DEPARTMENT: Water Utilities

TITLE:

Amendment No. 3 to the Federally Funded Community Development Block Grant Mitigation Program Subrecipient Agreement

SUMMARY:

Request for approval of Amendment No. 3 to the Federally Funded Community Development Block Grant Mitigation Program Subrecipient Agreement.

BACKGROUND AND JUSTIFICATION:

On January 27, 2022, the City of Lake Worth Beach entered into Subrecipient Agreement No. I0129 with the Florida Department of Commerce (formerly the Florida Department of Economic Opportunity) for funding under the Federally Funded Community Development Block Grant – Mitigation (CDBG-MIT) Program. The agreement establishes the terms and conditions under which the City receives and administers federal mitigation funds. The agreement was previously amended on September 9, 2022, and July 22, 2024. Amendment No. 3 was requested by the City due to delays in construction activities in order to avoid peak hurricane season and associated weather risks. The requested amendment allows additional time to complete project implementation while maintaining compliance with program requirements. This amendment extends the agreement expiration date to January 26, 2027.

MOTION:

Move to approve/disapprove Amendment No. 3 to the Federally Funded Community Development Block Grant Mitigation Program Subrecipient Agreement
