder due to any circumstances beyond its reasonable control, such as acts of God, wars, riots, national emergencies, sabotage, strikes, labor disputes, accidents, and governmental laws, ordinances, rules, or regulations. The Consultant or City may suspend its performance under this Agreement as a result of a force majeure event without being in default of this Agreement, but upon the removal of such force majeure event, the Consultant or City shall resume its performance as soon as is reasonably possible. Upon the Consultant's request, the City shall consider the facts and extent of any failure to perform the services and, if the Consultant's failure to perform was without its or its sub-consultant's fault or negligence, the schedule and/or any other affected provision of this Agreement may be revised accordingly, subject to the City's rights to change, terminate, or stop any or all of the services at any time. No extension shall be made for delay occurring more than seven (7) days before a notice of delay or claim therefore is made in writing to the City. In the case of continuing cause of delay, only one (1) notice of delay or claim is necessary.

d. Termination without cause. Either party may terminate this Agreement at any time with or without cause by giving not less than thirty (30) days written notice of termination.

e. Termination for cause. Either party may terminate this Agreement at any time in the event that the other party engages in any act or makes any omission constituting a material breach of any term or condition of this Agreement. The party electing to terminate this Agreement for breach shall provide the other party with written notice specifying the nature of the breach. The party receiving the notice shall then have three (3) business days from the date of the notice in which to remedy the breach. If such corrective action is not taken within three (3) business days, then this Agreement shall terminate at the end of the three (3) business day period without further notice or demand.

f. Early Termination. If this Agreement is terminated before the completion of all services by either party, the Consultant shall:

1. Stop services on the date and to the extent specified including without limitation services of any sub-consultants.
2. Transfer all work in progress, completed work, and other materials related to the terminated services to the City in the format acceptable to City.

3. Continue and complete all parts of the services that have not been terminated.

g. Effect of Termination. Termination of this Agreement shall not affect any rights, obligations, and liabilities of the parties arising out of services provided prior to the date of termination. Notwithstanding the foregoing, the parties acknowledge and agree that the City is a municipal corporation existing under the laws of the State of Florida, and as such, this Agreement (and all Exhibits hereto) are subject to budgeting and appropriation by the City of funds sufficient to pay the costs associated herewith in any fiscal year of the City. Notwithstanding anything in this Agreement to the contrary, in the event that no funds are appropriated or budgeted by the City's governing board in any fiscal year to pay the costs associated with the City's obligations under this Agreement, or in the event the funds budgeted or appropriated are, or are estimated by the City to be, insufficient to pay the costs associated with the City's obligations hereunder in any fiscal period, then the City will notify Consultant of such occurrence and either the City or Consultant may terminate this Agreement by notifying the other in writing, which notice shall specify a date of termination no earlier than twenty-four (24) hours after giving of such notice. Termination in accordance with the preceding sentence shall be without penalty or expense to the City of any kind whatsoever; however, City shall pay Consultant for all services performed under this Agreement through the date of termination.

**SECTION 5: COMPENSATION.**

a. Payments. The City agrees to compensate Consultant in accordance with the price proposal attached hereto as **Exhibit "A"**. The City shall not reimburse Consultant for any additional costs incurred as a direct or indirect result of Consultant providing services to the City under this Agreement and not set forth in **Exhibit "A"**. For additional hourly rate services and additional reimbursable expenses, the Consultant must receive prior written approval from the City before providing any services to be charged under the hourly rate.

b. Invoices. Consultant shall render invoices to the City for services that have been rendered in conformity with this Agreement, the RFP, and the price proposal set forth in **Exhibit "A"**. The monthly invoices shall set forth the Total Annual Cost (at monthly increments) as set forth in Exhibit "A" (inclusive of reimbursable costs associated with the Total Annual Cost). The monthly invoices shall also include any additional hourly rate services and related reimbursable expenses, which have received the prior written approval of the City. The invoices shall specify the services performed and the time spent on such work. All reimbursable expenses shall also be clearly identified on the invoice with supporting documentation. Invoices will be reviewed for approval and if an invoice is not approved, the City will notify Consultant within ten (10) days of deficiencies in the invoice. Once the deficiencies are corrected and a new or amended invoice submitted, the City shall make payment within twenty (20) days. Invoices will normally be paid within thirty (30) days following the City's receipt of Consultant's invoice.

**SECTION 6: INDEMNIFICATION.** Consultant, its officers, employees and agents shall indemnify and hold harmless the City, including its officers and employees from liabilities, damages, losses, and costs, including but not limited to, reasonable attorney's fees (at the trial and appellate levels), to the extent caused by the negligence, of Consultant, its officers, directors, employees, representatives and agents employed or utilized by Consultant in the performance of the services under this Agreement. The City agrees to be responsible for its own negligence. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the City or Consultant, nor shall this Agreement be construed as a waiver of sovereign immunity for the City beyond the waiver provided in section 768.28, Florida Statutes.

**SECTION 7: COMPLIANCE AND DISQUALIFICATION.** Each of the parties agrees to perform its responsibilities under this Agreement in conformance with all laws, regulations and administrative instructions that relate to the parties' performance of this Agreement.

**SECTION 8: PERSONNEL.** Consultant represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Agreement. Such personnel shall not be employees of or have any contractual relationship with the City. All of the services required hereunder shall be performed by Consultant or under its supervision, and all personnel engaged in performing the services shall be fully qualified and authorized or permitted under federal, state and local law to perform such services.

**SECTION 9: SUB-CONSULTANTS.** The City reserves the right to accept the use of a sub-consultant or to reject the selection of a particular sub-consultant and approve all qualifications of any sub-consultant in order to make a determination as to the capability of the sub-consultant to perform properly under this Agreement. All sub-consultants providing professional services to Consultant under this Agreement will also be required to provide their own insurance coverage identical to those contained in this Agreement. In the event that a sub-consultant does not have insurance or does not meet the insurance limits as stated in this Agreement, Consultant shall indemnify and hold harmless the City for any claim in excess of the sub-consultant’s insurance coverage, arising out of the negligent acts, errors or omissions of the sub-consultant.

**SECTION 10: FEDERAL AND STATE TAX.** The City is exempt from payment of Florida State Sales and Use Tax. Consultant is not authorized to use the City’s Tax Exemption Number.

**SECTION 11: INSURANCE.** Prior to commencing any services, Consultant shall provide proof of insurance coverage as required hereunder. Such insurance policy(s) shall be issued by the United States Treasury or insurance carriers approved and authorized to do business in the State of Florida, and who must have a rating of no less than “excellent” by A.M. Best or as mutually agreed upon by the City and Consultant. All such insurance policies may not be modified or terminated without the express written authorization of the City.

The commercial general liability and automobile liability policies will name the City as an additional insured on a primary, non-contributing basis, and proof of all insurance coverage shall be furnished to the City by way of an endorsement to same or certificate of insurance prior to the provision of services. The certificates shall clearly indicate that Consultant has obtained insurance of the type, amount, and classification as required for strict compliance with this section. Failure to comply with the foregoing requirements shall not relieve Consultant of its liability and obligations under this Agreement.

**SECTION 12: SUCCESSORS AND ASSIGNS.** The City and Consultant each binds itself and its partners, successors, executors, administrators, and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement. Except as agreed in writing by all parties, this Agreement is not assignable.

**SECTION 13: DISPUTE RESOLUTION, LAW, VENUE AND REMEDIES.** All claims arising out of this Agreement or its breach shall be submitted first to mediation. The parties shall share the mediator's fee equally. The mediation shall be held in Palm Beach County. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof. This Agreement shall be governed by the laws of the State of Florida. Any and all legal action necessary to enforce the Agreement will be held in Palm Beach County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

**SECTION 14: WAIVER OF JURY TRIAL.** TO ENCOURAGE PROMPT AND EQUITABLE RESOLUTION OF ANY LITIGATION, EACH PARTY HEREBY WAIVES ITS RIGHTS TO A TRIAL BY JURY IN ANY LITIGATION RELATED TO THIS AGREEMENT.

**SECTION 15: ACCESS AND AUDITS.** Consultant shall maintain adequate records to justify all payments made by the City under this Agreement for at least three (3) years after completion of this Agreement and longer if required by applicable federal or state law. The City shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at Consultant's place of business. In no circumstances will Consultant be required to disclose any confidential or proprietary information regarding its products and service costs.

**SECTION 16: NONDISCRIMINATION.** Consultant warrants and represents that all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, or sexual orientation.

**SECTION 17: AUTHORITY TO PRACTICE.** Consultant hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business and provide the services required under this Agreement, and that it will at all times conduct its business and provide the services under this Agreement in a reputable manner. Proof of such licenses and approvals shall be submitted to the City upon request.

**SECTION 18: SEVERABILITY.** If any term or provision of this Agreement, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, to remainder of this Agreement, or the application of such terms or provision, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.

**SECTION 23: PREPARATION AND NON-EXCLUSIVE.** This Agreement shall not be construed more strongly against either party regardless of who was more responsible for its preparation. This is a non-exclusive Agreement and the City reserves the right to contract with individuals or firms to provide the same or similar services.

**SECTION 26: NOTICE OF COMPLAINTS, SUITS AND REGULATORY VIOLATIONS.** Each party will promptly notify the other of any complaint, claim, suit or cause of action threatened or commenced against it which arises out of or relates, in any manner, to the performance of this Agreement. The Contractor hereby agrees that the following terms, at a minimum, will be incorporated into any subsequent contract resulting from this RFP, which is funded in whole or in part with any federal or other funding where the following terms are applicable:

**Equal Employment Opportunity.** During the performance of the resulting contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

(4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor

will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

(4) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts.
