COMMUNITY INVOLVEMENT

Owning a company here in Lake Worth Beach for nearly 20 years. Having been very active in this city the first ten years living in LWB, I gave tremendous time to work with neighbors, board members and commissioners to improve our city I saw potential in. My family moved to LWB in 2005 while designing the EcoCentre in downtown LWB. I know how much time it takes as a former commissioner. Much has improved with room to continue the progress the CRA has had a major role in. It is time for the city to reach its potential instead of stating it has one. I now have the time a CRA board member needs to commit to the responsibilities required.

WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)

I have seen the CRA accomplish very strategic projects under Joan Oliva's dedicated leadership. She and her staff have been tenacious and persistent towards their mission and working with the board. I believe I can assist the CRA with my background and experience to analyze and offer professional input to policy's and opportunities this board is charged with considering and making decisions on.
